INDEPENDENT AUDITORS' REPORT

To the Participants and Board of Trustees of the
Wayzata Minnesota Fixed Operations 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Wayzata Minnesota Fixed Operations 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Plan Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

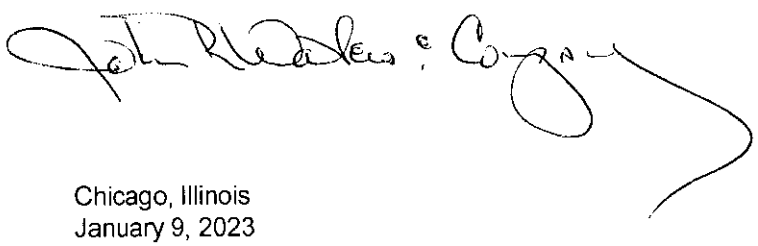

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Wayzata Minnesota Fixed Operations 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to information certified by a qualified institution. In our report dated January 9, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

WAYZATA MINNESOTA FIXED OPERATIONS 401(K) PLAN
NOTES TO FINANCIAL STATEMENT

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Wayzata Minnesota Fixed Operations 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Sponsor/Employer – The Plan is sponsored by Ed Napleton Oak Lawn Imports, Inc. (the Company).

General – The Plan is a defined contribution plan covering all eligible employees within an eligible job classification of the Company's participating employers who have completed one year of service (with certain exceptions for employees of businesses that are acquired by the Company) and have attained the age of twenty-one.

Excluded Employees are not entitled to participate in the Plan. Excluded Employees include: Product Specialists, New Car Sales Managers, Fixed Operations Managers, Used Car Sales Managers, Shuttle Drivers, Senior Product Specialists, Dealer Trade Porters, Comptrollers, Office Accounting Administrators, Business Elite Account Specialists, Front Desk Personnel, Parts Managers, Finance & Insurance Managers, Office Administrators, Customer Service Specialists, Warranty Managers, General Managers, Non-Union (NU) Service Runners, NU Car Porters, Porters, Administrative Assistants, Service Managers, General Sales Managers, Sales and Inventory Assistants, Delivery Specialists, Estimators, Body Shop Coordinators and Body Shop Production Managers.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Great-West Life & Annuity Insurance Company, and its subsidiary Great-West Trust Company, LLC is the custodian of the Plan.

Contributions – Participants may contribute pre-tax annual compensation up to limits as defined in the Plan. Participants are also permitted to make Roth after-tax contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants age 50 or older may contribute catch-up contributions. Each year, at the discretion of the Board of Directors, the Company may contribute to the Plan an amount of its current or accumulated net income, which shall not exceed the amount deductible by the Company under the applicable section of the Internal Revenue Code in effect for such year. The Company may make additional qualified non-elective contributions in order to pass certain discrimination tests. Contributions are subject to certain limitations.

Participant Investment Account Options – A participant may direct the investment of their account into any of the investment options offered by the Plan through Empower. Current contributions are exclusively contributed to Empower. Generally, participants my change their investment elections daily.

Participant Accounts – Each participant's account is credited with participant elective deferrals and allocations of the Company's contribution, if applicable, plan earnings, administrative expenses, and forfeitures of former Plan participants' nonvested account balances. Allocations are based on participant compensation or participant account balances, as defined. The benefit to each participant is the accumulated sum of the Company's contributions, Plan earnings and forfeitures allocated to each participant's account. Employee voluntary are held in a separate account for each participant.

Vesting – A participant's vested interest in his account increases incrementally for each year of continuous service. A participant is 100 percent vested after six years of credited service, as defined. Each participant is fully vested in their participant elective deferral account.

NOTE 1 – DESCRIPTION OF PLAN, Continued

Forfeitures – Forfeitures of non-vested Company contributions are first used to pay Plan expenses and are then used to reduce future Company contributions. During 2021 and 2020, there were $24,077 and $5,873 forfeitures, respectively.

Investments Management and Administrative Expenses – Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. Loan origination fees associated with notes receivable from participants and the Plan's recordkeeping, investment advisor, and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Certain other expenses of maintaining the Plan may be paid directly by the Company, at the Company's discretion, and are not reflected within the financial statements.

Payment of Benefits – Upon a participant's retirement, death, in event of disability, or termination of service, a participant or their beneficiary is eligible to receive an amount equal to the value of the participant's account in the form of a lump-sum distribution, as defined in the plan agreement. Required Minimum Distributions requirements can be met by the participant electing either a lump-sum distribution or electing one of the payment periods, as defined in the plan agreement.

During 2020, the Plan implemented changes required by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). The laws change the way the Plan operates, allowing eligible participants to take distributions with no mandatory federal tax withholding and waiving the early withdrawal penalty. In addition, participants could elect to delay Required Minimum Distributions.

Participant Loans – Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account and bear an interest rate of 4.25%, which is commensurate with local prevailing rates as determined quarterly by the Plan sponsor.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting and are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments are valued at fair value based on quoted market prices as of the last day of the year. The Plan's investments are held by a trust fund administered by a third party. Employees are entitled to choose investments in several mutual funds and/or the fixed income fund. The Plan's investments consist primarily of equity in mutual funds administered by registered investment companies.

Accounting Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations, and claims payable and changes in net asset amounts for benefits and benefit obligations. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Notes Receivable From Participants – Notes receivable from participants are reported at their unpaid principal balance plus unpaid accrued interest, with no allowances for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits – Benefit payments to participants are recorded when paid except for any excess contributions payable to participants, which are recorded as they become payable.

NOTE 3 – TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, which was addressed to the prototype sponsor, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 – PLAN TERMINATION PROVISION

Although the Plan sponsor has not expressed any intent to do so, the Company reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020 and net appreciation (depreciation) in fair value of investments, interest, and dividends for the year ended December 31, 2021 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company, and its subsidiary Great-West Trust Company, LLC (a qualified institution).

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and supplemental schedule, Schedule of Assets (Held at End of Plan Year) – 2021.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company is the Plan sponsor and administrator. Certain Plan investments are shares of mutual funds managed by Empower, the current custodian. MMA Securities LLC provides plan advisory services to the Plan. Advised Assets Group, LLC provides investment management services. CapFinancial Partners LLC (dba CAPTRUST) and Northeast Retirement Services, Inc. provide investment advisory services. These transactions are party-in-interest transactions. Notes receivable - participants are also considered party-in-interest transactions, but are exempt from the prohibited transaction rules of ERISA.

Certain employees of the Company provide administrative and trustee services to the Plan. These employees do not receive compensation from the Plan for their services. Certain other expenses of the Plan are paid by the Company.

NOTE 7 – EXCESS ELECTIVE DEFERRAL CONTRIBUTIONS

Excess elective deferral contributions for a given year are to be returned to participants, as required, to satisfy the relevant nondiscrimination provisions of the Plan. The amount is classified as a liability in the Plan's statements of net assets available for plan benefits as excess contributions payable. There were $31,264 and $30,143 in excess contributions payable at December 31, 2021 and 2020, respectively.

NOTE 8 – FAIR VALUE MEASURMENTS

Effective January 1, 2008, the Plan adopted FASB ASC 820, *Fair Value Measurement and Disclosures.* FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

FASB ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC 820 also establishes a fair value hierarchy which requires a plan to maximize use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The codification describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in an active market for identical assets or liabilities

Level 2 - Observable inputs other than Level 1 prices, such as quoted market prices for similar assets in an active or non-active market; or other inputs that are observable or can be corroborated by observable market data

Level 3 - Unobservable assumptions and judgments outside of quoted market prices

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 8 – FAIR VALUE MEASURMENTS, continued

Common-collective trusts: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the common collective trust will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table presents the fair value measurements of assets recognized in the accompanying Statement of Net Assets Available for Plan Benefits measured at fair value on a recurring basis and the level within the FASB ASC 820 fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

Investment Category	Level 1	Total
Mutual Funds	$ 2,227,835	$ 2,227,835
Common collective trust measured at net asset value (1)	$ -	$ 233,569
Total	$ 2,227,835	$ 2,461,404

Assets at Fair Value as of December 31, 2020

Investment Category	Level 1	Total
Mutual Funds	$ 1,375,338	$ 1,375,338
Common collective trust measured at net asset value (1)	$ -	$ 133,318
Total	$ 1,375,338	$ 1,508,656

(1) In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

For the years ended 2021 and 2020, there were no significant transfers between Levels 1 and 2.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND NONEXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The Company remitted all employee contributions to the Plan within the required time period for the years ended December 31, 2021 and 2020, respectively.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statement of Net Assets Available for Plan Benefits.

In March 2020 the World Health Organization declared the coronavirus (COVID-19) outbreak a global pandemic. COVID-19 and steps taken to alleviate the spread have had a negative impact on local, national, and global economies and financial markets. The extent of future impact of the pandemic is unknown and unpredictable. Thus, the effects of the pandemic on the value of the Plan's net assets available for benefits and changes in net assets available for benefits will remain uncertain.

NOTE 11 – SUBSEQUENT EVENTS

All material events from December 31, 2021 through January 9, 2023, the date these financial statements were issued, which is the date of the Auditors' Report, have been either disclosed or adjusted in the financial statements.
