INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Faulkner Group 401(k) Plan
Trevose, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Faulkner Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Opinion on the 2021 Financial Statements (Continued)

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Item 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2021, and Schedule H, Item 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters

2021 Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FAULKNER GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Faulkner Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General: The Plan is a defined contribution 401(k) plan which was established by Faulkner Cadillac, Inc. (Plan Sponsor), on April 1, 1981. Effective January 1, 2016, the Plan name changed to Faulkner Group 401(k) Plan when the Plan was amended and restated to allow companies related by common ownership to adopt the provisions of the Plan. Effective April 7, 2021, the Plan was amended and restated to bring it into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37).

The following affiliated companies were participating in the Plan at December 31, 2021:

3400 Paxton Associates, Inc.	JJLH of Cumberland Valley, LLC
Faulkner Buick GMC, LLC	JJLH of Hogestown, LLC
Faulkner Buick GMC of Trevoise, Inc.	JJLH of Jenkintown, LLC
Faulkner Cadillac, Inc.	JJLH of Manheim Pike, LLC
Faulkner Harrisburg, Inc.	JJLH of Mechanicsburg, LLC
Faulkner Motors, Inc.	JJLH of Milan, LLC
Faulkner Nissan, Inc.	JJLH of Modena, LLC
Faulkner Motors of Bethlehem, Inc.	JJLH of Rohrerstown Road, LLC
Faulkner Saturn of Trevoise, Inc.	JJLH of Roosevelt Boulevard, LLC
Faulkner Subaru, Inc.	JJLH of Route 11, LLC
Faulkner Trevoise, Inc.	JJLH of Silver Spring, LLC
Huntingdon Valley Associates, Inc.	JJLH of Stuttgart, LLC
Paxton Associates, Inc.	JJLH of Trevoise, LLC
JJLH of Carlisle Pike, LLC	JJLH of Willow Grove, LLC

Effective January 1, 2021, eligibility for all employees is the first of the month 60 days after hire date. Previously, employees were required to have a year of service before participation in the Plan.

Contributions: Each year, participants may contribute any percentage or amount of their eligible compensation to the plan as an elective deferral (pre-tax or Roth) and may make other after-tax contributions. Contributions are subject to certain limitations imposed by the Internal Revenue Code. All newly eligible employees will have 4% of their compensation automatically contributed as a pre-tax elective deferral, unless they make an alternative election or opt-out of participation. The automatic deferral percentage will increase by 1% per year thereafter until it reaches 6%. Participants who attain age 50 by the end of the Plan year are eligible to make additional (catch-up) contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

FAULKNER GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Contributions (Continued): The Company (hereinafter, Plan Sponsor and adopting employers) makes a matching contribution equal to 100% of the first 2% of gross compensation that a participant contributes as an elective deferral. The Company may make an annual discretionary non-elective contribution, which is allocated to participants employed on the last day of the Plan year, in the same ratio as each participant's eligible compensation for the Plan year compared to the total eligible compensation for participants of the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the employer's matching contributions, (b) any employer discretionary contributions, and (c) an allocation of Plan earnings or losses, net of administrative expenses. Plan earnings or losses are allocated according to the participant's relative account balance in the various investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Options: Participants may direct the investment of contributions into various investment options offered by the Plan. If no investment election is made by a participant, the funds will be invested in a qualified default investment alternative designated by the Plan. Participants may change their investment allocation any time.

Vesting: Participants are fully vested in their elective deferrals, after-tax contributions and any rollover contributions plus actual earnings thereon. Participants become vested in the remainder of their accounts based on years of continuous service. A participant is 10% vested after one year of service, 20% vested after two years of service, and vests an additional 20% per year thereafter until the participant is fully vested after six years of service.

Participant Loans: Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may have a maximum of two loans outstanding provided repayments are made via payroll withholdings. Loan terms range from one to five years. Interest rates are fixed for the loan term at 1% above the prime rate in effect on the first business day of the month the loan is originated. Loans are secured by the vested balance in a participant's account. Loan repayments must be paid directly to the Plan through payroll withholdings and are then allocated to the current investments designated by the participant.

Payment of Benefits: Upon termination of employment, participants are entitled to receive the vested interest in their accounts. Participants are fully vested upon reaching normal retirement at age 65, early retirement at the later of age 55 or upon completion of seven years of service, death, or if disabled. Participant benefits will be distributed in a lump sum, in installments or as an annuity, as specified by the provisions of the Plan. Vested balances less than \$5,000 are distributed as a lump sum. Accounts balances between \$1,000 and \$5,000 may be distributed automatically to an IRA, unless an election is otherwise made by the participant. Distributions may be deferred until the participant reaches the age of 70 ½ or later if the value of the distribution is greater than \$5,000, subject to certain Plan and IRS provisions. In-service distributions are available to participants from their vested account balances if age 59 ½. In certain situations, participants who can demonstrate that they have suffered a financial hardship may request a distribution of their accounts equal to the immediate need but limited to the vested portion of their elective deferral accounts and after all other available distribution and loan options under the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Administrative Expenses: The Plan's administrative expenses are paid by the Plan unless paid by the Company. Any expenses paid by the Company are not reflected in the accompanying financial statements.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at the unpaid principal balances, plus any accrued interest. Delinquent loans are treated as distributions based upon the terms on the plan document surrounding defaulted loans.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan Administrator has evaluated events and transactions for potential recognition or disclosure through September 9, 2022, the date the financial statements were available to be issued. See Note 11.

FAULKNER GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by the Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to information certified as complete and accurate by Great-West Trust Company, LLC, (the trustee of the Plan).

Note 4. Investments and Fair Value Measurements

The Plan measures on a recurring basis its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification *Fair Value Measurement*, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that are accessible to the Plan. These generally provide the most reliable evidence and are used to measure fair value whenever available. |
| Level 2 | Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The following methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date.

FAULKNER GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

The Plan's investments, consisting of registered investment companies and collective investment trusts, are held by Great-West Trust Company, LLC. The following is a description of valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies: Shares of registered investment companies (mutual funds) are valued at the daily closing prices as reported by the fund. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: The Plan invests in various collective investment trusts offered separately by State Street Global Advisors, Harbor Trust Company, Inc. and Great-West Trust Company, LLC. The collective investment trusts are valued based upon the net asset value (NAV) per unit times the number of units held by the Plan at year-end. Net asset value is used as a practical expedient to estimate fair value because it is unlikely that the trust would sell the investment for an amount different than the reported net asset value.

State Street Global Advisors (SSgA) provides investment management services through several bank maintained collective trust funds. Purchases or sales are executed at NAV for each series fund typically determined as of the close of trading on the trade date. Fair value of the collective investment trusts is based on the fair value of the collective trust's underlying investments as reported by the fund manager to the Trustee, net of accrued account level fees. The underlying investments vary with each fund series.

Harbor Trust Company, Inc., offers the Harbor Capital Appreciation Collective Investment Trust which offers five classes of units. The units of each class represent an interest in the same portfolio of investments of the fund but each class has a different expense level associated with it. The Trustee's valuation process uses a variety of valuation methodologies based upon the specific type of underlying investment. Securities traded on a national securities exchange are valued at the last sale price on the exchange as of the valuation date. Fair value pricing is also utilized for securities not on a national securities exchange.

Great-West Trust Company LLC ("Great-West") offers a stable value option with the Drive Income Fund. This fund seeks to preserve capital while providing sufficient liquidity to pay benefits to participants of participating trusts and to provide stable and predictable returns. Great-West, as Trustee, determines the value of fund units daily, before taking into account purchases or redemptions of units occurring on or as of that valuation date, in accordance with the following procedures: 1) The Trustee determines the value of the fund by applying the current crediting rate in accordance with valuation rules established by the Trustee, 2) the Trustee subtracts from the value of fund assets any ordinary or extraordinary expenses, costs, charges, or other liabilities incurred or accrued by the fund through the date of the calculation to determine the net value of fund assets, 3) the Trustee divides the result by the total number of units of the fund in existence as of the valuation date to arrive at the net asset value of the units.

FAULKNER GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Investments and Fair Value Measurements (Continued)

Collective Investment Trusts (Continued): Great-West offers a balanced fund with the Drive Balanced Fund. This fund seeks long-term capital appreciation and income by investing in pooled investment funds that invest primarily in equity and fixed income securities. Great-West, as Trustee, uses asset allocation strategies to allocate fund assets among underlying investments investing in selected asset classes. The Trustee will rebalance the Fund's holdings of underlying investments on a monthly basis in order to maintain the appropriate asset allocation for the fund. Great-West determines the value of fund units daily before taking into account purchases or redemptions of units occurring on or as of that valuation date in accordance with the following procedures: 1) The Trustee determines the value of the fund in accordance with valuation rules established by the Trustee and relies on the value or price last reported to the Trustee or manager of the underlying investments in accordance with the valuation policies and procedures of the underlying investment, 2) the Trustee subtracts from the value of fund assets any ordinary or extraordinary expenses, costs, charges or other liabilities incurred or accrued by the fund through the date of the calculation to determine the net value of fund assets, 3) the Trustee divides the result by the total number of units of the fund in existence as of the valuation date to arrive at the net asset value of the units.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain investments or financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

(A) Collective investments held by Great-West, LLC are direct filing entities for ERISA purposes. With regard to the Drive Income Fund, the Plan is prohibited from offering competing funds such as other stable value funds, money market funds, etc. Plan level redemptions from this fund require 90 days written notice. There are no participant redemption restrictions.

(B) Investment objectives for investments held by State Street Global Advisors are to approximate the performance of a custom benchmark index over the long-term, while providing participants the ability to purchase and redeem units on an "as of" basis. The funds invest in other collective trust funds with characteristics consistent with the Funds overall investment objective. Disclosure of the various fund type objectives are noted below.

- (1) The target retirement strategies are based on an asset allocation glide path developed by SSGA optimized for the wealth accumulation, wealth preservation, and income generation phases of retirement planning and includes adjustments in the years before and after retirement. As the strategies approach the target retirement dates, SSGA adjusts the funds' investment objectives and risk profiles from more volatile to less volatile as retirement approaches.
- (2) The objective of this fund is to approximate the performance of the S&P 500 over the long-term.
- (3) The objective of this fund is to approximate the performance of the S&P MidCap 400 over the long-term.

- (4) The objective of this fund is to approximate the performance of the MSCI ACWI ex USA Investable Market Index over the long-term.
 - (5) The objective of this fund is to approximate the performance of the Bloomberg Barclays U. S. Aggregate Bond Index over the long-term.
 - (6) The objective of this fund is to approximate the performance of the Russell 2000 Index over the long-term.
 - (7) The objective of this fund is to approximate an index comprised of 15% Dow Jones U.S. Select REIT Index SM, 25% Bloomberg Roll Select Commodity Index SM, 25% S&P Global Large MidCap Commodity and Resources Index, 25% Bloomberg Barclays US Treasury Inflation Protected Securities (TIPS) Index, and 10% S&P Global Infrastructure Index over the long-term.
- (C) Harbor Capital Appreciation Fund is sponsored by Harbor Trust Company, Inc. The Fund invests primarily in equity securities, principally common and preferred stocks of U.S. Companies with market capitalizations of at least \$1 billion at the time of purchase and with above average prospects for growth. The object of the fund is long-term growth of capital.

Note 5. Related Party and Party-in-Interest Transactions

Great-West Trust Company, LLC, Trustee of the Plan, sponsors and manages certain Plan investments held in collective investments trusts. Great-West Life & Annuity Insurance Company, an entity related to the Trustee, provides recordkeeping services for the Plan. The aforementioned services and related transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

FAULKNER GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 7. Tax Status

The Plan adopted a defined contribution pre-approved plan sponsored by Great-West Trust Company, LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 as to the Plan's qualified status. Although the Plan has since been amended, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 9. Reconciliations to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to Form 5500:

	2021	2020
Net assets available for plan benefits per the financial statements	\$ 101,618,619	\$ 88,963,943

NOTES TO FINANCIAL STATEMENTS

Note 10. Prohibited Transactions

During 2020, the Plan Sponsor inadvertently failed to remit to the Plan's Trustee certain employee contributions and loan payments totaling \$439, in a timely manner, as required by Department of Labor regulations. These late contributions were paid during 2020 and considered to be prohibited transaction. The Plan Sponsor remitted lost earnings to the plan in 2021, and paid the related excise taxes.

Note 11. Subsequent Plan Amendment

Effective January 1, 2022, JLLH of Doylestown, LLC d/b/a Mercedes-Benz of Doylestown and JLLH of Swamp Road, LLC d/b/a Faulkner Honda of Doylestown were added as participating employers in the plan. In conjunction with the addition of these employers, service for employees of Keenan Motors (Keenan Mercedes Benz) and Keenan Honda will be recognized for eligibility, vesting and allocation conditions.

Faulkner 401(k) Administrative Committee
Attn: Dina Perreault, Plan Administrator
Faulkner Group 401(k) Plan
Trevose, Pennsylvania

We are pleased to present this report related to our audit of the financial statements of Faulkner Group 401(k) Plan (the Plan) as of and for the year ended December 31, 2021. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for Faulkner Group 401(k) Plan's financial reporting process.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process:

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated May 20, 2022. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 20, 2022, regarding the planned scope and timing of our audit and have discussed with you our identification of and planned audit response to significant risks of material misstatement.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practices.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant or Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. There are no particularly sensitive accounting estimates in the financial statements which should be brought to your attention for approval.

Financial Statement Disclosures

The disclosures in the financial statements are objective, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users.

Audit Adjustments and Uncorrected Misstatements

There were audit adjustments made to the original trial balance presented to us to begin our audit which was based on the Empower annual report. The adjustments relate to the treatment of defaulted loans. Benefit payments were reduced by \$1,078 for the effects of a prior year defaulted loan that was previously written off for financial reporting purposes which was reported as a defaulted loan on the trust report.

We are not aware of any uncorrected misstatements other than those that are clearly trivial.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant, difficult or contentious matters that required consultation outside of the engagement team.

Significant Written Communications between Management and Our Firm

Copies of significant written communications between our firm and the management of the Plan, including the representation letter, have been provided to us by management.

Closing

This report is intended solely for the information and use of the Plan Administrator and management and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have regarding this report. We appreciate the opportunity to be of service to Faulkner Group 401(k) Plan.
