Independent Auditor's Report

Audit Committee

Brook & Whittle Limited Section 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Brook & Whittle Limited Section 401(k) Profit Sharing & Trust (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter-Plan Merger

As discussed in Note 10 to the financial statements, the Board of Directors of Brook & Whittle Limited, the Plan's sponsor, approved the merger of the following plans into the Plan. All plan assets were transferred to the Plan as follows: Wizard Labels, LLC on January 5, 2021, and Innovative Labeling Solutions, Inc. on January 8, 2021. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 6, 2022 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Brook & Whittle Limited Section 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Brook & Whittle Limited (the Company) and its subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: U.S. Employees who are age 18 and older are eligible to become participants in the Plan and to make salary deferrals after three months of service. Employees are automatically eligible for discretionary match once eligible for the Plan and contributing.

Contributions: Plan participants may contribute up to 15% of their eligible compensation, limited by the maximum amount allowed under the Internal Revenue Code (IRC). The Company may also make discretionary employer matching contributions, discretionary non-elective employer contributions and non-elective employer safe harbor contributions to the Plan, as determined by its Board of Directors.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of: (a) the Company's contributions and (b) Plan earnings, and is charged with their withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Forfeitures: Participant forfeitures of employer contributions can be used to reinstate previously forfeited account balances of former participants, and the remaining amount is used to reduce the employer's non-elective contribution and is allocated among participants' accounts. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$57,929 and \$14,198, respectively. The 2021 forfeitures were offset by \$32,079 in outflows to reduce the employer's non-elective contribution.

Vesting: Participants are immediately vested in their contributions and the Company discretionary non-elective contributions, including safe-harbor contributions, plus actual earnings thereon. Vesting in the discretionary employer matching contributions, plus earnings thereon, is based on years of continuous service. Participants become 100% vested after six years of credited service with graduated vesting of 20% per year, beginning after two years of credited service.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. For loans originated from March 27, 2020 to December 31, 2020, participants were able to borrow up to \$100,000 or 100% of the vested account balance in accordance with the CARES Act. All loans are secured by the balance in the participant's account and bear interest rates ranging from 4.25% to 7.50%. Loan terms range from one to five years, or longer for the purchase of a primary residence. The loans must be adequately secured and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through monthly payroll deductions.

Payment of benefits: On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The Plan's financial statements are prepared using the accrual basis of accounting.

Investment valuation and income recognition: The Plan's investments are reported at fair value as further described in Note 5. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from these estimates.

Risks and uncertainties: The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative and investment management expenses: The Plan's recordkeeping and trustee fees may be paid by the Plan or by the Company. During the year ended December 31, 2021, fees of \$318,741 were paid by the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan agreement.

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

Note 4. Information Certified and Provided by Empower (Custodian)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian. The following is a summary of the Plan's information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, that was prepared by or derived from information certified by the Custodian and furnished to the Plan Administrator:

	December 31	
	2021	2020
Investments at fair value:		
Mutual funds	\$ 37,472,749	\$ 30,345,284
Guaranteed interest account	444,856	362,100
Total investments	<u>\$ 37,917,605</u>	<u>\$ 30,707,384</u>
Notes receivable from participants	<u>\$ 643,565</u>	<u>\$ 568,054</u>

The Custodian also certified the completeness and accuracy of \$2,549,932 of net appreciation in fair value of investments and \$2,124,925 of interest and dividends and \$30,972 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Brook & Whittle Limited Section 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

Note 5. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the highest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at the NAV of shares held by the Plan at year-end, which is generally intended to approximate one dollar per share.

Guaranteed interest account (non-benefit-responsive): Fixed annuity contracts that are non-fully benefit-responsive are based on the accumulated cash contributions and interest credited to the Plan's contracts, less withdrawals and approximates fair value for these investments at December 31, 2021. This determination was based on Empower's AAA credit rating and the interest rate which resets quarterly and is comparable to a premium of 111 basis points over 91-day U.S. Treasury bills.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

2021				
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments:				
Mutual funds	\$ 37,472,749	\$ 37,472,749	\$ -	\$ -

Note 5. Fair Value Measurements (Continued)

The following table presents changes in assets classified in Level 3 of the fair value hierarchy during the year ended December 31, 2021, attributed to the following:

	<u>Level 3 Investments:</u> <u>2021</u>
Transfers into Level 3	\$ 288,461
Transfers out of Level 3	(184,992)
Purchases	66,351

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs at December 31, 2021 and 2020:

Type	Fair Value		Valuation Technique	Significant Unobservable Inputs	Range
	2021	2020			
Guaranteed interest account	\$ 444,856	\$ 362,100	Discounted cash flow, theoretical transfer (exit price)	Risk-adjusted discount rate applied	3.00% to 4.40%

Note 6. Party-In-Interest Transactions

Parties in interest are defined under the DOL's rules and regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Professional fees for the audit of the Plan and substantially all administrative fees of the Plan are paid directly by the Company. The Plan's payment of investment management fees to these parties, including the custodians, qualify as party-in-interest transactions.

Note 7. Excess Contributions Payable

As of December 31, 2021 and 2020, the Plan recorded a liability of \$44,160 and \$130,085, respectively, for contributions in excess of amounts allowed by the Internal Revenue Service (IRS). The liabilities were paid each April, subsequent to the plan's year-end in which they are recorded.

Note 8. Tax Status

The IRS has determined and informed the Company by a letter dated May 11, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With a few exceptions, the Plan is no longer subject to income tax examinations by United States federal, state or local tax authorities for years before 2018.
