INDEPENDENT AUDITORS' REPORT

To the Trustees of
McAlister Oil 401(k) Plan
Wichita, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit 2021 Financial Statements

We have performed an audit of the financial statements of McAlister Oil 401(k) Plan, an employee benefits plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of May 31, 2022 (in liquidation), and December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended May 31, 2022 (in liquidation), and December 31, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of McAlister Oil 401(k) Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of May 31, 2022 and December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section--

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AICPA[®]
EBPAQC Member

Koch Siedhoff Hand & Dunn, LLP

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, amount other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Koch Siedhoff Hand & Dunn LLP

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of McAlister Oil 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 6 to the financial statements, the trustees of McAlister Oil 401(k) Plan approved a plan of liquidation on May 31, 2022, and management determined liquidation is imminent. As a result, McAlister Oil 401(k) Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McAlister Oil 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

MCALISTER OIL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Period Ended May 31, 2022 and Year Ended December 31, 2021

1. DESCRIPTION OF PLAN

The following description of the McAlister Oil ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan. Employees who are at least 21 years old can elect to become active participants in the Plan following the completion of at least one year of service. Employees are treated as participants on January 1 or July 1 of the Plan year following the date on which eligibility requirements are met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In addition to McAlister Oil, LLC, the Plan has been adopted by and covers the employees of McAlister Transportation, LLC.

Contributions. Each year, participants may make voluntary contributions to the Plan of up to 75% of their compensation up to the maximum allowed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company has the option to contribute a discretionary amount of matching contributions to the Plan. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings. Allocations are based on participant contributions, compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

Vesting. Participants are immediately vested in their contributions and the Company's safe harbor contribution plus actual earnings thereon.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000, or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and the Administrator establishes the rate in a nondiscriminatory manner, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits. Upon termination of service, or attainment of retirement age participants may elect to receive a lump-sum payment. However, if the participant's interest in his or her account does not exceed \$1,000, the Plan may make an automatic distribution. If the participant's interest in his or her account is greater than \$1,000, but does not exceed \$5,000, an automatic distribution may be made as a direct rollover to an individual retirement plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

(Continued)

MCALISTER OIL 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by employees of the Company. No employee receives compensation from the Plan. All administrative expenses for the Plan, except for fees paid to the Custodian, are paid directly by the Company.

3. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid recordkeeping fees to the plan custodian of \$3,340 and \$5,655 for the periods ended May 31, 2022 and December 31, 2021. The Plan has various service providers and these providers are considered parties in interest.

4. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The Plan's investments are held in a bank-administered fund. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Capital Bank and Trust Company, the custodian.

5. FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

At December 31, 2021, all the Plan's investments were in mutual funds. As required by ASC 820, the plan's investments were valued using Level 1 inputs which refer to securities traded in an active market.

5. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. PLAN MERGER

The plan sponsor was acquired by Diesel Direct, LLC on April 1, 2022. On May 31, 2022, the McAlister Oil 401(k) Plan was liquidated and on June 1, 2022, the Plan was merged into the Diesel Direct 401(k) Plan. The net assets of the Plan were transferred on May 31, 2022. A summary of the transferred net assets follows:

Investments, at fair value	\$2,040,149
Receivables:	
Notes receivable from participants	158,310
Accounts payable and accrued liabilities	<u>-</u>
	<u>\$2,198,459</u>

7. TAX STATUS

The Plan has adopted the prototype plan of Foulston Siefkin LPP. The prototype plan has been approved by the Internal Revenue Service in a letter dated March 31, 2014, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving this determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. SUBSEQUENT EVENTS

Management has evaluated all subsequent events since May 31, 2022 through January 11, 2023, the date of the independent auditor's report. There have been no other subsequent events that would require changes to the accompanying financial statements or disclosures therein.

5. FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

At December 31, 2021, all the Plan's investments were in mutual funds. As required by ASC 820, the plan's investments were valued using Level 1 inputs which refer to securities traded in an active market.
