Independent Auditor's Report

To Management and Participants  
Dubose Strapping, Inc. 401(k) Plan  
Clinton, North Carolina

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Dubose Strapping, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Dubose Strapping, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dubose Strapping, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dubose Strapping, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dubose Strapping, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2021 and Schedule of Delinquent Contribution for the year ending December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their

form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### NOTE A - DESCRIPTION OF PLAN

The following description of the Dubose Strapping, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age eighteen or older. Effective January 1, 2021, the plan was amended to allow for coverage of employees once they have achieved three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions - A participant may, but is not required to, make "pre-tax" contributions of their compensation to the Plan up to the maximum amount under IRS regulations. The Company makes matching contributions equal to 25% of the first 6% of an employee's deferred compensation. The Company may also elect to make a discretionary profit-sharing contribution. Effective, January 1, 2021, the plan was amended to allow for a safe harbor match of 100% of the first 3% of deferrals and 50% of deferrals exceeding 3%, with a maximum match of 4%. Participants are allowed to transfer or rollover funds into the Plan from other qualified plans. Additionally, the plan allows for match true-up contributions annually at year-end.
3. Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's matching, discretionary profit-sharing, and safe harbor contributions, and an allocation of the Plan earnings. Participants are also charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.
5. Payment of Benefits - Payment of benefits for retirees shall begin no later than April 1 of the calendar year following the calendar year in which the participant attains the age of 72. Participants become 100% vested and their designated beneficiaries are entitled to a total distribution of the interest in their accounts upon termination due to death or disability. On termination of employment, a participant may receive a distribution equal to the vested value of the account. The distribution is mandatory if the vested account balance is \$5,000 or less.
6. Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$1,040 and \$10. Forfeited nonvested accounts may be used first to reduce expenses of the Plan and also to reduce any employer contribution. During 2021, \$2,495 of the forfeited nonvested accounts were used to reduce employer match contributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

The financial statements of the Plan are prepared under the accrual method of accounting.

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

For comparability, the December 31, 2020 amounts have been reclassified, where appropriate, to conform to the financial statement presentation used for 2021.

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value at December 31, 2021 and 2020. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Accounting Standards Update ("ASU") No 2015-12 *Plan Accounting*, establishes that fully benefit responsive investment contracts held by a defined-contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits are recorded when paid.

NOTE C - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") Topic 820 *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical investments and have the highest priority, Level 2 inputs are readily available and observable but the investments are not traded on an active market, and Level 3 inputs have no significant observable market inputs and have the lowest priority.

DUBOSE STRAPPING, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE C - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* The fair value of mutual fund investments is based on quoted net asset values of the shares traded on an active market and held by the Plan at year-end.

*Common Collective trust funds:* These investments are stated at fair value based on the net asset value ("NAV") of units held by the Plan at year-end, as calculated by the issuer. The NAV is calculated based on the fair value of the underlying assets owned by the funds, minus its liabilities, divided by the number of outstanding units. The NAV is used as a practical expedient to estimate fair value.

The Plan did not have any significant transfers between Level 1 and Level 2 during the year ended December 31, 2021. The Plan's investments at December 31, 2021 and 2020 are classified as follows:

|                                              | Assets at Fair Value as of December 31, 2021 |         |         |             |

\*Certain investments that are measured at NAV per share (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

Investments for which fair value is based on the NAV practical expedient were \$7,097,437 and \$3,419,267 as of December 31, 2021 and 2020, respectively. None of these investments have unfunded commitments. Additionally, there is no redemption notice period and units are redeemed on a daily basis.

### NOTE D - INVESTMENTS

All investments of the Plan are participant directed. All investment information disclosed in the accompanying financial statements and schedule including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, dividends and investment expenses for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great West Trust Company, LLC ("Great West") and Reliance Trust Company ("Reliance Trust"), trustees of the Plan.

### NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY

As of December 31, 2020, the Plan had a fully benefit responsive investment contract held within the Key Guaranteed Portfolio Fund with Great West. Great West maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charges for participant withdrawals and administrative expenses.

DUBOSE STRAPPING, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

The guaranteed investment contract issuer was contractually obligated to repay the principal and a specific interest rate that was guaranteed to the Plan.

The guaranteed investment contract was fully benefit-responsive; therefore, it was reported at contract value. Contract value, as reported to the Plan by Great West, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants occurred.

The guaranteed investment contract allowed for the contract to be terminated with at least 60 days advance written notice or due to termination of the Plan and upon distribution of the assets. With the change in trustee, proper notice was provided and during 2021, all participants transferred their investments out of this contract.

NOTE F - TAX STATUS

Effective January 1, 1997, the Company adopted the "Qualified Retirement Plan Services, Inc. Standardized 401(k) Profit Sharing," which has been approved by the Internal Revenue Service. The IRS has determined and informed the plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). This plan was in place until plan assets were transferred to a new plan effective March 9, 2020.

DUBOSE STRAPPING, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE F - TAX STATUS (continued)

Effective January 30, 2020, the Company adopted the “Automated Data Processing Defined Contribution Non-Standardized 401(k) Profit Sharing Plan,” which has been approved by the Internal Revenue Service. The IRS has determined and informed the plan sponsor by a letter dated July 16, 2014, that the Plan and related trust are designed in accordance with applicable section of the Internal Revenue Code (IRC). Assets were transferred into this plan effective March 9, 2020.

Although the Plans have been amended since receiving the determination letters, the plan administrator and the plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE H - ADMINISTRATIVE EXPENSES

Administrative expenses associated with plan administration, investment-related expenses and specific plan transactions were paid by the Plan in 2021. Certain expenses of maintaining the Plan are also paid by the Company.

NOTE I - ERISA BONDING REQUIREMENT

Under ERISA, each fiduciary of the Plan and every person who handles funds or other property of the Plan must be bonded. For 2021, the fidelity bond covering the Plan was \$500,000.

NOTES TO FINANCIAL STATEMENTS

NOTE J - RELATED PARTY TRANSACTIONS

Certain plan investments are managed by Reliance Trust, who as trustee is a party-in-interest to the Plan. The amount in the fund managed by Reliance Trust at December 31, 2021 and 2020 was \$2,052,157 and \$814,722, respectively. Additionally, fees paid by the Plan to related parties amounted to \$38,382 for the year ended December 31, 2021.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE K – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

### NOTE M – EXCESS CONTRIBUTION LIABILITY

Contributions received from participants and employers for 2020 are net of payments of \$112,921 made in 2021 to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provision of the Plan. These amounts are included in the Plan's statement of net assets available for benefits as excess contribution liabilities at December 31, 2020.

With the implementation of the safe harbor plan for 2021, there is no excess contribution liability as of December 31, 2021

### NOTE N – PLAN AMENDMENT

The Plan adopted the provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") and the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") as interim amendments during 2020. These were effective January 1, 2020 and April 6, 2020, respectively. The SECURE Act allows for in-service withdrawals for childbirth and adoption as well as an increase in the required minimum distribution age to 72. The CARES Act allows for additional distribution flexibility for financial needs related to COVID. The plan document was formally restated subsequent to year-end, effective May 1, 2022.

DUBOSE STRAPPING, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE N – PLAN AMENDMENT (continued)

Three plan amendments were adopted during 2021. Effective January 1, 2021, eligibility requirements changed to three months for elective deferrals and six months for matching and profit sharing. The Plan adopted a safe harbor matching contribution under which the Company will match 100% of the first 3% of the participant's compensation, plus 50% of the amount of elective deferrals that exceed 3% but do not exceed 5% of the participant's compensation. Effective January 15, 2021, the Plan was amended for eligibility and vesting purposes as it relates to employees of a company purchased by the plan sponsor. Effective October 1, 2021, eligibility requirements changed to three months for all contributions.

NOTE O – DELINQUENT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During 2021, the contribution for the January 8, 2021 payroll was not transferred to and accepted by the trustee until June 27, 2022, which exceeded the 15-business day limitation. Total contributions for the January 8, 2021 pay period were \$14,485, of which \$9,681 represented employee contributions and \$4,804 represented the Company's matching contributions. Contributions for this pay period are considered a prohibited transaction. The Company made an interest payment of \$84 to compensate the plan for the lost investment earnings relating to this prohibited transaction.

NOTE P – PARTY IN INTEREST TRANSACTIONS

During 2021, the plan sponsor did not remit certain participant contributions to the plan in a timely manner, as defined by ERISA. These instances were corrected during 2022. These contributions are considered non-exempt party-in-interest transactions, which may result in an imposition of a 15 percent excise tax on the amount of the transactions. The plan sponsor compensated participants for any lost interest resulting from the delay in contributions subsequent to year-end. Management estimates that lost income associated with the delay in contributions amounts to \$84, computed based on the Department of Labor's lost earnings calculator. These nonexempt transactions do not affect the tax status determination of the plan, and the company intends to pay all fines imposed.

NOTE Q - SUBSEQUENT EVENTS

Management has evaluated the effects subsequent events would have on the financial statements through January 20, 2023, which is the date the financial statements were available to be issued.

Subsequent to year-end, an updated adoption agreement was signed, effective May 1, 2022, which brings the plan formally into compliance recent with legislative and regulatory requirements. There are no specific financial statement impacts relating to this updated agreement.
