INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Neighbors & Associates, Inc. 401(k) Plan
Parsons, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Neighbors & Associates, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA The supplementary schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Auditors' Report on the 2020 Financial Statements We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 30, 2023, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Neighbors & Associates, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of Neighbors & Associates, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering substantially all employees of Neighbors & Associates, Inc., and Alliance Constructors, Inc., a related entity with certain common owners (collectively, the Companies), who have at least six months of service and are age 18 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan was originally established as of October 1, 2005, and has been subsequently amended and restated. The Plan administrator is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and investment performance.

Contributions Participants may elect to contribute to the Plan, in the form of pretax salary deferrals, up to the lesser of 100% of their eligible compensation or the maximum amount allowable by law. Effective January 1, 2020, the Plan was amended to allow Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies may make discretionary matching contributions. The Companies made discretionary matching contributions of \$207,635 and \$164,812 for the years ended December 31, 2021 and 2020, respectively. The Companies may make discretionary nonelective profit sharing contributions as determined by the Companies' Board of Directors. The Companies made no discretionary nonelective profit sharing contributions for the years ended December 31, 2021 and 2020.

Automatic Enrollment Employees eligible to participate in the Plan are automatically enrolled upon meeting the eligibility requirements noted above. Unless otherwise directed, the rate of deferral upon enrollment is 3% of eligible compensation on a pre-tax basis, to be invested in specific pre-selected investment offerings based on a participant's estimated time to retirement.

Participant Accounts Each participant's account is credited with the participant's contributions, the Companies' contributions, and account earnings, and may be charged with an allocation of administrative expenses that are paid by the Plan. Discretionary nonelective profit sharing contribution allocations are based on a participant's eligible compensation relative to total compensation for all eligible participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Participants are immediately fully vested in all contributions and earnings thereon.

Notes Receivable From Participants Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable repayment terms generally may not exceed five years, except in the case of the purchase of a primary residence. The notes receivable are secured by the balances in the participants' accounts. The notes receivable interest rate, determined weekly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Payment of Benefits Withdrawals are allowed in the event of termination, disability, death, retirement, or attainment of age 59½. Depending on the event, the withdrawal may be subject to early withdrawal penalties imposed by the *Internal Revenue Code* (IRC). Payments are made in the form of a lump-sum distribution.

As of December 31, 2021 and 2020, there were no amounts allocated to participants who elected to withdraw from the Plan but have not yet been paid.

Plan Termination Although it has not expressed any intent to do so, the Companies have the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The Plan uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the custodian. Fair value measurements are discussed below.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Neighbors & Associates, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: The underlying assets of the pooled separate accounts consist of mutual funds known as sub-accounts. Each sub-account invests in shares of an underlying mutual fund. Sub-accounts are measured in terms of accumulation units. The sub-accounts are valued based on the quoted market prices of the mutual funds. Certain fund fees, expenses, and administration charges (if any) are deducted from the value of the mutual funds to arrive at the value of the sub-accounts. The accumulation units are valued at net asset value on a daily basis. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the pooled separate accounts, the investment advisor reserves the right to temporarily delay withdrawal from the pooled separate accounts, in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments at December 31, 2020.

Investment in Insurance Company General Account (General Account): The investment in the general account is valued at the sum of the deposits made plus accrued interest. The interest rate paid by the general account is declared on each January 1 and July 1, and the new rate is applied daily to the outstanding balance of the investment. There is no stated minimum or maximum interest rate. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the investment, the insurance company reserves the right to temporarily delay, for up to 30 days, withdrawal from the investment in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments at December 31, 2020.

Collective Trusts: The collective trusts maintained by Principal Trust Company (Principal), a party in interest, are a pool of investments of which the Plan buys and sells units of participation that generally imitate established mutual funds. The underlying investments consist of separate accounts, mutual funds. The Plan's valuation estimates are based on the contract and market values of the underlying investments. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the collective trusts, Principal reserves the right to temporarily delay withdrawal from the trust, in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2021.

Neighbors & Associates, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The collective trusts maintained by Comerica Bank and Trust are a pool of investments of which the Plan buys and sells units of participation that generally imitate established mutual funds. The underlying investments consist of mutual fund shares, shares of other collective investment trusts, separate account shares, exchange-traded fund shares, money markets, and stable value products. The Plan's valuation estimates are based on the contract and market values of the underlying investments. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the collective trusts, Principal reserves the right to temporarily delay withdrawal from the trust, in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2021.

Mutual Funds: Assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See note 4 for the classification of these assets within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable From Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. No allowance for credit losses was recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits Benefits are recorded when paid.

Expenses Certain operating expenses of the Plan are deducted from participant accounts and the remaining expenses are paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events The Plan has evaluated subsequent events through January 30, 2023, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the investments and notes receivable from participants included in the statements of net assets available for benefits, and the investment income (loss) and interest income on notes receivable from participants included in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2021 and 2020, were not subject to auditing procedures and have been certified as complete and accurate by Principal and Transamerica Life Insurance Company (Transamerica). Transamerica's certifications covered the Plan from January 1, 2020, through November 30, 2021, while Principal's certifications covered the Plan from December 1, 2021, through December 31, 2021.

4. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value.

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 962,791	\$ -	\$ -	\$ 962,791
Collective trusts	-	14,835,557	-	14,835,557
Investments at Fair Value	\$ 962,791	\$ 14,835,557	\$ -	\$ 15,798,348

December 31, 2020	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 13,068,303	\$ -	\$ 13,068,303
Investment in insurance company general account	-	236,174	-	236,174
Investments at Fair Value	\$ -	\$ 13,304,477	\$ -	\$ 13,304,477

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Transamerica from January 1, 2021, through November 30, 2021; and by Principal from December 1, 2021, to December 31, 2021. Principal and Transamerica are the custodians as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions.

The custodians provide certain administrative services to the Plan pursuant to an agreement between the Companies and the custodians. The custodians receive revenue from mutual funds and other service providers for services the custodians provide to the funds. This revenue is used to offset certain amounts owed to the custodians for administrative services to the Plan.

Neighbors & Associates, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment. If the revenue received by the custodians from investment providers exceeds the amount owed under the agreement, the custodians remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or the Companies may make a payment to the custodians for administrative services not covered by revenue sharing.

6. TAX STATUS

The Plan has adopted a volume submitter profit sharing plan established by Principal Life Insurance Company. The volume submitter plan obtained an opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the form of the volume submitter plan, as then designed, was acceptable under Section 401 of the IRC. Although the Plan has been amended since adopting the volume submitter plan, the Plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax exempt.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

8. SUBSEQUENT EVENT

Effective July 5, 2022, the Plan was restated as required by the IRS under the Cycle 3 DC restatement. There were no significant changes to the Plan operations related to this restatement.
