INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Sunbelt-Solomon Solutions 401(k) & Profit Sharing Plan
Solomon, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sunbelt-Solomon Solutions 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Emphasis of Matter – Plan Merger

The Sunbelt Transformer 401(k) Plan was merged into the Plan as of February 1, 2022. The Sunbelt Transformer 401(k) Plan transferred its net assets into the Plan and ceased operations as of that date. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT

(Continued)

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

INDEPENDENT AUDITORS' REPORT

(Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedules Required by ERISA The supplementary schedule of assets held at end of year as of December 31, 2021, and the schedule of delinquent participant contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Auditors' Report on the 2020 Financial Statements We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 20, 2023, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

On January 1, 2021, Sunbelt Transformer, Ltd was added as an adopting employer. On February 1, 2021, the Plan name changed from Solomon Corporation Profit Sharing 401(k) Plan and Trust to Sunbelt-Solomon Solutions 401(k) & Profit Sharing Plan (the Plan). Additionally, the Sunbelt Transformer 401(k) Plan assets totaling \$10,414,404 were merged into the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering substantially all employees of Solomon Corporation and Sunbelt Transformers, Ltd (the Companies) who have 90 days of service and are age 18 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan was originally established as of April 1, 1973, and has been subsequently amended and restated. The Plan administrator is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and investment performance.

Contributions Participants may elect to contribute to the Plan, in the form of pre-tax and Roth salary deferrals, up to the lesser of 100% of their eligible compensation or the maximum amount allowable by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. From January 1, 2020 to April 1, 2020, the Plan provided for safe harbor matching contributions and discretionary non-elective contributions as determined by the Companies' Board of Directors. On April 1, 2020, the Plan temporarily suspended the safe harbor matching contributions. Effective July 1, 2020, the Plan was amended to eliminate the safe harbor matching contributions and added matching contributions equal to a discretionary percentage of the participants' salary reduction amounts. Effective February 1, 2021, the Plan was amended to reinstate the safe harbor matching contributions for 100% of the first 3% and 50% of the next 3% of deferrals. The Companies made safe harbor matching contributions of \$1,279,726 and \$262,894 for the years ended December 31, 2021 and 2020, respectively. The Companies made matching contributions of \$-0- and \$303,886 for the years ended December 31, 2021 and 2020, respectively. Additionally, the Companies may make non-elective contributions as determined by the Companies' Board of Directors. There were no non-elective contributions made for the years ended December 31, 2021 and 2020.

Automatic Enrollment Employees eligible to participate in the Plan are automatically enrolled upon meeting the eligibility requirements noted above. Unless otherwise directed, the rate of deferral upon enrollment is 5% of eligible compensation on a pre-tax basis, to be invested in the Plan's default investment fund. Effective February 1, 2021, an auto escalation will be applied annually until the maximum of 10% is reached.

Participant Accounts Each participant's account is credited with the participant's contributions, Companies' contributions, and account earnings, and may be charged with an allocation of administrative expenses that are paid by the Plan. Non-elective contribution allocations are based on a participant's eligible compensation, relative to total eligible compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Sunbelt-Solomon Solutions 401(k) & Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Vesting Participants are immediately vested in their contributions, Companies' safe harbor contributions, and earnings thereon. Additionally, all discretionary matching contributions made after January 1, 2020, were also immediately vested. Non-elective contributions are subject to vesting. A participant is 100% vested after five years of credited service. Participants are credited with one year of service for each Plan year in which they worked at least 1,000 hours.

Notes Receivable From Participants Effective February 1, 2021, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable repayment terms generally may not exceed five years, except in the case of the purchase of a primary residence. Only one loan may be outstanding at a time and only one is allowed within a 12-month period. The notes receivable are secured by the balances in the participants' accounts. The notes receivable interest rate is determined at the date of the note receivable. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of Benefits Withdrawals are allowed in the event of termination, disability, death, retirement, or attainment of age 59½. Depending on the event, the withdrawal may be subject to early withdrawal penalties imposed by the *Internal Revenue Code* (IRC). Payments are made in the form of a lump-sum distribution.

As of December 31, 2021 and 2020, there were no amounts allocated to participants who elected to withdraw from the Plan, but have not yet been paid.

Forfeitures Forfeitures attributable to discretionary matching contributions prior to January 1, 2020, and non-elective contributions may be used to offset Plan expenses, reduce Companies' contributions, or be allocated as additional Companies' contributions. Forfeited nonvested account balances totaling \$52,504 and \$11,250 were used to reduce matching contributions for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, the remaining forfeited nonvested accounts totaled \$23,056 and \$52,248, respectively.

Plan Termination Although it has not expressed any intent to do so, the Companies have the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their Companies' contributions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The Plan uses the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. Fair value measurements are discussed below.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Sunbelt-Solomon Solutions 401(k) & Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Collective Trust: For 2021, the collective trust maintained by the Goldman Sachs Trust Company is a pool of investments of which the Plan buys and sells units of participation that generally imitate established mutual funds. The underlying investments consist of stable value investment contracts, fixed-income securities, and money market funds. The Plan's valuation estimates are based on the contract and market values of the underlying investments. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the collective trusts, Principal reserves the right to temporarily delay withdrawal from the trust, in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments at December 31, 2021.

For 2020, the collective trust maintained by Great-West Trust Company, LLC (Great-West), a party in interest, is a pool of investments of which the Plan buys and sells units of participation that generally imitate established mutual funds. The underlying investments consist of stable value investment contracts and fixed-income securities. The Plan's valuation estimates are based on the contract and market values of the underlying investments using the practical expedient. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the collective trust, Great-West reserves the right to temporarily delay withdrawal from the trust, in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments at December 31, 2020.

See note 4 for the classification of these assets within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable From Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. No allowance for credit losses was recorded as of December 31, 2021. Delinquent participant notes receivable are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits Benefits are recorded when paid.

Expenses Certain operating expenses of the Plan are deducted from participant accounts and the remaining expenses are paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events The Plan has evaluated subsequent events through January 20, 2023, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

3. INFORMATION CERTIFIED BY CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the investments and notes receivable from participants included in the statements of net assets available for benefits, and the investment income and interest income on notes receivable from participants included in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2021 and 2020, were not subject to auditing procedures and have been certified as complete and accurate by Principal Trust Company in 2021 and by Great-West Life & Annuity Insurance Company (Great-West) in 2020.

4. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value.

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,476,939	\$ -	\$ -	\$ 29,476,939
Collective trust	-	908,395	-	908,395
Investments at Fair Value				\$ 30,385,334

December 31, 2020	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,881,667	\$ -	\$ -	\$ 18,881,667
Investment measured at NAV				423,222
Investments at Fair Value				\$ 19,304,889

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West and Principal Life Insurance Company (Principal). Great-West is the custodian as of and for the year ended December 31, 2020 and the one-month period ended January 31, 2021, and Principal is the custodian as of February 1, 2021 and for the 11 months ended December 31, 2021. Great-West and Principal are custodians as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions.

Great-West and Principal provide certain administrative services to the Plan pursuant to an agreement between the Companies and Principal and Great-West. Principal and Great-West receive revenue from mutual fund and other service providers for services provided to the funds. This revenue is used to offset certain amounts owed to Principal and Great-West for administrative services to the Plan.

Sunbelt-Solomon Solutions 401(k) & Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment. If the revenue received by Principal and Great-West from investment providers exceeds the amount owed under the agreement, Principal and Great-West remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or the Companies may make a payment to Principal and Great-West for administrative services not covered by revenue sharing.

6. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit-sharing plan with Cash or Deferred Arrangement (CODA) established by Principal. The pre-approved plan obtained an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the form of the prototype plan, as then designed, was acceptable under Section 401 of the IRC. The Plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax exempt.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
