INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charges with Governance of
Friendship Foundation 401(k) Plan
Roanoke, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Friendship Foundation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Friendship Foundation 401(k) Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit for the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Friendship Foundation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendship Foundation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friendship Foundation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendship Foundation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2022 Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the June 30, 2021 financial statements of Friendship Foundation 401(k) Plan (the 2021 financial statements). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 7, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FRIENDSHIP FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

Note 1. Plan Description

The following description of the Friendship Foundation 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Friendship Foundation (the “Company”) who are at least 18 years of age and have completed two months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined by the Plan document, subject to *Internal Revenue Code (IRC)* limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation, with a 1% escalation each plan year, up to 6% maximum. The Company may make profit sharing and matching contributions at its discretion. For the Plan year ended June 30, 2022, the Company match was 50% of the first 6% of each participant’s compensation. No profit sharing contributions were made during the current year. Contributions are subject to certain limitations.

Participant accounts

Each participant’s account is credited with the participant’s contributions, the Company matching contributions, allocations of the Company’s profit sharing contributions, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion, plus actual earnings thereon, is based on years of service, as defined. A participant is fully vested after five years of credited service.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

Note 1. Plan Description (Continued)

Notes from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, with an interest rate of Prime Rate plus 1.00%. Repayment terms are not to exceed 5 years, but may be extended up to 10 years for principal residence loans, as defined by the Plan. Loan payments are made by direct, after-tax payroll deductions. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50% at June 30, 2022.

Payment of benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount. In-service withdrawals are available upon demonstration of financial hardship or after participants reach 59 ½ years of age.

Forfeitures

At June 30, 2022 and 2021, forfeited non-vested accounts totaled \$32,496 and \$16,458, respectively. These accounts will be used first to pay administrative expenses and then to reduce Company contributions. During 2022, forfeitures of \$30,379 and \$7,178 were used to pay administrative expenses and reduce Company contributions, respectively.

Administrative costs

The Plan's administrative expenses are paid by either the participant or the Company on a discretionary basis.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

FRIENDSHIP FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

Note 2. Significant Accounting Policies (Continued)

Valuation of investments and revenue recognition

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a full discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Benefit payments

Benefits are recorded when paid.

Subsequent events

Subsequent events have been evaluated through January 23, 2023, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's mutual funds and collective investment trust fund are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

FRIENDSHIP FOUNDATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

Note 3. Fair Value Measurements (Continued)

The collective investment trust fund owned at June 30, 2022 and 2021 is composed primarily of a variety of guaranteed investment contracts, security-backed contracts, and short-term investment funds and are valued at the net asset value of units of the underlying fund. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. There is no notice period if the Plan initiates a full redemption of the collective investment trust.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)
<u>June 30, 2022</u>		
Mutual funds	\$ 8,449,127	\$ 8,449,127
Total assets in fair value hierarchy	8,449,127	8,449,127
Investments measured at NAV (a)	1,300,739	-
	<u>\$ 9,749,866</u>	<u>\$ 8,449,127</u>
<u>June 30, 2021</u>		
Mutual funds	\$ 10,312,503	\$ 10,312,503
Total assets in fair value hierarchy	10,312,503	10,312,503
Investments measured at NAV (a)	1,214,889	-
	<u>\$ 11,527,392</u>	<u>\$ 10,312,503</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 3. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table, which includes the Galliard Stable Return Fund C (formerly the Wells Fargo Stable Value Fund C), summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>June 30, 2022</u>				
Galliard Stable Return Fund C	\$ 1,300,739	None	Daily	12 months
<u>June 30, 2021</u>				
Wells Fargo Stable Value Fund C	\$ 1,214,889	None	Daily	12 months

Note 4. Investment Contracts

The Plan has investments in the Galliard Stable Return Fund C (which is 100% invested in the Galliard Stable Return Fund Core) at June 30, 2022. Prior to April 1, 2022, the investment was named Wells Fargo Stable Value Fund C (which was 100% invested in the Wells Fargo Stable Return Fund G). Included in this fund are certain guaranteed investment contracts and wrapper contracts. These contracts are considered to be benefit-responsive and since those contracts were not purchased directly from Ascensus Trust Company, but in the open market, are presented at fair value.

The average market yield for the fund was approximately 1.99% and 2.39% for the years ended December 31, 2021 and 2020, respectively. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants was 1.90% and 2.20% for the years ended December 31, 2021 and 2020, respectively. These rates were based on the December 31 financial statements of the Wells Fargo Stable Return Fund G.

The objective of the fund is to provide stability of principal and consistency of returns with minimal volatility. The fund invests primarily in guaranteed investment contracts, security-backed contracts, and short-term investment funds. The percentage of contributions allocated to this fund is determined by the participants.

NOTES TO FINANCIAL STATEMENTS

Note 5. Related Party Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan investments were managed by Ascensus Trust Company, Trustee, during the year ended June 30, 2022, and therefore, these transactions are considered to be related party transactions. Fees paid by the Plan to the Trustee for investment management and record-keeping services for the year ended June 30, 2022 were \$34,652.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

Effective May 1, 2021, the Plan adopted a nonstandardized pre-approved profit sharing plan sponsored by Ascensus, LLC which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan and related trust are designed in accordance with applicable sections of the *Internal Revenue Code*. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the *IRC* and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken by the Plan that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8. Trustee Certification

Certain information was certified as complete and accurate by the Ascensus Trust Company. That information is as follows:

- Investment assets
- Notes receivable from participants
- Investment transactions
- Investment income
