INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
JMP Group Inc. 401(k) Plan
San Francisco, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of JMP Group Inc. 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 1, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period January 1, 2022 to June 1, 2022, and year ended December 31, 2021, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 1, 2022 and December 31, 2021, and for the period January 1, 2022 to June 1, 2022, and year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of June 1, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to, or was derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As further discussed in Note 1 to the financial statements, the Plan was frozen on January 1, 2022, and the Plan merged into the Citizens Financial Group Retirement Savings Plan effective June 1, 2022.

JMP GROUP INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JUNE 1, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN:

The following description of the JMP Group Inc. 401(k) Plan, ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Transfer:

The Plan was frozen on January 1, 2022. Effective June 1, 2022, JMP Group Inc. 401(k) Plan assets were merged into the Citizens Financial Group Retirement Savings Plan ("CFG Plan"). As a result, all investments were transferred from the Plan into the CFG Plan on that date. Plan participants' benefits shall continue to be determined under the provisions set forth in the CFG Plan.

General:

The Plan is a defined contribution plan, to provide benefits to all full-time employees of JMP Group Inc. ("Company") and covers substantially all employees of the Company and its affiliates. Prior to January 1, 2022, employees were eligible to participate in the Plan after three months of employment. Employees represented by collective bargaining agreements, leased employees, interns and non-resident aliens are not eligible to participate in the Plan. The Plan is subject to the provisions of section 401(a) of the Internal Revenue Code and Employee Retirement Income Security Acts of 1974 ("ERISA"), as amended.

Administration:

Under the terms of the Plan, a group of designated officers of the Company manage the operation and administration of the Plan. The Company has contracted with a third-party administrator who processes and maintains the records of participant data and Charles Schwab Trust Bank acts as the Trustee and Custodian of Plan assets.

Participant Contributions:

Each year, participants may contribute an amount of annual compensation, as defined by the Plan, subject to the annual maximum currently allowed under the provisions of the Internal Revenue Code. Participants can contribute to pre-tax (regular) or after-tax (Roth) salary deferrals. Additionally, participants, could contribute up to 100% of their compensation on an after-tax basis. Contributions are withheld from each participant's compensation and invested in accordance with the participant's instructions. Participants may rollover amounts distributed from other qualified plans. As of January 1, 2022, all contributions to the Plan were frozen.

Employer Contributions:

Annually, the Plan can be amended to make a safe harbor employer-matching contribution equal to 100% of salary deferrals, up to 4% of compensation. The Company made safe-harbor-matching contributions of \$1,528,235 during the year ended December 31, 2021. There were no employer contributions in 2022 as contributions were frozen January 1, 2022.

Additional Company profit-sharing and matching contributions to the Plan are voluntary and at the discretion of the Company's Board of Directors. The Company elected not to make any additional contributions in 2022 or 2021.

JMP GROUP INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 1, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN: (Continued)

Participant Accounts:

Each participant's account is credited with the participant's contributions and allocations of the Company contribution and Plan earnings, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting:

Participants are immediately vested in all contributions. Therefore, there are no forfeited amounts.

Excess Contributions Payable:

Prior to Plan termination, amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") were recorded as a liability with a corresponding reduction to contributions when returned.

Payment of Benefits:

Prior to Plan termination, the Plan provided for the payment to the participant (or, if applicable, the beneficiary) at retirement (age 65), disability, death, financial hardship, or termination of employment. Participants who qualified for retirement benefits would receive their benefits in the form of a lump sum in cash. The benefit to which a participant was entitled was the benefit that could be provided directly from the participant's vested account balance. Benefits were recorded when paid. Participants who separated from service and had a vested balance of \$5,000 or less were subject to an administrative distribution at the discretion of the Plan administrator. Participants had the option to leave amounts in the Plan up to the mandatory distribution date, which was defined as April 1st of the calendar year following the later of the calendar year in which the participant reached age 72 or the calendar year in which the participant retired. Upon termination, vested benefits could be rolled over to another qualified plan or an individual retirement account ("IRA"), or distributed in a lump-sum payment or partial withdrawals. If the vested balance was \$1,000 or less, the participant would receive a lump-sum distribution without consent.

In-service Withdrawals:

Prior to Plan termination, participants who attained the age of 59½ could request a withdrawal of all or part of the vested portion of their account.

Notes Receivable from Participants:

Prior to Plan termination, the Plan allowed participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. Loans were secured by the participant's vested account balance and bear interest at comparable rates for similar types of loans. Loans must have been repaid over a period not exceeding five years, unless the loan was used to purchase a primary residence, in which a longer repayment period is allowed. Loans were segregated investments and, to the extent a participant borrowed, their account would not share in the earnings and gains in value attributable to other Plan investments. Accordingly, the interest participants paid on their loans would be directly credited to their account.

JMP GROUP INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 1, 2022 AND DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition:

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the transaction date. See Note 4 for a discussion of fair value measurements.

The net appreciation or decline in fair value of investments included the realized gain or loss on the sale of securities and unrealized appreciation or decline arising from the differences between the fair value at the beginning of the year and at the end of the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Notes Receivable From Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021.

Use of Estimates:

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distributions, recordkeeping and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are charged directly by the funds and are thereby factored into each fund as a reduction in investment return.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Mutual Fund Fees:

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and, thus, not separately identifiable as an expense.

Risks and Uncertainties:

The Plan provides a variety of investment options in any combination of mutual funds, stocks, and bonds that are offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events that could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 3 - INVESTMENTS CERTIFIED BY THE PLAN TRUSTEE:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and certain ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 1, 2022 and December 31, 2021, and net appreciation (depreciation) in fair value of investments, dividends and other interest and interest income on notes receivable from participants for the period January 1, 2022 to June 1, 2022 and for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the Trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification ("ASC"), Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

JMP GROUP INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 1, 2022 AND DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in active markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the period January 1, 2022 and at December 31, 2021, and there have been no transfers between levels for the period January 1, 2022 to June 1, 2022, and during the year ended December 31, 2021.

Mutual and money market funds: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 inputs)

Common stocks: The fair value of common stocks is based on the closing price reported on the active market on which the individual securities are traded. (Level 1 inputs)

Self-directed brokerage accounts: Accounts primarily consist of mutual funds that are valued on the basis of readily determinable market prices. (Level 1 Inputs)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 1, 2022 and December 31, 2021:

	Fair Value Measurements Using:			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
December 31, 2021				
Mutual and money market funds	\$ -	\$ -	\$ -	\$ -
Self directed brokerage accounts	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments at fair value				\$ -

	Fair Value Measurements Using:			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
December 31, 2020				
Mutual and money market funds	\$ 38,657,962	\$ -	\$ -	\$ 38,657,962
Self directed brokerage accounts	\$ 16,316,948	\$ -	\$ -	\$ 16,316,948
Total assets in the fair value hierarchy	\$ 54,974,910	\$ -	\$ -	\$ 54,974,910
Investments measured at NAV as a practical expedient*				\$ 1,008,873
Investments at fair value				\$ 55,983,783

*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 5 - PLAN TERMINATION:

Although the Company has not expressed intent to terminate the Plan, it may do so at any time under the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested and entitled to their full account balance, including all Company contributions, as of the termination date.

NOTE 6 - TAX STATUS:

The IRS ruled on March 31, 2014, that the prototype non-standardized profit-sharing 401(k) plan used by the Plan is qualified, in its present form, under Section 401(a) of the Internal Revenue Code ("Code") and the underlying trust, is, therefore, exempt from federal income tax under Section 501(a) of the Code. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of June 1, 2022 and December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any periods in progress.

NOTE 7 - RELATED-PARTY TRANSACTIONS:

Since the inspection of the Plan, the Plan Sponsor has absorbed some of the administration expenses of operating the Plan. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS:

Management has evaluated subsequent events through January 19, 2023, which is the date the financial statements were available to be issued, and has determined that there are no additional adjustments or disclosures required.
