INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by Fidelity Management Trust Company that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan's ability to continue as a going concern for one year.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of the Champion Brands, Inc. ("Company") 401(K) Savings Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Company adopted the plan on July 1, 1992, and amended on January 1, 2002. The Plan is a defined contribution plan covering all full-time employees of the Company who have completed at least one year of service with a minimum of 1,000 hours and are age eighteen or older. The Company's management serves as administrator and the Plan's trustee is Fidelity Management Trust Company. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, the Company has the option to contribute to the Plan a percentage of its current profits before pension and profit-sharing costs and income taxes. The matching Company contribution is 4% of base compensation that a participant contributes to the plan. Participants may contribute up to 75% of their annual wages. Contributions are subject to maximum limits set by the Internal Revenue Services. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual funds and common trust funds as investment options for participants.

Participant Account

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant will receive an amount equal to the value of the participant's vested interest in his or her account.

Participants entitled to distributions may elect to receive their distribution in the form of annuities or a single sum payment if their vested account at any time exceeded \$1,000. Participants entitled to benefits whose vested accounts never exceeded \$1,000 are to receive their distribution as a lump sum.

Forfeited Accounts

At December 31, 2021, there were no forfeited nonvested accounts. Any forfeited accounts would be reallocated to participants in the same manner as employer contributions. In 2021, employer contributions were not reduced by any forfeited nonvested accounts.

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan

Notes to the Financial Statements

December 31, 2021 and 2020

Participant Loans

Participant loans are not allowed under the plan.

Investment Options

Upon enrollment in the Plan, a participant directs the investment of his or her contributions and Company contributions in mutual funds or common trust funds.

Administrative Expenses

Administrative expenses, except for certain custodial expense of the Plan, are paid by the Company or paid by forfeiture credit.

2. Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events were evaluated through January 10, 2023, which is the date the financial statements were available to be issued.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The Internal Revenue Services has determined and informed the Plan by letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan
Notes to the Financial Statements
December 31, 2021 and 2020

the Plan's purpose would be subject to tax, which, if incurred, would be recognized as current expense. No such tax has been recognized as of December 31, 2021.

The federal annual returns of the Plan for 2020 through 2018 are subject to examination by the IRS, generally three years after they were filed.

3. Investments

The following table presents fair value of investments measured on a recurring basis at December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Mutual funds -lifecycle	\$ 8,627,550	\$ 7,137,314

Mutual funds - specialty	82	9,193
	<u>\$ 10,404,335</u>	<u>\$ 8,642,598</u>

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$708,432 as follows:

	<u>2021</u>
Pooled, common and collected funds	\$ 6,315
Mutual funds	336,980
	<u>\$ 343,295</u>

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value using Net Asset Value (NAV) per share practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan
Notes to the Financial Statements
December 31, 2021 and 2020

The Plan uses the NAV to determine the fair value of pooled separate accounts funds which: (a) do not have a readily determinable fair value and (b) prepare their financial statements consistent with measurement principles of an investment company or have the attributes of an investment company.

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan
Notes to the Financial Statements
December 31, 2021 and 2020

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 2 Fair Value Measurements

The fair value of certain corporate bonds and common trust funds for which quoted market prices are not available are valued based on yields currently available on comparable securities of issuers with similar credit ratings. Investments in certain restricted common stocks are valued at the quoted market price of the issuer's unrestricted common stock less an appropriate discount. The fair value of the certificates of deposit is based on amortized cost or original cost plus accrued interest.

5. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Beginning in 2019, Fidelity Management Trust Company is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. The value of these mutual funds were \$9,518,444 at December 31, 2021. Fees paid by the Plan for the investment management services amounted to \$5,295 for the year ended December 31, 2021. The party-in-interest transactions are exempt from the prohibited transaction rule of ERISA.

The Company provided certain account, administrative, and investment management services to the Plan for which no fees are charged. Any other administrative fees will be paid by the Company on behalf of the Plan.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

7. Information Certified by the Plan's Custodian

The investments included in the statements of net assets available for benefits as of December 31, 2021 and 2020, and the net appreciation in fair value of investments, interest and dividends included in the statement of changes in net assets available for benefits for the year ended December 31, 2021 have been derived from information certified as complete and accurate by Fidelity Management Trust Company and Wells Fargo Bank, N.A., trustees of the Plan, in accordance with 29 CFR 2520.103-8

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan
Notes to the Financial Statements
December 31, 2021 and 2020

of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The trustees of the Plan hold the Plan's investment assets and executes investment transactions. Financial information related to those assets is included in the accompanying financial statements and supplemental schedule, and such information has been derived from reports prepared and certified by the trustees. Information provided by the trustees, which has not been audited by independent accountants, is summarized below:

	<u>2021</u>	<u>2020</u>
Assets:		
Cash	\$ 1,650	\$ -
Investments	10,404,335	8,642,599

		<u>2,259,518</u>
Benefits paid to participants		490,836
Administrative expense		5,295
		<u>496,131</u>
		<u>\$ 1,763,387</u>

Any difference between the foregoing information and information included in the financial statements and supplemental schedule result primarily from financial statement accruals, and classification differences.

8. Risks and Uncertainties

Investments Securities

The Plan provides for various investment options in any combination of pooled separate accounts. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Champion Brands, Inc. 401 (k) Savings Profit Sharing Plan
Notes to the Financial Statements
December 31, 2021 and 2020

COVID-19

The full impact of the COVID-19 outbreak continues to evolve as the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of loss that will be recognized in subsequent periods, if any, and related impact to the Plan's liquidity cannot be determined at this time.

9. Contingencies

ERISA requires that the Plan maintain continuous coverage under a fidelity bond, equal to the lesser of 10% of the funds handled or \$500,000. The Plan bond had sufficient coverage in place during the year, thus fulfilling ERISA's requirements.

Victims of Hurricane Ian that began September 23 in Florida now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Ian that reside or have a business anywhere in the state of Florida qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 23, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, will now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022, and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 23, 2022, and before October 11, 2022, will be abated as long as the tax deposits are made by October 11, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

Covered Disaster Area

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered

disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 23, 2022, and before February 15, 2023, will be abated as long as the tax deposits were made by February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 23, 2022, and before February 15, 2023, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 23, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 15, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.
