Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of CCS Early Learning Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CCS Early Learning Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CCS Early Learning Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCS Early Learning Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CCS Early Learning Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the CCS Early Learning Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualifying institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CCS EARLY LEARNING RETIREMENT PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

Note 1: Description of Plan

The following description of CCS Early Learning Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) defined contribution plan formed on August 9, 1998, covering all employees of CCS Early Learning (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may elect to contribute any percentages of their salary, up to the statutory limit of \$19,500 for 2021 and 2020. In addition, participants who are 50 years of age or older, can choose to make a catch-up contribution, limited to \$6,500 for 2021 and 2020. Eligible employees may also contribute amounts representing distributions from other qualified plans. Employees become eligible for the Plan on the first day of the month following their hire date. Participants direct the investments of their contributions into various investment options offered by the Plan.

The Plan Sponsor makes matching contributions to the Plan on behalf of eligible participants. The matching contribution is equal to 100% of each eligible employee's salary deferral, up to a maximum of 3% of the employee's eligible compensation.

The Plan Sponsor may make a discretionary non-elective contribution to the Plan. To receive the discretionary non-elective contribution, participants must be employed on the last day of the allocation period or must have been terminated from the Plan Sponsor during the allocation period due to reaching normal retirement age or due to death or disability.

Vesting

Participants are immediately vested in their contributions. Participants shall become 100% vested in employer matching contributions upon attainment of normal retirement age. Vesting in employer matching contributions is based on years of credited service as follows:

<u>Years of service</u>	<u>Percent Vested</u>
Less than one	0%
One	20%
Two	40%
Three	60%
Four	80%
Five	100%

Forfeited Accounts

Forfeitures will be used to reduce Plan Sponsor contributions to the Plan, and any remaining forfeitures will be allocated to Plan participants. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3,762 and \$1,841, respectively. For the years ended December 31, 2021 and 2020, \$3,500 and \$6,500, respectively, of forfeitures were used to pay for Plan Sponsor contributions to the Plan.

CCS EARLY LEARNING RETIREMENT PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's elected contribution and allocation of the plan earnings for the year. The allocations are based on each participant's earnings with the investments that the participant has selected. Each participant directs their individual account in various fund company investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

In the event of death, disability, or severance from employment, a participant will receive a distribution from the Plan, equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a period of not more than the participant's life expectancy determined at the time of distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Uses of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are paid by the participants and the Plan Sponsor. The Plan Sponsor pays substantially all of the administrative expenses of the Plan.

Subsequent Events

The Plan Administrator has evaluated subsequent events through November 29, 2022, the date on which the financial statements were available to be issued.

CCS EARLY LEARNING RETIREMENT PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

Note 3: Information Certified by Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, and Voya Retirement Insurance and Annuity Company, the custodians of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- (a) Investments, at fair value, as shown in the Statements of Net Assets Available for Benefits;
- (b) Interest and dividend income and net appreciation in fair value of investments, as shown in the Statements of Changes in Net Assets Available for Benefits; and
- (c) All information included in the Schedule H Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, as shown in the supplemental schedule.

Note 4: Fair Value Measurement

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CCS EARLY LEARNING RETIREMENT PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value.

Shares of registered investment companies: Valued at quoted market prices, which represent the net asset value of shares held at year-end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

<u>Investments at Fair Value as of December 31, 2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest in registered investment companies	\$ <u>2,214,216</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,214,216</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020.

<u>Investments at Fair Value as of December 31, 2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest in registered investment companies	\$ <u>1,716,771</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,716,771</u>

Note 5: Insurance Contracts

Voya Fixed Account

The Plan has a fully benefit-responsive investment contract with Voya. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and investment management fees. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. Since the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attributed for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct transfers between fund options while terminated participants may direct a withdrawal of all or a portion of their investments at contract value.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The current Contract provides for a guaranteed minimum interest rate of 1.00%. The actual crediting interest rates are reviewed on a monthly basis. The average yield and crediting interest rate was 4.00% and 2.50% for the years ended December 31, 2021 and 2020.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or

CCS EARLY LEARNING RETIREMENT PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

There are no redemption restrictions for this fund. If the Plan initiates a full redemption of the trust, the issuer reserves the right to require 30 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Transfers from the guaranteed investment contract to other investments may be limited to a percentage of the holdings as of January 1, of that Plan year. The percentage will never be less than 10%. Market value adjustments will be made per the contract for non-benefit surrenders.

Empower Guaranteed Interest Fund

The Plan has a fully benefit-responsive investment contract with Empower Retirement. Empower Retirement maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and investment management fees. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. Since the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attributed for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct transfers between fund options while terminated participants may direct a withdrawal of all or a portion of their investments at contract value.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The current contract provides for a lifetime guaranteed minimum interest rate of 0.15% for the years ended December 31, 2021 and 2020. The actual crediting interest rates are reviewed on an annual basis. The crediting rate for the years ended December 31, 2021 and 2020 were 1.00% and 1.15%, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Participants with excessive trading may be restricted from trading the Fund for up to 30 days. If the Plan Sponsor chooses a book value payout in the event of a full redemption of the Fund, such trading restrictions will apply until the money is settled to the new provider. Transactions in the Fund are processed after the resolution of closed or disrupted financial exchanges or markets.

CCS EARLY LEARNING RETIREMENT PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

Note 6: Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service in the draft Listing of Required Modifications issued April 4, 2010. The Plan is required to operate in conformity with the Internal Revenue Code to maintain the exclusion from tax for plan participants. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such a program.

Plan management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7: Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, all participants would be immediately 100% vested in their accounts and the assets of the Plan would be distributed to the participants based on their account balances.

Note 8: Related-Party and Party in Interest Transactions

Parties in interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by the trustee and its affiliates qualify as party in interest transactions. Certain Plan investments are managed by the Custodians. Any transactions involving these investments are executed on the open market at fair market value. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party in interest transactions under ERISA.

Note 9: Risk and Uncertainties

Investment securities are exposed to various risks, such as interest rate volatility, market risk, foreign exchange risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
