As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Ascensus, LLC, the parent company of Ascensus Trust Company, the Plan's custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements, other than that derived from the information certified by Ascensus, LLC, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of December 31, 2022, the following representations made to you during your audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated October 4, 2022, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.

- 4) We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit for the year ended December 31, 2021 does not affect our responsibility for the financial statements and for determining the following:

- b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.

- 31) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily available marketable securities are as follows: Investments are stated at fair value. We have no investments in fully benefit-responsive investment contracts, which would be reported at contract value. Investments with values that are based on quoted market prices in active markets are classified as Level 1. Investments that trade in markets that are not considered to be active, but are valued based upon quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified as Level 2. Investments classified as Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes. We have no investments classified as Level 2 or Level 3.

- 35) The Plan has complied with the fidelity bonding requirements of ERISA, which covers claims up to a maximum limit of \$2,000,000.
- 36) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 37) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 38) We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year) and Schedule of Participants Loans, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the Schedule of Assets Held at End of Year and Schedule of Participant Loans are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of
Amerijet 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Amerijet 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Amerijet 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes #4 and #5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amerijet 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerijet 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amerijet 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerijet 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, line 4i-Supplemental Schedule of Assets (Held at End of Year) and Schedule H, line 8 - Supplemental Schedule of Participant Loans, as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under EIRSA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERIJET 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Amerijet 401(k) and Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan of Amerijet International, Inc. (the “Company”). It was originally adopted on October 1, 1999. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is not covered by the Pension Benefit Guaranty Corporation. On July 15, 2014, the Plan was amended and restated by Ascensus, LLC, the parent company of Ascensus Trust Company (Ascensus), which is engaged as a directed custodian. Effective July 15, 2014, Roth IRA elective deferrals were allowed. Provisions of the SECURE Act, BAM Act, and CARES Act became effective January 1, 2020.

Eligibility

All union employees, age 18 or older, of the Company are eligible and may participate after completing six consecutive months of service and at least 720 hours of service. Participants who do not meet these requirements may still qualify under the provisions of the SECURE Act. The Plan has semi-annual entry dates.

Plan Contributions

Participants may elect to defer compensation up to the IRS maximum amount. Participants 50 years of age or older may contribute additional “catch-up” contributions up to the IRS maximum amount. The Company has elected to make a matching contribution equal to 50% of the participants’ contributions up to 4% of compensation (maximum match is 2% of compensation).

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The Company Profit Sharing and Matching Contributions are vested at 20% in the second year of employment and 20% each year thereafter to 100% vested in the sixth year of employment. The Company’s Qualified Non-Elective Contributions (QNEC) are fully vested at all times and cannot be forfeited.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in a variety of mutual funds and money market accounts.

Distributions

Upon retirement, disability or death, a participant or beneficiary receives the entire amount credited to the participant's account in a lump sum. Upon termination, other than by retirement, disability or death, a participant becomes eligible to receive the current value of the participant's vested account in a lump-sum.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund (to) from the participant loans fund. The loans are secured by the balance in the participant's account and bear interest at the prime rate published by The Wall Street Journal plus one percentage point. Principal and interest are paid ratably by the participants directly to Ascensus on a payroll deduction basis and monitored by the Plan administrator.

Participant Notes Receivable (Continued)

The Plan made loans of \$65,000 during 2021. As of December 31, 2021, the participants' notes receivable including accrued interest amounted to \$97,122, with interest income earned on participant loans of \$3,805 for the year then ended.

Forfeited Accounts

At December 31, 2021, forfeited non-vested accounts totaled \$9,463. These accounts can be used to reduce future employer contributions and/or offset administrative expenses. The Plan used \$3,048 in 2021 to offset administrative expenses.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

See Independent Auditor's Report.

AMERIJET 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. The Plan had no fully benefit-responsive investment contracts in 2021.

Use of Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices as of December 31, 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan presents in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in fair value of its investments, which consist of realized gains or losses and unrealized appreciation (depreciation) on those assets.

Excess Contributions Refundable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS and excess matching contributions made by the employer are recorded as a liability with a corresponding reduction to contributions. The Plan recorded no excess contributions as of December 31, 2021. (See Note 12)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**AMERIJET 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

COVID-19

The effects of the COVID-19 pandemic brought about economic uncertainties which affected the Plan's investment income and the fair market value of its investments during the year ended December 31, 2021. The extent of continuing effects of COVID-19 are unknown at this time.

NOTE 3 – CUSTODIAN'S CERTIFICATION

The Plan administrator has elected the method of compliance permitted pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Disclosure under the Employment Retirement Security Act of 1974. Accordingly, Ascensus, LLC, the parent company of Ascensus Trust Company, the Plan custodian, has certified all of the investments and invested-related activity presented in the statement of net assets available for benefits, statement of changes in net assets available for benefits, and supplemental schedule of assets (held at end of year) for investment purposes for the year ended December 31, 2021 are complete and accurate. Such information has not been audited by independent auditors except for comparing such information with related information included in the financial statements and supplemental schedules as of and for the year ended December 31, 2021.

NOTE 4 – INVESTMENTS

Unaudited information certified by the Plan custodian.

During the year ended December 31, 2021, the Plan investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$844,813. Additionally, the Plan's investments earned interest and dividend income of \$111,612.

NOTE 5 – FAIR VALUE MEASUREMENT

Unaudited information certified by the Plan custodian.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

AMERIJET 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 – FAIR VALUE MEASUREMENT (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Cash equivalents and Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is a quoted price in an active market.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within fair value hierarchy, the Plan's investments at fair value as of December 31, 2021.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Cash equivalents	\$ 395,788	\$ -	\$ -	\$ 395,788
Mutual funds	7,232,285	-	-	7,232,285
Investments at fair value	\$7,628,073	\$ -	\$ -	\$7,628,073

See Independent Auditor's Report.

AMERIJET 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Ascensus is the custodian as defined by the Plan. Fees incurred and paid directly by the Plan for the custodian's administrative expenses were \$20,062 for the year ended December 31, 2021.

Certain employees of the Company provide administrative and trustee services to the Plan and are not reimbursed for these services. Certain other administrative expenses are paid by the Company on behalf of the Plan.

NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter on January 1, 2018, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. An amendment was effective January 1, 2019 in connection with the Bipartisan Budget Act of 2018. An amendment was also effective January 1, 2020 in connection with the SECURE Act, BAM Act, and CARES Act. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to December 31, 2018.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan's investments, in general, are subject to various risks, such as interest rate, credit, and overall market volatility risk. Additionally, the value, liquidity, and related income of the investment securities are sensitive to changes in economic conditions and may be affected by shifts in the market's perception of issuers and changes in interest rates. Certain investments (such as asset-backed securities, limited partnerships, and limited liability companies) are less liquid and may have restrictions on their sale. Forced liquidation, although not expected at this time, may affect the estimated value of such investments. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes to the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and the funded status of the Plan.

NOTES TO FINANCIAL
STATEMENTS
DECEMBER 31, 2021

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 10 – FIDELITY BOND

The Plan maintains its fidelity bond with Krauter & Company, LLC. The amount of coverage is \$2,000,000 and covers the period July 1, 2021 through March 1, 2023.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan records distributions of excess contributions in the year they are paid. The following is a reconciliation of total deductions from net assets available for benefits from the financial statements, to Form 5500, Schedule H:

Total deductions from net assets available for benefits:	
Per the financial statements	\$519,222
Plus: Prior year excess deferrals – participants	173,272
Per Form 5500, Schedule H	\$692,494

The following is a reconciliation of the net increase in net assets per the financial statements to Form 5500, Schedule H:

Total net increase in net assets:	
Per the financial statements	\$1,627,377
Less: Prior year excess deferrals – participants	(173,272)
Per Form 5500, Schedule H	\$1,454,105

NOTE 12 – SUBSEQUENT EVENTS

The Plan evaluated subsequent events through December 30, 2022, the date the financial statements were available to be issued.

As a results of market conditions, the Plan had net investment losses of approximately \$1.2 million in 2022.

In December 2022, the Plan administrator discovered that two participants were residents of Puerto Rico and had contributed excess contributions to the Plan. The excess contributions amounted to \$4,873 and will be distributed in January 2023. No adjustment has been made to the financial statements at December 31, 2021 for these.

The Plan amended its plan documents in 2022 to conform with the requirements of the SECURE Act, BAM Act, CARES Act and the Puerto Rico Internal Revenue Code.

See Independent Auditor's Report.
