Plan Administrator of the  
Profit Sharing Plan for Employees  
of Fairbanks Native Association  
Fairbanks, Alaska

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the accompanying financial statements Fairbanks Native Association 401(k) Profit Sharing Plan (the Plan), an employee benefits plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

***Opinion on the 2022 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of  
Profit Sharing Plan for Employees  
of Fairbanks Native Association

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — 2022 Supplemental Schedules Required by ERISA***

The Supplemental Schedule H, Line 4i – Schedule of Assets (held at end of year) for the year ended June 30, 2022 is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of  
Profit Sharing Plan for Employees  
of Fairbanks Native Association

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter — Report on the 2021 Financial Statements***

We were engaged to audit the statement of net assets available for benefits of the Plan as of June 30, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report, dated January 21, 2022, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING PLAN FOR EMPLOYEES OF  
FAIRBANKS NATIVE ASSOCIATION

Notes to Financial Statements

June 30, 2022 and 2021

**NOTE A – DESCRIPTION OF PLAN**

The following description of the Profit Sharing Plan for Employees of Fairbanks Native Association (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General.** The Plan is a defined contribution plan covering substantially all employees of the Fairbanks Native Association (the Sponsor). Effective July 1, 1989, part-time, seasonal, and temporary employees are required to work a minimum of 1,000 hours in order to participate in the Plan. Employees must also attain the age of 18 to participate in the plan. Once the hour requirement is reached the employee will remain eligible to participate in the Plan for the duration of their employment with the entity. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions.** Each plan year, the sponsor contributes, on behalf of each participant, an amount authorized at the discretion of the board of directors. Contributions are subject to certain limitations. Eligible employees may defer up to 100 percent of pretax annual compensation, as defined in the plan. In addition, participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. All contributions are subject to annual Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

Qualified Non-elective Contributions: Active participants are eligible for employer contributions and safe harbor contributions after 1000 hours of eligible service and attaining age 18.

The Employer match of the salary deferrals is equal to 100% of deferrals that are not in excess of 3% of the participant's eligible wages plus 50% of deferrals that exceed 3% of the participant's eligible wages but that do not exceed 5% of eligible wages.

The Company may, in its sole discretion, make a profit sharing contribution to the Plan on behalf of eligible participants. The employer discretionary profit-sharing contribution rate is 3% of eligible compensation of all eligible participants for the year ended June 30, 2022.

**Participant Accounts.** Each participant's account is credited with an allocation of (a) the Sponsor's discretionary contribution and (b) plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The self-directed investment account allows participants to invest in investment holdings of their choice.

PROFIT SHARING PLAN FOR EMPLOYEES OF  
FAIRBANKS NATIVE ASSOCIATION

Notes to Financial Statements, Continued

**Vesting.** Participants are 100% vested in their salary deferrals and Safe Harbor Matching Contributions. Vesting in the Company's contribution is based on years of continuous service. A participant is 100% vested after four years of credited service. In addition, participants automatically become 100% vested upon the attainment of normal and early retirement age, death or disability while being an employee of the Company.

**Notes Receivable from Participants.** Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Delinquent loans are treated as distributions based on terms of the Plan document. No allowance for credit losses has been resourced as of June 30, 2022 and 2021. Principal and interest are paid ratably through regular payroll deductions.

**Benefit Payments** Upon termination of service for any reason, including retirement, death, or disability, participants may elect to receive the vested interest in their accounts as a lump sum distribution, installment distributions, or in annual installments over a period of not more than the participant's life expectancy determined at the time of the distribution. Participants with vested interest exceeding \$5,000 who terminate service due to other reasons may elect to receive a lump sum distribution or defer receipt of benefits. After termination of employment, if the vested amount of the participants account balance does not exceed \$1,000, the vested account balance will be distributed directly to the participant in cash. If the vested amount of the participants account balance is more than \$1,000 but less than \$5,000, the vested account balance will be distributed from the Plan either in form of cash payment or a rollover to an individual retirement account or other qualified plan. Financial hardship withdrawals are permitted, as defined in the plan agreement.

**Forfeited Accounts.** Forfeitures occur when participants terminate employment prior to being fully vested with respect to their employer matching and profit-sharing contributions. The amounts forfeited are used to reduce future employer contributions to the Plan and to pay any administrative expenses. At June 30, 2022 and 2021, forfeited non-vested accounts totaled \$5,906 and \$23,807, respectively. During the year ended June 30, 2022, \$23,204 was used to reduce the employer contributions.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting.** The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates.** The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition.*** The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Interest is recorded as earned on the accrual basis. The common/collective trust fund investments are valued based on the net asset value as determined by using estimated fair value of the underlying assets held in the fund. Net asset value is used as a practical expedient for fair value. Contract value of fully benefit-responsive contracts is equal to principal balance plus accrued interest. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

***Payment of Benefits.*** Benefits are recorded when paid.

***Expenses.*** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The fees charged to the Plan fall into the following categories: investment fees, plan administration fees, and transaction-based fees. If non-transaction-based expenses are paid using the Plan's assets, such fees and expenses are generally allocated to the accounts of participants either proportionally based on the value of their account balance or may be charged equally to each participant. In some cases, certain investment administration fees are deducted directly from investment returns.

**NOTE C – INVESTMENTS CERTIFIED BY ASSET CUSTODIAN**

The administrator of the Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA of 1974. Accordingly, Matrix Trust Company as custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule as complete and accurate:

- (a) Plan investments and cash, as shown in the Statements of Net Assets Available for Benefits;
- (b) Interest and dividend income and net appreciation in fair value of investments, as shown in the Statements of Changes in Net Assets Available for Benefits; and
- (c) All information included in the Schedule of Assets (Held at End of Year) as shown in the supplemental schedule.

**NOTE D – FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board issued authoritative guidance establishing a framework for measuring fair value. That framework provides a fair value hierarchy based on the inputs used to measure fair value and expanding disclosures about the use of fair value measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements), and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1**      Inputs to the valuation are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2**      Inputs to the valuation include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3**      Inputs to the valuation are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurements requires judgment and may affect the valuation of the assets and liabilities being measured and their level within the fair value hierarchy.

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methods used at June 30, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money market funds:* Consists of investments in an institutional money market fund that permits daily redemption, the fair value of which is based upon the quoted price in active markets provided by the financial institution managing this fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methods or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE E – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS**

Certain plan investments are managed by Matrix Trust Company. Matrix Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Any transactions involving these investments are on the open market at fair value. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as exempt party-in-interest transactions.

**NOTE F – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

FAIRBANKS NATIVE ASSOCIATION

Notes to Financial Statements, Continued

**NOTE G – TAX STATUS**

The Plan has adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by CCH Incorporated, DBA Ftwilliam.com which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress.

**NOTE H – RISKS AND UNCERTAINTIES**

The Plan has placed its investments with various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. As part of the Plan's investment strategy, the trustees perform periodic evaluations of the relative credit standing and investment performance of financial institutions.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

**NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

There were no reconciling items from the financial statements to form 5500 for the years ended June 30, 2022 or June 30, 2021.

**NOTE J – ADMINISTRATIVE COSTS**

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, such fees or expenses will generally be allocated to the accounts of participants either proportionally based on the value of their account balances or as an equal dollar amount based on the number of participants in the Plan. Participants may be assessed fees directly associated with the administration of their account.

**NOTE K – SUBSEQUENT EVENTS**

Management has evaluated subsequent events through January 24, 2023, the date which the financial statements were available for issue. No events were identified that would require disclosure according to generally accepted accounting principles.
