Dear Sir or Madam:

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of Brew City Pizza, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Ascensus Trust Company, the trustee and asset custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Ascensus Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audits:

Financial Statements

1. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - The certification meets the 29 CFR 2520.103-5 requirements.
 - The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
2. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 4, 2022, including our responsibility for the preparation and fair presentation of the financial statements.
3. The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
4. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable. The measurement process used in determining accounting estimates is appropriate and consistent.
8. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
10. The effects of uncorrected misstatements summarized below are immaterial, both individually and in the aggregate, to the financial statements as a whole.
 - To reverse prior year passed adjustment to decrease benefits paid to participants and net assets by \$3,768 to correct prior year errors noted during distribution testing for the recalculation of forfeiture withheld based on years of service.
11. We have reviewed and approved the trial balance that was prepared from the information provided by the trustee and asset custodian that was used to prepare the financial statements.
12. The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
13. There are no matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.
14. Significant estimates and material concentrations have been properly disclosed in accordance with U.S. GAAP.
15. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
16. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
17. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the date of the statement of net assets available for benefits and have been reduced to their estimated net realizable value.
18. Administrative expenses paid by the plan sponsor on behalf of the Plan will not be reimbursed by the Plan.
19. We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.
20. We have obtained the service auditor's report from our service organization Ascensus Trust Company, Ascensus, LLC and ADP. We have reviewed such reports, including the

complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2021.

Information Provided

21. We have provided you with:

- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters. Among other things, relevant information may include completeness and availability of all minutes of the meetings of all relevant boards and committees, or summaries of actions of recent meetings for which minutes have not yet been prepared as well as communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- A substantially complete draft of Form 5500.
- Additional information that you have requested from us for the purpose of the audit.
- Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
- Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

22. All material transactions have been recorded in the accounting records and are reflected in the financial statements.

23. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

24. We have no knowledge of any fraud or suspected fraud that affects Brew City Pizza, Inc. Retirement Plan and involves:

- Management
- Employees who have significant roles in internal control, or
- Others where the fraud could have a material effect on the financial statements.

25. We have no knowledge of any allegations of fraud or suspected fraud affecting Brew City Pizza, Inc. Retirement Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

26. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
27. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
28. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related party and party-in-interest relationships and transactions, including any side agreements.
29. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
30. We have no—
 - Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
31. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
32. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
33. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:
 - The money market fund is valued based on quoted net asset values of the shares held by the plan at year-end.
 - Registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at the price. The mutual funds held by the plan are deemed to be actively traded.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

34. The Ascensus, LLC Nonstandardized 401(k) Profit Sharing Plan that the Plan has adopted effective October 1, 2021, obtained its latest opinion letter on January 1, 2018, in which the Internal Revenue Service stated that the prototype plan, as then designed, was

acceptable under Section 401 of the Internal Revenue Code for us by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

35. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
36. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
37. The Plan has complied with the fidelity bonding requirements of ERISA.
38. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
39. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
40. We believe the form and content of the supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
41. The plan was terminated by the plan sponsor on 1/1/22 and there were no eligible participants as of 1/1/22 as a result of the termination.
42. In regard to the nonattest services performed by you, including summarization of financial information from our trustee and asset custodian's statements into a working trial balance and the preparation of financial statements in accordance with generally accepted accounting principles of the United States, we have:
 - Assumed all management responsibilities.
 - Designated an individual (within senior management) with suitable skill, knowledge, or experience to oversee the services.
 - Evaluated the adequacy and results of the services performed.

- Accepted responsibility for the results of the services.
- Ensured that the plan's data and records are complete and received sufficient information to oversee the services.

The above representations related to your audits are made to you as of October 13, 2022, the date of your audit report.

Sincerely,

Brew City Pizza, Inc. Retirement Plan
