Independent Auditor's Report

Trustees
Mahajan Therapeutics, LLC 401(k) Plan
Dayton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Mahajan Therapeutics, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of November 10, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the period January 1, 2022 through November 10, 2022 (in liquidation), and the statement of net assets available for benefits as of December 31, 2021 (ongoing), and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mahajan Therapeutics, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 10, 2022 and for the period January 1, 2022 through November 10, 2022 and as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mahajan Therapeutics, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of Mahajan Therapeutics, LLC 401(k) Plan approved a plan of liquidation on February 9, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mahajan Therapeutics, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mahajan Therapeutics, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mahajan Therapeutics, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

A handwritten signature in black ink that reads "H.W. & Co." The letters are stylized and cursive.

MAHAJAN THERAPEUTICS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

PERIOD JANUARY 1, 2022 THROUGH NOVEMBER 10, 2022 AND YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan:

General:

The following brief description of the Mahajan Therapeutics, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution 401(k) plan covering substantially all employees of Mahajan Therapeutics, LLC. (the "Company" and "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings, including monitoring investment performance.

In February 2022, the owners of the Plan Sponsor elected to terminate the Plan effective February 11, 2022, the termination date (see Note 9). All assets of the plan were distributed to participants during 2022.

Contributions:

Participants may elect to contribute up to 100% of earned compensation as defined in the Plan document while a participant under the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants who have attained the age of 50 before the end of the plan year are eligible to make a catch-up contribution. Employees must first complete twelve months of service (1,000 hours) to be eligible to participate in the Plan.

The Plan requires the Company to make matching contributions under the Internal Revenue Service safe harbor provisions and the basic matching formula, which requires a 100% match of each participant's elective contribution up to 3% of compensation. This safe harbor matching contribution allows the Plan to automatically satisfy required nondiscrimination testing. Employer safe harbor matching contributions totaled \$11,701 in 2022 and \$93,665 in 2021. Participants are 100% vested in all employer matching contributions made under the safe harbor provisions of the Plan. Employees must complete a 12-month period of service to be eligible to receive matching contributions.

Additional employer discretionary contributions may be made at the discretion of the Plan Sponsor. Employees must complete a 12-month period of service to be eligible to receive additional employer discretionary contributions. The Company did not make an additional employer discretionary contribution during 2022 or 2021. These contributions would be allocated among the participants based upon their annual compensation.

Participants vested in these additional employer discretionary contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20
3	40
4	60
5	80
6 and thereafter	100

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

PERIOD JANUARY 1, 2022 THROUGH NOVEMBER 10, 2022 AND YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan (continued):

Contributions (continued):

Upon termination all participants became 100% vested in all employer contributions.

Forfeitures of nonvested accounts can be used to reduce employer matching and discretionary contributions or can be reallocated as additional and employer nonelective contributions. Forfeited amounts not allocated to participant accounts totaled \$12,671 at December 31, 2021, there were no amounts not allocated at November 10, 2022.

Participant accounts:

Each participant's account is credited with the participant's contributions, employers' safe harbor matching and discretionary employer contributions, if any, and Plan earnings. Each participant's account is charged with an allocation of Plan gains/losses and administrative expenses. Allocations are based on participant compensation, earnings and account balances, as defined.

Payment of benefits:

Once participants attain age 65, they may elect to withdraw from their account, any amounts not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death, and are distributed in a single lump sum or direct rollover to an IRA or another qualified plan.

Investment options:

The Plan Sponsor is responsible for making investment decisions and directs contributions in a number of mutual funds and a collective investment trust.

2. Summary of significant accounting policies:

Basis of accounting:

As a result of management's decision to terminate the Plan effective February 11, 2022, the liquidation basis of accounting was used in presenting the statement of net assets and the statement of changes in net assets as of and for the period January 1, 2022 through November 10, 2022. The ongoing (accrual) basis of accounting was used as of and for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

PERIOD JANUARY 1, 2022 THROUGH NOVEMBER 10, 2022 AND YEAR ENDED DECEMBER 31, 2021

2. Summary of significant accounting policies (continued):

Investment valuation and income recognition:

The Plan's mutual funds investments are stated at fair value based on unit prices at November 10, 2022 and December 31, 2021. These amounts were provided by Charles Schwab Trust Bank (Charles Schwab), custodian of the Plan.

Assets held in mutual fund accounts reflect unrealized appreciation or depreciation based on the change of the unit value, as provided by Charles Schwab.

As provided by Charles Schwab, purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net increase (decrease) in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Administrative expenses and certain expenses of maintaining the Plan are paid by the Plan Sponsor, and are excluded from these financial statements. Certain administrative functions are performed by employees of the employer. No such employee, nor the employer, receives compensation from the Plan for these functions.

Investment contract:

The Plan's collective investment trust is valued at contract value with Charles Schwab, as of November 10, 2022 and December 31, 2021 is recorded at the estimated contract value, as provided by Charles Schwab.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

PERIOD JANUARY 1, 2022 THROUGH NOVEMBER 10, 2022 AND YEAR ENDED DECEMBER 31, 2021

3. Investments:

The following table presents the value of investments at November 10, 2022 and December 31, 2021. All investments are non-participant directed:

	2022	2021
Investments:		
Mutual funds (at fair value)	\$ -	\$ 1,829,924
Collective investment trust fund (at contract value)	-	6,956,430
	\$ -	\$ 8,786,354

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of November 10, 2022 and December 31, 2021:

	2022 (Level 1)	2021 (Level 1)
Mutual funds	\$ -	\$ 1,829,924

4. Fair value measurements (continued):

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during 2022.

The fair value of the mutual funds and collective investment trust fund is based on the net asset values at the end of the Plan year.

5. Investment contract:

The Plan participated in a fully benefit-responsive collective investment trust contract with Charles Schwab. Charles Schwab maintains the contributions in a separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The collective investment trust contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the collective investment trust contract was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed collective investment trust contract.

Contract value, as reported to the Plan by Charles Schwab represented contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limited the Plan's ability to transact at contract value with Charles Schwab at December 31, 2021. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

The collective investment trust contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The contract was terminated during 2022 upon plan termination.

The average interest rate credited to participants for the investment contract was 2.10% in 2022 and 2.04% in 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

PERIOD JANUARY 1, 2022 THROUGH NOVEMBER 10, 2022 AND YEAR ENDED DECEMBER 31, 2021

6. Information certified by custodian:

Certain information related to investments disclosed in the accompanying financial statements, including investments held at November 10, 2022 and December 31, 2021, net increase (decrease) in value of investments and interest and dividends for the period or year then ended, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab, the custodian of the Plan, in accordance with Section 2520-103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

7. Income tax status:

The Plan, a volume submitter plan, obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the adoption of the prototype plan, however, management believes the Plan is still in compliance with the applicable requirements. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Party-in-interest transactions:

The Plan investments are managed and administered by Charles Schwab and, therefore, these transactions qualify as party-in-interest transactions.

Certain administrative fees related to the administration of the plan were paid by the Plan Sponsor. These transactions qualify as party-in-interest.

9. Plan termination:

The Plan Sponsor had the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. On February 9, 2022, the owners of Mahajan Therapeutics, LLC elected to terminate the Mahajan Therapeutics, LLC 401(k) Plan effective February 11, 2022. Final distributions will be determined on all participants being 100% vested were made during 2022. In accordance with U.S. GAAP, the Plan changed its basis of accounting from the ongoing plan basis to the liquidation basis effective in 2022.

PERIOD JANUARY 1, 2022 THROUGH NOVEMBER 10, 2022 AND YEAR ENDED DECEMBER 31, 2021

10. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

11. Subsequent events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 19, 2023, the date the Plan's financial statements were available to be issued.
