Independent Auditor's Report

To Plan Administrator and Those Charged with Governance
MEMBERS 401(k) Advantage
Palm Beach Gardens, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of MEMBERS 401(k) Advantage (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the institution, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of MEMBERS 401(k) Advantage and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the MEMBERS 401(k) Advantage's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the MEMBERS 401(k) Advantage's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the MEMBERS 401(k) Advantage's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company. In our report, dated December 29, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of MEMBERS 401(k) Advantage (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a multiple employer defined contribution plan established on January 1, 2013, amended and restated through the years to comply with tax legislation and maintained by MEMBERS Benefits Corporation (the Sponsor) to provide retirement benefits for employees of participating employers covered under individual employer adoption agreements. The Plan is sponsored by MEMBERS Benefits Corporation. Eligible employers who are members of the Florida Retail Federation may adopt the Plan by way of an adoption agreement (Adopting Employers). The Plan qualifies as a multiple employer plan as described in Section 413(c) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Each Adopting Employer may designate the parameters for eligibility requirements and participation in the Plan as well as employer contributions, if any. Eligible employees of the Adopting Employers may enter the Plan on various entry dates coinciding with or following the date on which the employees meet the eligibility requirements as outlined within their respective Adopting Employer's specific terms and conditions. Entry dates can be immediately upon employment, monthly, quarterly or semi-annually.

The Plan is administered by designated management of the Sponsor. The Plan's Trustee Committee is responsible for oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance. The Plan uses Great-West Life & Annuity Insurance Company and Great-West Trust Company (collectively, Great-West or the Trustee) for recordkeeping and trust services. Participant and Adopting Employer contributions are held and managed by the Trustee who invests cash received, interest and dividend income, and makes distributions to participants (subject to the direction of the participants).

Contributions

Each year, participants in the Plan may voluntarily contribute an amount of annual compensation as elected by their Adopting Employer, within the limits prescribed by the Internal Revenue Service (IRS). For the year ended December 31, 2021, individual participants' contributions were limited to \$19,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the year ended December 31, 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their contribution percentages at any time or may elect to completely suspend contributions at any time. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan also provides for Roth 401(k) elective deferrals, if elected by Adopting Employers.

Each Participating Employer elects the level of safe harbor, matching, discretionary or profit-sharing contributions at an amount determined in accordance with the formula specified in the adoption agreement, elected by the Participating Employer.

Participating Employer contributions, if any, are recorded in the year for which the contributions apply. Aggregate Participating Employer contributions for the year ended December 31, 2021 amounted to \$3,908,926. Participating Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions. Contributions are subject to certain IRS limitations.

Note 1 – Description of Plan, Continued

Participant accounts

Each participant's account is credited with the participant's contributions and their Participating Employer's matching contributions as well as allocations of their Participating Employer's profit-sharing contributions, (if any), and Plan earnings or losses. Participant accounts are charged with his or her withdrawals and an allocation of administrative expenses paid directly by the Plan. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant contributions are participant-directed and may be invested into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions and their Participating Employer's safe harbor contributions, if any, plus actual earnings or losses thereon. Vesting in the Participating Employer discretionary or profit-sharing contributions made on behalf of a participant, and earnings or losses thereon, is based in accordance with the schedule specified in the corresponding Participating Employer's adoption agreement. Vesting schedules vary based on the Participating Employer's elections. Participant accounts become fully vested upon reaching normal retirement age (65), death, disability, or termination of the Plan.

Forfeitures

Nonvested forfeited accounts may be used to reduce Plan administrative expenses or offset Adopting Employer contributions. For the year ended December 31, 2021, forfeitures totaling \$15,464 were used to reduce Adopting Employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts available for use approximated \$181,000 and \$169,000, respectively.

Participant notes receivable

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in a participant's account and bear interest at local prevailing rates, as determined quarterly and as of the date of the loan request. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed thirty years. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Principal and interest are repaid through regular payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump-sum distribution. Participants with vested amounts less than \$5,000 must elect a lump-sum distribution. Funds may also be accessed prior to the date they become distributable by way of a financial hardship in accordance with IRS guidelines. Participants may also withdraw their vested account balances at any time on or after age 59½.

Administrative expenses

The Plan allows certain administrative expenses to be paid directly from Plan assets. Certain administrative expenses of maintaining the Plan are paid directly by the Participating Employers and are not reflected in these financial statements. Investment management fees are charged to the Plan as a reduction of investment return and included in investment income reported by the Plan.

CARES Act

In March 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated and implemented certain provisions of the CARES Act.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts which are at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Trustee.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences could be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the financial statements.

Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the note receivable balance is reclassified and a benefit payment recorded.

Payment of benefits

The Plan records benefits when paid.

Note 2 – Summary of Significant Accounting Policies, Continued

Plan administration

The management and administration of the Plan is the responsibility of the Sponsor and its designee. The Plan's assets are maintained by Great-West Life Annuity Insurance Company and Great-West Trust Company, LLC (collectively, the Trustee) as of and for the year ended December 31, 2021. The Trustee invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants).

The Sponsor contracted with Pentegra Services, Inc. for fiduciary and third-party administrative services.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan has determined it does not have any positions at December 31, 2021 that it would be unable to substantiate.

Note 3 – Investment Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, collectively the Trustee, are qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and participant notes receivable as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

MEMBERS 401(k) ADVANTAGE

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

A financial investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020. During the year ended December 31, 2021, there were no transfers of financial instruments into or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – valued at quoted market prices, which represent their daily net asset value (NAV) and, therefore, classified as Level 1. Mutual funds held by the Plan are open-end mutual funds that are traded on national exchanges (active markets).

Self-directed brokerage accounts - valued at the closing price reported in active markets on which the individual securities are traded and are classified as Level 1 within the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Fair Value Measurements as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 124,539,889	\$ -	\$ -	\$ 124,539,889

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Group Annuity Contract with Insurance Company

The Plan has a traditional fully benefit-responsive investment contract with Great-West Life and Annuity Insurance Company (GWL&A) offered through a group annuity contract, in the Guaranteed Interest Fund (GIF). As of December 31, 2021 and 2020, GIF's contract value was \$8,659,030 and \$8,898,088, respectively. GWL&A maintains the contributions in a general account. The account is credited with earnings in the underlying investments and changed for participant withdrawals and administrative expenses.

Participant's principal and interest are fully guaranteed by the general accounts of GWL&A. The methodology for calculating the interest crediting rate is based on the earnings on the underlying investments, in the entire medium-long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The crediting interest rate is established quarterly by GWL&A. GWL&A is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract does not permit GWL&A to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Under the terms of the investment contract, participants may direct the withdrawal or transfer transactions of all or a portion of their balance in the investment option at contract value. Contract value, as reported to the Plan by GWL&A, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses.

The Plan's ability to receive amounts due is dependent on GWL&A's ability to meet its financial obligations. GWL&A's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value. Such events include, but may not be limited to, amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Sponsor or other Sponsor events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract. The Plan Administrator does not believe any events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow GWL&A to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation or a material amendment to the agreement without consent of GWL&A.

Note 6 – Related Party and Party-In-Interest Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Sponsor, Adopting Employers and certain others. The Plan's investments include shares of certain mutual funds, and a group annuity contract managed, administered and/or issued by the Great-West Life and Annuity Insurance Company and Great-West Trust Company, (collectively, the Trustee or Great-West). Therefore, transactions with Great-West and its affiliates qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 6 – Related Party and Party-In-Interest Transactions, Continued

Empower Retirement, LLC (Empower) is the Plan's recordkeeper and an affiliate of the Trustee. Therefore, transactions with Empower qualify as party-in-interest transactions.

Great-West receives revenue from service providers for services Great-West provides to the mutual funds. This revenue is used to offset certain amounts owed to Great-West for its administrative services. Fees incurred for the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

During 2021, the Plan paid approximately \$282,000 directly to other service providers for advisory, legal, auditing and third-party administrator fees.

Note 7 – Refunds Payable for Excess Contributions

During 2021 and 2020, the Plan received contributions from participants in excess of Plan and IRS limitations. Such excess contributions were refunded to participants in each of the subsequent years.

Note 8 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in the Participating Employer contribution portion of their accounts.

Note 10 – Plan Transfers

In the normal course of business, the Sponsor adds Participating Employers, and assets from the individual qualified plans that the added Participating Employers previously sponsored are transferred into the Plan, when administratively feasible to do so. Likewise, as Participating Employers leave the Sponsor and adopt different qualified plans, assets attributable to these outgoing Participating Employers are transferred out of the Plan.

Note 11 – Tax Status

On March 31, 2014, the IRS stated that the Volume Submitter profit-sharing plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the Plan and the related trust are tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since adoption, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 12 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits as shown on Form 5500 at December 31, 2021 and 2020 and for the year ended December 31, 2021, with the amounts shown in the financial statements:

	2021	2020
Net assets available for benefits – Form 5500	\$ 140,444,427	\$ 125,170,757
Reconciling items:		
Participant contributions receivable	156,908	344,386
Employer contributions receivable	532,603	268,674
Refunds payable for excess contributions	<u>-</u>	<u>(52,179)</u>
Net assets available for benefits – financial statements	<u>\$ 141,133,938</u>	<u>\$ 125,731,638</u>
	<u>2021</u>	
Change in net assets – Form 5500	\$ 15,273,670	
Reconciling items:		
Participant contributions	(187,478)	
Employer contributions	263,929	
Benefits paid	<u>52,179</u>	
Change in net assets – financial statements	<u>\$ 15,402,300</u>	

Note 13 – Delinquent Participant Contributions

For the years ended December 31, 2021 and 2020, certain Participating Employers were untimely in remitting certain participant contributions and loan repayments in the amount of \$99,412 and \$79,559, respectively. Late remittances of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. Delays in remitting contributions to the Plan were due to administrative errors. The Participating Employers remitted the delinquent participant contributions, as well as related matching contributions, if any, in 2021 and 2020. Participating Employers will reimburse the affected participants' accounts to compensate those participants for lost income due to the delays. As of the date of this report, the 2021 and 2020 late remittances have not been corrected.

Note 14 – Subsequent Events

Subsequent to December 31, 2021, the Plan was amended and restated on January 1, 2022 to comply with certain tax legislation.

The Plan evaluated events occurring subsequent to December 31, 2021 through January 24, 2023, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
