INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Defined Contribution Plan of the Mid-Jersey Trucking
Industry and Teamsters Local 701 Pension and Annuity Fund
North Brunswick, New Jersey

Opinion

We have audited the financial statements of Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local Pension and Annuity Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of May 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local Pension and Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local Pension and Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Defined Contribution Plan of the Mid-Jersey Trucking
Industry and Teamsters Local 701 Pension and Annuity Fund
North Brunswick, New Jersey

Opinion

We have audited the financial statements of Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local Pension and Annuity Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of May 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local Pension and Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local Pension and Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DEFINED CONTRIBUTION PLAN OF THE MID-JERSEY TRUCKING INDUSTRY AND TEAMSTERS LOCAL 701 PENSION AND ANNUITY FUND

Notes to Financial Statements

(1) Description of the Plan

The following brief description of the Defined Contribution Plan of the Mid-Jersey Trucking Industry and Teamsters Local 701 Pension and Annuity Fund (the "Plan") is provided for general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan is a multiemployer collectively bargained defined contribution pension plan. The Plan operates as a trust to provide benefits to participants who, during active employment, were covered employees of participating employers under collectively bargained agreements with the Union or participation agreements with the Plan. The administration of the trust is the responsibility of a Board of Trustees, comprised of union and employer trustees. The investments of the Plan are managed by an investment advisor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Employers' Contributions - The Plan is supported by the contributions made by participating employers under the terms of certain collective bargaining agreements and participation agreements.

Benefits - Participants are entitled to have contributions credited to their individual account upon completion of five hundred and one (501) hours of work in a consecutive six month period. Individual accounts are increased by employer contributions and by a proportionate share of the Plan's net investment return and are decreased by the Plan's administrative expenses assessed on a uniform basis. If administrative expenses exceed net investment return, such excess shall be deducted from the principal of the account.

Eligibility to collect benefits from the Plan begins at the end of a consecutive three month period during which no employer contributions are made on the individual's behalf. Individuals eligible to receive benefits may choose to be paid in one of the following manners:

- lifetime husband and wife annuity;
- lump sum;
- equal monthly installments until the individual account is exhausted, not to exceed ten years; or combination of a lump sum and equal monthly installments.

Participant Accounts - The Plan provides for an individual account to be established for each employee participant who has worked for eligible employers under the provisions of the plan document. Employers shall make contributions to the Plan in such amounts as required by the collective bargaining agreements and participation agreements. As soon as practicable after the Valuation Date, the balance in each participant's account shall be determined and investment income shall be allocated to each participant account. Administrative expenses deducted are uniformly applied to each individual participant account.

(2) Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year. Certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Employer Contributions Receivable - The Plan's policy is to recognize contributions based on the latest executed collective bargaining agreement on an individual employer basis. Contributions from participating employers are based on an agreed upon hourly rate and are payable to the Plan during the subsequent month. Contributions due but not paid prior to year-end are recorded as contributions receivable. The Plan evaluates participating employers' contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection. As of May 31, 2022 and 2021, the Plan did not record any allowance for employers' contributions receivable.

The Board of Trustees has established a program to review participating employer records in order to determine compliance with contribution provisions of the collective bargaining agreement. As a result of this program, previously unreported contributions are identified related to current and prior fiscal years. However, due to the collection efforts required by the Plan, including litigation, the ultimate realization of any additional contribution receivable cannot be reasonably estimated until the collection process is completed. Accordingly, the Plan primarily recognizes these previously unreported contributions in the fiscal year in which the settlement proceeds are received.

Property and Equipment - If an expenditure exceeding \$1,000 results in an asset having an estimated useful life that extends beyond the year of acquisition, the expenditure is capitalized. Property and equipment is stated at cost and is depreciated using the straight line method over the estimated useful lives of the assets.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. The Plan shares certain administrative expenses with related ERISA plans. In computing these allocated costs, various factors were considered, including the time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the other plan. Certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events - The Plan has evaluated subsequent events through January 30, 2023, the date on which the financial statements were available to be issued.

Notes to Financial Statements

(3) Property and Equipment

Property and equipment as of May 31, 2022 and 2021 consists of the following:

	<u>2 0 2 2</u>	<u>2 0 2 1</u>
Office Equipment	\$ 27,311	\$ 25,424
Less: Accumulated Depreciation	<u>(24,430)</u>	<u>(23,023)</u>
<u>Net Property and Equipment</u>	<u>\$ 2,881</u>	<u>\$ 2,401</u>

Depreciation expense amounted to \$1,407 and \$1,360 in fiscal 2022 and 2021, respectively.

(4) Fair Value Measurements

Financial Accounting Standards Board ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1-Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets, that the Plan has the ability to access.

Level 2-Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3-Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(4) Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2022 as compared to 2021.

Interest Bearing Cash - Valued using amortized cost, which approximates fair value.

Common Stocks - Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds - Valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2022 and 2021.

	<u>Assets at Fair Value as of May 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest Bearing Cash	\$ 79,156	\$ --	\$ --	\$ 79,156
Common Stocks	5,293,047	--	--	5,293,047
Mutual Funds	<u>8,397,430</u>	<u>--</u>	<u>--</u>	<u>8,397,430</u>
<u>Total Investments at Fair Value</u>	<u>\$ 13,769,633</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 13,769,633</u>
	<u>Assets at Fair Value as of May 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest Bearing Cash	\$ 63,717	\$ --	\$ --	\$ 63,717
Common Stocks	6,009,624	--	--	6,009,624
Mutual Funds	<u>9,245,215</u>	<u>--</u>	<u>--</u>	<u>9,245,215</u>
<u>Total Investments at Fair Value</u>	<u>\$ 15,318,556</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 15,318,556</u>

Changes in Fair Value Levels - The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended May 31, 2022 and 2021, there were no significant transfers in or out of levels 1, 2 or 3.

(5) Transactions with Related Parties

Allocation of Common Expenses - The Plan currently shares common facilities and personnel with two other related Plans of the Highway and Local Motor Freight Drivers, Dockmen and Helpers Local Union No. 701, Teamsters Local 418 Pension Fund ("418 Pension Fund"), and Bakery Drivers and Salesmen Local 194 and Industry Pension Fund ("194 Pension Fund"); (collectively the "Plans"). Expenses including payroll and related fringe benefits, rent and utilities, office and computer supplies and maintenance as well as other costs for goods and services are allocated among the Plans.

Payroll costs are initially paid from the Mid-Jersey Trucking Industry and Teamsters Local 701 Welfare Fund ("701 Welfare Fund") and the expenses are then allocated among the Plans. Common administrative expenses are initially paid from the 701 Welfare Fund and the Defined Benefit Plan of the Mid-Jersey-Trucking Industry and Teamsters Local 701 Pension Fund ("701 Pension Fund") and then also allocated among the Plans. Each Plan is charged for its allocated share of the rent plus utilities for the office facilities occupied by the Plans. For the years ended May 31, 2022 and 2021, the total expenses allocated to the Plan were \$73,780 and \$59,431, respectively.

At May 31, 2022 and 2021, the balances due (to) and from the Plans were:

	May 31,	
	2022	2021
701 Welfare Fund	\$ (3,728)	\$ (4,205)
701 Pension Fund	<u>(2,703)</u>	<u>(723)</u>
<u>Totals</u>	<u>\$ (6,431)</u>	<u>\$ (4,928)</u>

(6) Termination of the Plan

The Plan may be terminated by the Board of Trustees only with the consent of Teamsters Local 701 and the participating companies, and in such event, all of the funds of the Plan shall be used for the exclusive benefit of the participants under the Plan.

In the event of termination of the Plan, individuals under the Plan will have a nonforfeitable right to the balance in their individual account after reduction for expenses. No part of the Plan assets will be returned to any employer or Teamsters Local 701.

(7) Income Taxes

The Internal Revenue Service has determined and informed the Plan by letter dated July 17, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan's Trustees and legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

(8) Lease Commitment

The Plan occupies office space in the building owned by Local 701 Pension Fund Realty Co. LLC, a New Jersey limited liability company. Although no formal lease agreement exists, the Plan is charged its allocated share of rent plus utilities and real estate taxes. Allocated rent expense was \$7,111 and \$7,393 for the years ended May 31, 2022 and 2021, respectively.

(9) Significant Employers

During the years ended May 31, 2022 and 2021, the Plan had the following employers which individually represented 10% or more of total employer contributions:

	<u>2 0 2 2</u>	<u>2 0 2 1</u>
Employer A	43%	56%
Employer B	<u>27%</u>	<u>14%</u>
<u>Totals</u>	<u>70%</u>	<u>70%</u>

(10) Risks and Uncertainties

Investment Risks - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.
