Independent Auditors' Report

To the Plan Administrator
Independent Administrative Services, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Independent Administrative Services, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

(1) **Description of Plan**

The following description of Independent Administrative Services, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) **General**

The Plan is a defined contribution plan covering all eligible employees of Independent Administrative Services, LLC (the “Company”, “Plan Administrator”, and “Plan Sponsor”) and was originally adopted January 1, 2003. The Plan operates in compliance with the regulations under the Internal Revenue Code of 1986 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan operates under an agreement with Principal Life Insurance Company (“Principal”) as the plan custodian and recordkeeper. At December 31, 2021 and 2020, all investments and related investment activity are certified by Principal and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company.

An employee is eligible to participate in the Plan on the first day of each month of the plan year. The employee must be 18 or older to participate in the Plan.

(b) **Contributions**

Participants may contribute a percentage of eligible compensation on a pre-tax basis, as defined in the Plan, subject to limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan also provides for “catch-up” contributions subject to Internal Revenue Service limitations. The Plan automatically enrolls participants at 2% of plan compensation once participants are eligible.

The Plan also allows for participants to make Roth 401(k) elective deferrals (“Roth deferrals”) in addition to the pre-tax deferrals. Roth deferrals are subject to federal income tax in the year of the deferral, but the deferrals, and in most cases, the earnings on the deferrals are not subject to federal taxes when distributed.

The Company may elect to make a discretionary matching contribution based on the participant’s elective deferral. During 2021, the Company’s match was 50% of a participant’s deferral up to a maximum of 5% of eligible compensation (and 50% of a participant’s deferral up to a maximum of 6% of eligible compensation for certain acquired employees). Additionally, the Company may also make annual discretionary non-elective contributions based on eligible participants’ compensation.

In order to be eligible to receive the non-elective contributions, the participant must earn at least 501 hours of service during the plan year and be employed by the Company when payment occurs. There were no discretionary non-elective contributions for the year ended December 31, 2021.

INDEPENDENT ADMINISTRATIVE SERVICES, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(1) Description of Plan - Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Allocations are based on participant earnings or account balances, as defined. The Plan allows participants to direct their contributions to any investment option available to the Plan.

(d) Vesting

Participants are immediately vested in their elective contributions plus actual earnings. Participants become fully vested in discretionary matching contributions and non-elective contributions made by the Company plus earnings thereon upon retirement (age 65), at death, upon total and permanent disability, or as described in the following vesting schedule:

<u>Years of Vesting Service</u>	<u>Vesting Schedule</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

(e) Forfeitures

Forfeitures can be used to pay administrative expenses of the Plan or reduce the contributions of the Company. Remaining forfeitures shall be allocated as of the last day of the plan year, using annual compensation for the plan year. As of December 31, 2021 and 2020, there were no unallocated forfeitures. There were approximately \$34,000 in forfeitures used in 2021 to reduce employer match contributions. There were approximately \$14,000 in forfeitures used in 2021 to pay plan expenses.

(f) Payment of Benefits

On termination of service due to death, disability or retirement, a participant shall be 100% vested in their accounts under the Plan. Normal retirement age under the Plan is 65. The Plan provides for benefit distributions by lump-sum payment. The Plan also allows for in-service withdrawals for those 59 ½ or older.

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act was signed into law, related to required minimum distributions and the limitation of lifetime or stretch distributions to remain compliant under the applicable laws and regulations. These provisions were effective beginning January 1, 2020.

INDEPENDENT ADMINISTRATIVE SERVICES, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(1) **Description of Plan - Continued**

(f) **Payment of Benefits - Continued**

Effective March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law, which provided several relief provisions to tax-qualified retirement plans and their participants. The Plan operationally amended the Plan to implement the relief provision under the CARES Act which allowed for special coronavirus-related distributions up to \$100,000. In June 2020, the Internal Revenue Service issued Notice 2020-50, which expanded eligibility for special coronavirus-related distributions under the CARES Act and allowed for repayment of these distributions provided the repayment occurs within three years of receipt of the distribution.

(g) **Notes Receivable from Participants**

Participants may borrow from their vested account balance a minimum of \$1,000 and a maximum of the lesser of 50% of their vested account balance or \$50,000. Participants are permitted to have one loan outstanding at a time. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. The loans are secured by the balance in the participant’s vested account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Participant note interest rates ranged from 4.25% to 9.25% as of December 31, 2021. Principal and interest are paid through payroll deductions.

The Plan operationally amended the Plan to implement the relief provision under the CARES Act which allowed a special notes receivable provision to increase the available loan amount to the lesser of \$100,000 or 100% of the participant’s vested account balance through September 22, 2020. In addition, the provision extended the period for loan repayments up to one year.

(h) **Hardship Withdrawals**

In the event of financial hardship, participants may request a distribution from the Plan to the extent required to satisfy the immediate financial need of the participant. Such distributions are limited to the Vested account of the employee. Qualifications to receive a hardship distribution are outlined in the Plan’s provisions.

(2) **Summary of Significant Accounting Policies**

(a) **Basis of Presentations**

The accompanying financial statements have been prepared on the accrual basis and present the net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT ADMINISTRATIVE SERVICES, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(2) Summary of Significant Accounting Policies - Continued

(b) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments in mutual funds and pooled separate accounts are stated at fair value. The fair value is based on quoted market prices on active markets for the same or similar investments which represent the net asset values of shares held by the Plan at year end.

Net appreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

As of December 31, 2021 and 2020, the Plan offered an investment in a guaranteed account. Plan management identified the Principal Lifetime Guaranteed Income Account (the "guaranteed investment account") to be fully benefit-responsive. As such, this investment is valued at contract value. The guaranteed investment account is general-account backed; group annuity contracts issued by Principal Life Insurance Company. Transactions with participants are at contract value.

The guaranteed investment account contract pays a rate of interest guaranteed by Principal Life Insurance Company which is reset monthly. Changes in future interest crediting rates will not affect the fair value reported on the statement of net assets available for benefits for the portion of net assets attributable to fully benefit-responsive investment contracts.

In certain circumstances, the amount withdrawn from the guaranteed investment account may be payable at fair value, rather than at contract value. These events include termination of participating plans, or an employer-initiated event as defined in the contract. As a result of these events, employer directed withdrawals of the Plan's interest in the guaranteed investment account will be subject to a liquidation charge.

(d) Administrative Expenses

Administrative expenses of the Plan may be paid from the forfeiture account or directly by the Company. Participants of the Plan may be charged with administrative and transaction-based fees on a quarterly basis.

INDEPENDENT ADMINISTRATIVE SERVICES, LLC 401(K) PLAN

Notes to Financial Statements - Continued

(2) **Summary of Significant Accounting Policies - Continued**

(e) **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as a distribution based upon the terms of the plan document. No allowance was necessary as of December 31, 2021 or 2020.

(f) **Risks and Uncertainties**

The Plan provides for various investment options in any combination of investment securities as stated in the plan agreement. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(3) **Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate, at any time, the Plan subject to provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(4) **Tax Status**

The Plan adopted the Principal Life Insurance Company prototype plan, which obtained a favorable opinion letter dated August 8, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) **Trustee and Custodian Certifications of Plan Investments**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the Plan's trustee, and Principal Life Insurance Company, the custodian, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Registered investment companies, at fair value
- Pooled separate accounts, at fair value
- Guaranteed investment accounts, at contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividend income
- Interest income from notes receivable from participants
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(6) **Party-in-Interest**

Certain plan investments were funds managed by Principal. Fees incurred by the Plan for contract administration services paid to Principal were approximately \$237,000 for the year ended December 31, 2021. These transactions qualify as party in interest transactions. As defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

(7) **Excess Contributions Payable**

As of December 31, 2021 and 2020, the Plan owed participants \$0 and \$57,809 of excess deferral contributions as required to satisfy the relevant non-discrimination provisions of the Plan.

(8) **Fair Value Measurements**

The Company applies fair value accounting guidelines under Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, for all financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis (at least annually). Under these guidelines, fair value is defined as the price that would be received for the sale of an asset or paid to transfer a liability (i.e., an exit price) in an orderly transaction between market participants at the measurement date. The guidance establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;
- Level 2: Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability (such as interest rates, volatilities, prepayment speeds, credit risks, etc.), or inputs that are derived principally from or corroborated by market data by correlation or other means;
- Level 3: Unobservable inputs that are supported by little, infrequent, or no market activity and reflect the assumptions that market participants would use in pricing the assets or liabilities.

The fair value hierarchy also requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The assets’ fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in methodologies used at December 31, 2021 and 2020.

Registered Investment Company Accounts

The registered investment company accounts are valued at the net asset value of shares held by the Plan at year end based on quoted market prices.

Pooled Separate Accounts

The pooled separate accounts are valued based upon the net asset value of shares held by the Plan at year-end and are classified as Level 2 investments. The unit value for each separate account investment is based on the underlying assets, which include a mix of mutual funds, collective trusts, and managed accounts. All underlying investment options are valued each day the principal market is open.

(10) Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$19,804 were not remitted within the required time period for the year ended December 31, 2021. The Company is in the process of remitting any lost earnings as a result of these delinquent employee contributions.

(11) Subsequent Events

The Plan's management has evaluated events and transactions for potential recognition or disclosure in the financial statements through January 25, 2023, the date the financial statements were available to be issued.
