Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
WE Transport, Inc. Salaried 401(k) Plan
Plainview, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of WE Transport, Inc. Salaried 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets in liquidation as of December 31, 2021, the related statement of changes in net assets in liquidation for the year then ended, and the related notes to the financial statements (liquidation basis) ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Termination and Liquidation Basis

As discussed in Note 1 to the financial statements, the Board of Directors of WE Transport Inc., the Plan's sponsor, voted in December 2021 to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis of accounting used in presenting the 2020 financial statements to the liquidation basis of accounting used in presenting the 2021 and subsequent years' financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. The 2020 financial statements were prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WE TRANSPORT, INC. SALARIED 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS)

**AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021**

1. Description of Plan

The WE Transport, Inc. Salaried 401(k) Plan (the "Plan") is a 401(k) Plan for WE Transport, Inc.; WE Transport (NY) LLC; Towne Bus Corp; Towne Bus LLC; WE Transport, LLC (CT); WE Business Management, Inc. (collectively the "Company," the "Employer" or the "Plan Sponsor"). In June 2021, the Plan Sponsor was acquired by Van Pool Transportation LLC. The Plan was merged into and all assets were transferred to the Beacon Mobility Transportation Employee Retirement Plan on January 31, 2022. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, as amended and restated December 7, 2021 is a defined contribution plan covering all eligible salaried employees of the Company who have three months of credited service. Employees enter the Plan on the first day of the month following completion of eligibility requirements. The assets of the Plan are maintained and transactions therein are executed by the Plan's Recordkeeper and Trustee, Principal Trust Company. ("Principal", the "Trustee") as of and for the year ended December 31, 2021. The assets of the Plan were maintained and transactions were executed for 2020 by Wells Fargo Bank N.A. whose retirement services were acquired by Principal. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Termination

As a result of the Company's 2021 acquisition by Van Pool Transportation LLC, a decision was made during on December 7, 2021 to terminate the Plan subject to the provisions of ERISA. As such, participants became 100% vested in their employer contributions. The Plan ceased receiving participant deferrals in January 2022.

Contributions

Each year participants may contribute up to 50% of eligible pretax compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Participants may also contribute distributions from other qualified plans (rollovers). The Plan provides for discretionary employer matching contributions for all eligible participants. All contributions are participant directed.

Participant Accounts

The Plan is a defined contribution plan under which a separate account is established for each participant. Each participant's account is credited with the participant's contribution based upon the participant's directed investment selection and allocations of (a) the Company's contribution and (b) investment earnings and charged with any investment losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS) (CONTINUED)

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of Plan (Continued)

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

During 2020, the Plan implemented the distribution and loan relief provisions of the CARES Act which was enacted in March 2020. The provisions enabled participants negatively impacted by COVID-19 to take penalty-free distributions through December 30, 2020, suspend outstanding loan repayments until 2021, increased the maximum loan limits for loans taken as a result of COVID-19 through September 22, 2020 and suspended required minimum distributions for the 2020 calendar year including 2020 payments that would have been required to be made by April 1, 2021, unless otherwise elected.

Vesting

Participants are immediately vested in their contributions and rollovers. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

<u>Years of Service</u>	<u>Vesting %</u>
0-1	0
2	25
3	50
4	75
5	100

Investment Options

Participants direct the investment of their contributions and Employers' contributions made on their behalf into various investment options offered by the Plan. The participants instruct the Trustee directly as to the allocation of deposits among funds and transfers among funds. Participants may elect to change their salary deferrals on a daily basis.

Notes Receivable from Participants

Participants may borrow from their accounts, a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have no more than one loan outstanding at any time. Loans require repayment within 5 years, or up to 15 years if for the purchase of a primary residence. The loans are measured at their unpaid principal balance plus any accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate to be determined by the Plan Administrator based on interest rates charged on similar type loans. Principal and interest must be paid ratably through payroll deductions or otherwise in at least equal quarterly installments. At December 31, 2021, the loans bear interest at rates ranging from 4.25% to 6.50% with maturities through August 2026.

1. Description of Plan (Continued)

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, participants or their beneficiary, may elect to receive a lump-sum payment or installment payments over the life expectancy of the participant or the joint life expectancies of the participant and the participant's beneficiary. For termination of service due to other reasons, participants are entitled to the value of his or her vested account as a lump sum distribution. As of December 31, 2021 and 2020, all participants who had elected to withdraw from the Plan had been paid.

Forfeited Accounts

Forfeitures of matching contributions may be used to reduce employer contributions or pay administrative expenses under the Plan. During the year ended December 31, 2021, forfeitures of \$1,039 were used to reduce employer matching contributions.

Hardship and In-Service Withdrawals

The Plan Administrator may authorize a lump-sum distribution of up to 100% of the participant's vested interest (excluding any investment earnings) but not to exceed the amount necessary to meet the financial need created by the hardship provided the participant submits positive evidence of an immediate and heavy financial need as defined in the Plan. Beginning on January 1, 2019, a participant can immediately make an elective deferral after receiving a hardship distribution. In-service distributions of the participant's vested interest are available for any reason upon attaining age 59½.

Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement* ("ASU 2018-13") which amends Accounting Standards Codification ("ASC") 820 to add, remove, and modify fair value measurement disclosure requirements. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. The manner of adoption varies, with certain provisions applied retrospectively, while others applied prospectively. The Plan adopted ASU 2018-13, which resulted in the removal of certain fair value disclosures, which did not have a material impact on the financial statements or the Plan's net assets in liquidation.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared under the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS) (CONTINUED)

**AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021**

2. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

All Plan investments are held by the Trustee. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measured date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded when received. Cost of securities sold is determined by the specific identification method. The Plan presents, in the statement of changes in net assets in liquidation, the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various market risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets in liquidation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Certain plan expenses are deducted from participant accounts, and the remainder of the Plan expenses are generally paid by the Employer.

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

2. Summary of Significant Accounting Policies (Continued)

Participant and Employer Contributions

Employer contributions are recorded in the period in which the Plan receives the funds from the employer and participant contributions are recorded in the period in which the employer withholds the funds from the participant.

Deemed Distributions

Deemed distributions are recorded when a participant ceases making repayments on a loan from the Plan for three months. These amounts are no longer included in net assets available for benefits. During the years ended December 31, 2021 and 2020, there were \$21,876 and \$9,037, respectively, of deemed distributions.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were issued, December 21, 2022.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets in liquidation as of December 31, 2021;
- Net appreciation in the fair value of the investments, dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets in liquidation for the year ended December 31, 2021;
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2021;

4. Fair Value Measurements

The FASB authoritative guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

WE TRANSPORT, INC. SALARIED 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (LIQUIDATION BASIS) (CONTINUED)

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

4. Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual funds*: Registered investment companies (or mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common/collective trust funds*: These funds are valued at the NAV of units of the underlying common/collective fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common/collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(1) In accordance with FASB ASC Subtopic 820-10 "Fair Value Measurements," certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets in liquidation.

The following table sets forth additional disclosures for the fair value measurements of investments in certain entities that calculate NAV per share (or its equivalent):

5. Exempt Party-In-Interest

At December 31, 2021, certain Plan investments were managed by Principal, the Trustee of the Plan and therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee totaled \$2,975 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

6. Tax Status

The Company adopted a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement ("CODA"), sponsored by Principal Life Insurance Company., which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the Plan's qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code, and accordingly no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2018.

7. Plan Termination

As noted in footnote 1, the Plan Sponsor was acquired in July 2021 and the decision to terminate the plan and transfer the assets to Beacon Mobility Transportation Employee Retirement Plan occurred on January 31, 2022.
