DECEMBER 31, 2020 AND 2019

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Wayzata Minnesota Fixed Operations 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Sponsor/Employer – The Plan is sponsored by Ed Napleton Oak Lawn Imports, Inc. (the Company).

General – The Plan is a defined contribution plan covering all eligible employees within an eligible job classification of the Company's participating employers who have completed one year of service (with certain exceptions for employees of businesses that are acquired by the Company) and have attained the age of twenty-one.

Excluded Employees are not entitled to participate in the Plan. Excluded Employees include: Product Specialists, New Car Sales Managers, Fixed Operations Managers, Used Car Sales Managers, Shuttle Drivers, Senior Product Specialists, Dealer Trade Porters, Comptrollers, Office Accounting Administrators, Business Elite Account Specialists, Front Desk Personnel, Parts Managers, Finance & Insurance Managers, Office Administrators, Customer Service Specialists, Warranty Managers, General Managers, Non-Union (NU) Service Runners, NU Car Porters, Porters, Administrative Assistants, Service Managers, General Sales Managers, Sales and Inventory Assistants, Delivery Specialists, Estimators, Body Shop Coordinators and Body Shop Production Managers.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Great-West Life & Annuity Insurance Company, and its subsidiary Great-West Trust Company, LLC is the custodian of the Plan.

Contributions – Participants may contribute pre-tax annual compensation up to limits as defined in the Plan. Participants are also permitted to make Roth after-tax contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants age 50 or older may contribute catch-up contributions. Each year, at the discretion of the Board of Directors, the Company may contribute to the Plan an amount of its current or accumulated net income, which shall not exceed the amount deductible by the Company under the applicable section of the Internal Revenue Code in effect for such year. The Company may make additional qualified non-elective contributions in order to pass certain discrimination tests. Contributions are subject to certain limitations.

Participant Investment Account Options – A participant may direct the investment of their account into any of the investment options offered by the Plan through Empower. Current contributions are exclusively contributed to Empower. Generally, participants my change their investment elections daily.

Participant Accounts – Each participant's account is credited with participant elective deferrals and allocations of the Company's contribution, if applicable, plan earnings, administrative expenses, and forfeitures of former Plan participants' nonvested account balances. Allocations are based on participant compensation or participant account balances, as defined. The benefit to each participant is the accumulated sum of the Company's contributions, Plan earnings and forfeitures allocated to each participant's account. Employee voluntary are held in a separate account for each participant.

Vesting – A participant's vested interest in his account increases incrementally for each year of continuous service. A participant is 100 percent vested after six years of credited service, as defined. Each participant is fully vested in their participant elective deferral account.

NOTE 1 – DESCRIPTION OF PLAN, Continued

Forfeitures – Forfeitures of non-vested Company contributions are first used to pay Plan expenses and are then used to reduce future Company contributions. During 2020 and 2019, there were $5,873 and $1 forfeitures, respectively.

Investments Management and Administrative Expenses – Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. Loan origination fees associated with notes receivable from participants and the Plan's recordkeeping, investment advisor, and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Certain other expenses of maintaining the Plan may be paid directly by the Company, at the Company's discretion, and are not reflected within the financial statements.

Payment of Benefits – Upon a participant's retirement, death, in event of disability, or termination of service, a participant or their beneficiary is eligible to receive an amount equal to the value of the participant's account in the form of a lump-sum distribution, as defined in the plan agreement. Required Minimum Distributions requirements can be met by the participant electing either a lump-sum distribution or electing one of the payment periods, as defined in the plan agreement.

During 2020, the Plan implemented changes required by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). The laws change the way the Plan operates, allowing eligible participants to take distributions with no mandatory federal tax withholding and waiving the early withdrawal penalty. In addition, participants could elect to delay Required Minimum Distributions.

Participant Loans – Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account and bear an interest rate of 4.25%, which is commensurate with local prevailing rates as determined quarterly by the Plan sponsor.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting and are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments are valued at fair value based on quoted market prices as of the last day of the year. The Plan's investments are held by a trust fund administered by a third party. Employees are entitled to choose investments in several mutual funds and/or the fixed income fund. The Plan's investments consist primarily of equity in mutual funds administered by registered investment companies.

Accounting Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations, and claims payable and changes in net asset amounts for benefits and benefit obligations. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Notes Receivable From Participants – Notes receivable from participants are reported at their unpaid principal balance plus unpaid accrued interest, with no allowances for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits – Benefit payments to participants are recorded when paid except for any excess contributions payable to participants, which are recorded as they become payable.

NOTE 3 – TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, which was addressed to the prototype sponsor, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 – PLAN TERMINATION PROVISION

Although the Plan sponsor has not expressed any intent to do so, the Company reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019 and net appreciation (depreciation) in fair value of investments, interest, and dividends for the year ended December 31, 2020 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company, and its subsidiary Great-West Trust Company, LLC (the custodian of the Plan).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule, *Schedule of Assets* (Held at End of Plan Year) – 2020.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company is the Plan sponsor and administrator. Certain Plan investments are shares of mutual funds managed by Empower, the current custodian. Assurance Financial Services (Kestra Advisory Services LLC) and MMA Securities LLC provide plan advisory services to the Plan. Advised Assets Group, LLC provides investment management services. Northeast Retirement Services, Inc. provides investment advisory services. These transactions are party-in-interest transactions. Notes receivable - participants are also considered party-in-interest transactions, but are exempt from the prohibited transaction rules of ERISA.

Certain employees of the Company provide administrative and trustee services to the Plan. These employees do not receive compensation from the Plan for their services. Certain other expenses of the Plan are paid by the Company.

NOTE 7 – EXCESS ELECTIVE DEFERRAL CONTRIBUTIONS

Excess elective deferral contributions for a given year are to be returned to participants, as required, to satisfy the relevant nondiscrimination provisions of the Plan. The amount is classified as a liability in the Plan's statements of net assets available for plan benefits as excess contributions payable. There were no excess contributions payable at December 31, 2020 and 2019.

NOTE 8 – FAIR VALUE MEASURMENTS

Effective January 1, 2008, the Plan adopted FASB ASC 820, *Fair Value Measurement and Disclosures*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC 820 also establishes a fair value hierarchy which requires a plan to maximize use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The codification describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in an active market for identical assets or liabilities

Level 2 - Observable inputs other than Level 1 prices, such as quoted market prices for similar assets in an active or non-active market; or other inputs that are observable or can be corroborated by observable market data

Level 3 - Unobservable assumptions and judgments outside of quoted market prices

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 8 – FAIR VALUE MEASURMENTS, continued

Common-collective trusts: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the common collective trust will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table presents the fair value measurements of assets recognized in the accompanying Statement of Net Assets Available for Plan Benefits measured at fair value on a recurring basis and the level within the FASB ASC 820 fair value hierarchy in which the fair value measurements fall at December 31, 2020 and 2019:

Investment Category	Level 1	Total
Mutual Funds	$ 1,375,338	$ 1,375,338
Common collective trust measured at net asset value (1)	$ -	$ 133,318
Total	$ 1,375,338	$ 1,508,656

Investment Category	Level 1	Total
Mutual Funds	$ 549,616	$ 549,616
Common collective trust measured at net asset value (1)	$ -	$ 16,138
Total	$ 549,616	$ 565,754

(1) In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

For the years ended 2020 and 2019, there were no significant transfers between Levels 1 and 2.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND NONEXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The Company remitted all employee contributions to the Plan within the required time period for the years ended December 31, 2020 and 2019, respectively.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits.

In March 2020 the World Health Organization declared the coronavirus (COVID-19) outbreak a global pandemic. COVID-19 and steps taken to alleviate the spread have had a negative impact on local, national, and global economies and financial markets. The extent of future impact of the pandemic is unknown and unpredictable. Thus, the effects of the pandemic on the value of the Plan's net assets available for benefits and changes in net assets available for benefits will remain uncertain.

NOTE 11 – SUBSEQUENT EVENTS

All material events from December 31, 2020 through January 9, 2023, the date these financial statements were issued, which is the date of the Auditors' Report, have been either disclosed or adjusted in the financial statements.

Re: Wayzata Minnesota Fixed Operations 401(k) Plan
Plan Year: 2020 Form 5500

To Whom It May Concern:

Please see the attached IRS Form 5500 for the plan noted above in connection with the plan year ended 12/31/2020. The Form 5558 Application for Extension of Time was sent timely via Fed Ex (tracking #774345736050) on July 27th but the package was apparently damaged by Fed Ex equipment and not delivered timely. Fed Ex found the contents, repackaged it and used the same tracking number to deliver the box to the IRS on August 12th. As the 5558 package was mailed timely on July 27th, we met the requirements for filing timely.

Our plan has met all previous filing deadlines timely. As we mailed our Form 5558 extension prior to the July 31st filing deadline and we mailed via Fed Ex which damaged our package through no fault of our own, we are requesting that you waive the penalty for late filing in this instance.

Your time and consideration in this matter are much appreciated. Please forward any correspondence regarding this issue to this office.
