INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Management of
Select Dental Management Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Select Dental Management Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Select Dental Management Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 Financial Statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Select Dental Management Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance that is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Select Dental Management Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Select Dental Management Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedules Required by ERISA

The supplementary Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2020 Financial Statement

Plan management is responsible for the accompanying financial statement of Select Dental Management Retirement Plan, which comprise the statement of net assets available for benefits, as of December 31, 2020. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. SELECT DENTAL MANAGEMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of Select Dental Management Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a participant-directed defined contribution plan established to provide retirement benefits for all employees of Select Dental Management, LLC (the Plan Sponsor). The Plan has an original effective date of October 12, 2015 and was restated June 20, 2019. The Plan did change its name from Jonathan E. Mason DMD PC 401(k) Plan to Select Dental Management Retirement Plan effective June 20, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan's third-party administrator, Employee Fiduciary LLC, is responsible for oversight of the Plan, determining the appropriateness of the Plan's investments and monitoring investment performance. The custodian of Plan assets is the Matrix Trust Company and the record keeper is Fidelity Information Services, LLC.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted into law. The CARES Act provides immediate and temporary relief for retirement Plan Sponsors and their Participants. The Plan did not elect to adopt any of the provisions of the CARES Act.

ELIGIBILITY

All employees of the Plan Sponsor or any affiliate that has adopted the Plan are considered eligible to participate in the Plan (Participants). Employees become eligible on the date the first hour of service is performed.

PARTICIPANT CONTRIBUTIONS

Participants may elect to contribute between 1% and 100% of pre-tax or post-tax (Roth) annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (Rollovers).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, individual participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

INVESTMENT OPTIONS

Participants may direct their contributions into any of the funds offered by the Plan, which are held at Matrix Trust Company, the custodian of the Plan. These funds include a variety of investment options with various objectives and degrees of financial risk. Participants may change their investment options at their discretion.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to thirty years. The loans are secured by the balance in the participants' accounts and bear interest at rates that range from 4.25% to 7.50%, which are commensurate with local prevailing rates, as determined by the Plan administrator. Participants may only have one loan outstanding at any given time. Generally, principal and interest rate are repaid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a single lump sum cash payment. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of participant. If the participant's balance exceeds \$1,000, the Plan administrator may roll the amount into an individual retirement account on behalf of the participant with the consent of the participant.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

The Plan also provides for in-service withdrawals with certain limitations set by the Plan, for participants who have attained the age of 59½. Upon financial hardship, a participant is entitled to the value of his or her deferral and rollover contribution accounts, which is payable immediately in a lump-sum distribution. Due to changes in legislation, beginning January 1, 2021, the minimum six-month suspension of employee contributions previously imposed following a hardship was lifted.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

USE OF ESTIMATES

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's trust. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits payments to participants are recorded when paid.

SELECT DENTAL MANAGEMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net depreciation of investments presented in the accompanying statement of changes in net assets available for benefits.

SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 24, 2023, the date the financial statements were available to be issued. Aside from what is mentioned in Note 6, there were no additional subsequent events that require recognition or disclosure in the financial statements.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021 and 2020, and net depreciation in fair value of investments and dividend and interest income for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company, the custodian of the Plan. The information has not been audited by the Plan's independent auditors.

SELECT DENTAL MANAGEMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes to methodologies used at December 31, 2021 and 2020.

Mutual funds and money market: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these mutual funds can be redeemed daily upon request.

Mutual funds	<u>864,314</u>	<u>--</u>	<u>--</u>	<u>864,314</u>
Investments at Fair Value	<u>\$ 1,165,973</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 1,165,973</u>

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Investment and administrative expenses paid by the Plan to the Matrix Trust Company, the custodian, and Employee Fiduciary, LLC, the third-party administrator, totaled \$1,138 for the year ended December 31, 2021. Certain employees of the Plan Sponsor who participate in the Plan perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Effective May 16, 2022, the Plan Sponsor has elected to terminate this plan and merge into the ADP TotalSource Retirement Savings Plan, which is subject to the provisions of ERISA. This is not a distributable event so participant accounts were not affected individually or in the aggregate.

SELECT DENTAL MANAGEMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 7 – TAX STATUS

The Plan has adopted a non-standardized plan that received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) that it was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended, the Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan did not have any uncertain tax positions as of December 31, 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 – RISK AND UNCERTAINTIES

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – NONEXEMPT PROHIBITED TRANSACTIONS

For 2021 and 2020, the Plan Sponsor failed to remit \$291,254 and \$6,785 of employee deferral contributions, respectively, for participants for certain payroll periods with the Department of Labor regulations. These are deemed prohibited transactions in accordance with ERISA and the IRC. The Plan Sponsor corrected the 2020 prohibited transactions by depositing lost earnings.
