INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
the SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan
Moorestown, NJ

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Investments and Matrix Trust Company for the period January 1, 2021 through December 14, 2021 and The Lincoln National Life Insurance Company for the period December 15, 2021 through December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

(Continued)

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

(Continued)

In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN AND BENEFITS

The following description of the SW Electronics and Manufacturing Corporation (the "Sponsor") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan, established January 1, 2020 and amended and restated November 15, 2021, is a 401(k) profit sharing plan covering certain employees of the Sponsor. Employees are eligible to contribute and share in the Sponsor's contribution as of the date on which he/she attains age eighteen and completes three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee.

The Plan's investments are administered and held in a trust by the Plan's Custodians, Fidelity Investments ("Fidelity") and Matrix Trust Company ("Matrix") (from January 1, 2020 through December 14, 2021) and The Lincoln National Life Insurance Company ("Lincoln") (from December 15, 2021 through December 31, 2021) (the "Custodians"). Fidelity was the custodian of the self-directed brokerage accounts. All other investments are held by Matrix and Lincoln. PenServ Plan Services, Inc. (from January 1, 2020 through December 14, 2021) and RetireWell (from December 15, 2021 through December 31, 2021) are the record keepers of the Plan. During the time of transition, there was a black out period from December 1, 2021 until approximately December 14, 2021, during which participants could not make changes to their accounts. Also, during the year ended December 31, 2021, the net assets of certain employees were transferred out of the Plan to another Plan sponsored by the Sponsor totaling \$227,047.

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow a penalty-free distribution through December 30, 2020 and suspend outstanding scheduled loan payments until 2021, increase the maximum loan limit for loans taken as a result of COVID-19 through September 22, 2020, and suspend required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise. Written amendments to the Plan to reflect these operational changes were adopted in 2021, in accordance with applicable law and IRS guidance.

1 - DESCRIPTION OF PLAN AND BENEFITS (Continued)

Contributions

Each year, participants may elect to contribute to the Plan any amount of compensation, as defined and subject to the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the IRC. A participant or an employee, who has not satisfied the age and service eligibility requirements, may make a rollover contribution of amounts distributed from another tax-qualified pension or profit sharing plan. The Sponsor may make matching contributions for each plan year on behalf of each participant equal to a uniform percentage of each participant's salary reduction contributions, as determined by the Sponsor in its discretion. The Sponsor match for 2021 was limited to 8% of the employee pre-tax plan contributions. The Sponsor may also make a discretionary contribution to the Plan. There was no discretionary contribution by the Sponsor in 2021.

Investment Options

Participants may direct the investment of their account balances into various investment options offered by the Plan. Investment options include mutual funds and a guaranteed stable value fund.

The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA") which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected YourPath Passive Moderate fund series as its QDIA.

Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and dividend and interest income for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodians. This information has not been audited by the Plan's independent auditors.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN AND BENEFITS (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account, and are subject to interest charges determined by the Plan Administrator. Participants may have up to two outstanding loans at any time and can repay a loan over a reasonable period of time not to exceed 5 years, except when the loan is for the purchase of a primary residence. The interest rates on the loans outstanding at December 31, 2021, range from 5.25% to 7.50% and loans mature through March 2026. Principal and interest is paid ratably through bi-weekly payroll deductions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after six years of credited service.

Years of Service	Vested Percentage
Less than 2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$696 and \$160, respectively. Forfeited amounts may be used to reduce future employer contributions. No forfeitures were used in 2021.

Payment of Benefits

Participants may elect to receive the full amount of their vested account balances in the event of normal retirement, termination of service, death or disability. Early withdrawals are permitted at the participant's request after the age of 59-1/2. Certain hardship withdrawals are also permitted. Distributions will be made in lump-sum payments. If the participant has \$1,000 or less in their account balance at their termination date, they will be required to take a distribution on the termination date. Minimum distributions must begin at age 72.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN AND BENEFITS (Continued)

Hardship Withdrawals

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Sponsor contribution account if he or she has attained age 59-1/2 or becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with generally accepted accounting principles ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Custodians determines the Plan's valuation policies utilizing information provided by the investment advisers and Custodian. See Note 3 for discussion of fair value measurements.

Net appreciation in the fair value of investments includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend date.

SW ELECTRONICS AND MANUFACTURING CORPORATION
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants in 2022 and 2021, respectively.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the loan fund balance. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a deemed distribution based on the terms of the Plan document. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

Payment of Benefits

Benefits are recorded when paid.

Management Fees and Operating Expenses

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net appreciation in fair market value of such investments.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") ASC 820 are described as follows:

SW ELECTRONICS AND MANUFACTURING CORPORATION
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

3 - FAIR VALUE MEASUREMENTS (Continued)

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts – Consist of mutual funds, exchange traded products and common and preferred stock, which are valued based on quoted net asset values or the quoted exchange price of the shares held by the Plan at year-end. Self-directed brokerage accounts were transferred out of the Plan during 2021.

SW ELECTRONICS AND MANUFACTURING CORPORATION
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

3 - FAIR VALUE MEASUREMENTS (Continued)

Common collective investment fund/stable value fund - The common collective investment/stable value fund is with Benefit Trust Company and is valued using the NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the common collective investment/stable value fund would sell its investments for an amount different from the reported NAV. The underlying securities in the common collective trust/stable value fund are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by Benefit Trust Company approximates fair value of the investments. The investments are redeemable at the adjusted NAV under agreements with Benefit Trust Company.

The following tables summarize investment assets measured at fair value:

Investments at Fair Value				
December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 193,602	\$ -	\$ -	\$ 193,602

Investments at fair value	\$ 2,384,418	\$ -	\$ -	\$ 2,384,418

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2021:

Common Collective Investment Fund	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
December 31, 2021	\$ 1,942,616	N/A	Daily	N/A

4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The plan entered into a fully benefit-responsive guaranteed investment contract with Lincoln. Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guarantee investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at the contract value.

Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 was \$25,799. The crediting interest rate is based on a formula agreed upon with the issuer; the crediting interest rates for 2021 was 3.00%. Such interest rates are reviewed on a semi-annual basis for resetting on December 1.

SW ELECTRONICS AND MANUFACTURING CORPORATION

NOTES TO FINANCIAL STATEMENTS

4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY
(Continued)

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The following is a summary of the unaudited information regarding the Plan included in the Plan's financial statements as of December 31, 2021 and 2020 that was prepared by the Custodians, and furnished to the plan administrator. The plan administrator has obtained certifications from the Custodians that such information is complete and accurate:

5 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (Continued)

	Year Ended December 31,
	2021
Statements of changes in net assets	
Investment income	
Net appreciation in fair value of investments	\$ 298,240
Dividends and interest	52,457
Other income	760

6 - PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules under ERISA.

The Plan held investments in certain funds managed by Fidelity, held in self-directed brokerage accounts, \$53,613 at December 31, 2020. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Self-directed brokerage account funds were transferred out of the Plan on September 30, 2021.

The Plan holds investments in certain funds held in a general account by Lincoln totaling \$25,799 at December 31, 2021. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

The Plan paid service provider fees of \$21,148 for the year ended December 31, 2021, which are included in administrative fees on the accompanying financial statements.

Certain officers and employees of the Sponsor (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Sponsor pays these individuals' salaries and other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Sponsor, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

NOTES TO FINANCIAL STATEMENTS

7 - PLAN TERMINATION

Although it has not expressed any intent to do so, under the Plan, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8 - TAX STATUS

The prototype plan the Sponsor has adopted obtained a letter dated June 30, 2020 from the Internal Revenue Service stating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

At December 31, 2021 and 2020, three and two investments, respectively, were each over 10% of assets held for investment.

10 - SUBSEQUENT EVENTS

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through January 20, 2023, the date on which the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
the SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan
Moorestown, NJ

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Investments and Matrix Trust Company for the period January 1, 2021 through December 14, 2021 and The Lincoln National Life Insurance Company for the period December 15, 2021 through December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

(Continued)

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Continued)

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of SW Electronics and Manufacturing Corporation 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

(Continued)

In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN AND BENEFITS

The following description of the SW Electronics and Manufacturing Corporation (the "Sponsor") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan, established January 1, 2020 and amended and restated November 15, 2021, is a 401(k) profit sharing plan covering certain employees of the Sponsor. Employees are eligible to contribute and share in the Sponsor's contribution as of the date on which he/she attains age eighteen and completes three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee.

The Plan's investments are administered and held in a trust by the Plan's Custodians, Fidelity Investments ("Fidelity") and Matrix Trust Company ("Matrix") (from January 1, 2020 through December 14, 2021) and The Lincoln National Life Insurance Company ("Lincoln") (from December 15, 2021 through December 31, 2021) (the "Custodians"). Fidelity was the custodian of the self-directed brokerage accounts. All other investments are held by Matrix and Lincoln. PenServ Plan Services, Inc. (from January 1, 2020 through December 14, 2021) and RetireWell (from December 15, 2021 through December 31, 2021) are the record keepers of the Plan. During the time of transition, there was a black out period from December 1, 2021 until approximately December 14, 2021, during which participants could not make changes to their accounts. Also, during the year ended December 31, 2021, the net assets of certain employees were transferred out of the Plan to another Plan sponsored by the Sponsor totaling \$227,047.

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow a penalty-free distribution through December 30, 2020 and suspend outstanding scheduled loan payments until 2021, increase the maximum loan limit for loans taken as a result of COVID-19 through September 22, 2020, and suspend required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise. Written amendments to the Plan to reflect these operational changes were adopted in 2021, in accordance with applicable law and IRS guidance.

1 - DESCRIPTION OF PLAN AND BENEFITS (Continued)

Contributions

Each year, participants may elect to contribute to the Plan any amount of compensation, as defined and subject to the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the IRC. A participant or an employee, who has not satisfied the age and service eligibility requirements, may make a rollover contribution of amounts distributed from another tax-qualified pension or profit sharing plan. The Sponsor may make matching contributions for each plan year on behalf of each participant equal to a uniform percentage of each participant’s salary reduction contributions, as determined by the Sponsor in its discretion. The Sponsor match for 2021 was limited to 8% of the employee pre-tax plan contributions. The Sponsor may also make a discretionary contribution to the Plan. There was no discretionary contribution by the Sponsor in 2021.

Investment Options

Participants may direct the investment of their account balances into various investment options offered by the Plan. Investment options include mutual funds and a guaranteed stable value fund.

The Pension Protection Act created the Qualified Default Investment Alternative (“QDIA”) which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected YourPath Passive Moderate fund series as its QDIA.

Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and dividend and interest income for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodians. This information has not been audited by the Plan’s independent auditors.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1 - DESCRIPTION OF PLAN AND BENEFITS (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account, and are subject to interest charges determined by the Plan Administrator. Participants may have up to two outstanding loans at any time and can repay a loan over a reasonable period of time not to exceed 5 years, except when the loan is for the purchase of a primary residence. The interest rates on the loans outstanding at December 31, 2021, range from 5.25% to 7.50% and loans mature through March 2026. Principal and interest is paid ratably through bi-weekly payroll deductions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after six years of credited service.

Years of Service	Vested Percentage
Less than 2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$696 and \$160, respectively. Forfeited amounts may be used to reduce future employer contributions. No forfeitures were used in 2021.

Payment of Benefits

Participants may elect to receive the full amount of their vested account balances in the event of normal retirement, termination of service, death or disability. Early withdrawals are permitted at the participant's request after the age of 59-1/2. Certain hardship withdrawals are also permitted. Distributions will be made in lump-sum payments. If the participant has \$1,000 or less in their account balance at their termination date, they will be required to take a distribution on the termination date. Minimum distributions must begin at age 72.

1 - DESCRIPTION OF PLAN AND BENEFITS (Continued)

Hardship Withdrawals

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Sponsor contribution account if he or she has attained age 59-1/2 or becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with generally accepted accounting principles ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Custodians determines the Plan's valuation policies utilizing information provided by the investment advisers and Custodian. See Note 3 for discussion of fair value measurements.

Net appreciation in the fair value of investments includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend date.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants in 2022 and 2021, respectively.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the loan fund balance. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a deemed distribution based on the terms of the Plan document. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

Payment of Benefits

Benefits are recorded when paid.

Management Fees and Operating Expenses

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net appreciation in fair market value of such investments.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") ASC 820 are described as follows:

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

3 - FAIR VALUE MEASUREMENTS (Continued)

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts – Consist of mutual funds, exchange traded products and common and preferred stock, which are valued based on quoted net asset values or the quoted exchange price of the shares held by the Plan at year-end. Self-directed brokerage accounts were transferred out of the Plan during 2021.

3 - FAIR VALUE MEASUREMENTS (Continued)

Common collective investment fund/stable value fund - The common collective investment/stable value fund is with Benefit Trust Company and is valued using the NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the common collective investment/stable value fund would sell its investments for an amount different from the reported NAV. The underlying securities in the common collective trust/stable value fund are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by Benefit Trust Company approximates fair value of the investments. The investments are redeemable at the adjusted NAV under agreements with Benefit Trust Company.

The following tables summarize investment assets measured at fair value:

		Investments at Fair Value

3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2021:

December 31, 2021	\$ 1,942,616	N/A	Daily	N/A

4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The plan entered into a fully benefit-responsive guaranteed investment contract with Lincoln. Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guarantee investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at the contract value.

Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 was \$25,799. The crediting interest rate is based on a formula agreed upon with the issuer; the crediting interest rates for 2021 was 3.00%. Such interest rates are reviewed on a semi-annual basis for resetting on December 1.

4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY
(Continued)

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The following is a summary of the unaudited information regarding the Plan included in the Plan's financial statements as of December 31, 2021 and 2020 that was prepared by the Custodians, and furnished to the plan administrator. 6 - PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules under ERISA.

The Plan held investments in certain funds managed by Fidelity, held in self-directed brokerage accounts, \$53,613 at December 31, 2020. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Self-directed brokerage account funds were transferred out of the Plan on September 30, 2021.

The Plan holds investments in certain funds held in a general account by Lincoln totaling \$25,799 at December 31, 2021. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

The Plan paid service provider fees of \$21,148 for the year ended December 31, 2021, which are included in administrative fees on the accompanying financial statements.

Certain officers and employees of the Sponsor (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Sponsor pays these individuals' salaries and other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Sponsor, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

NOTES TO FINANCIAL STATEMENTS

7 - PLAN TERMINATION

Although it has not expressed any intent to do so, under the Plan, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8 - TAX STATUS

The prototype plan the Sponsor has adopted obtained a letter dated June 30, 2020 from the Internal Revenue Service stating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

At December 31, 2021 and 2020, three and two investments, respectively, were each over 10% of assets held for investment.
