PKF O'CONNOR DAVIES
ACCOUNTANTS AND ADVISORS

Independent Auditors' Report

The Plan Administrator of
Forrest Solutions Inc. 401(k)
Profit Sharing Plan and Trust

Report on the Financial Statements

We have performed an audit of the accompanying financial statements of Forrest Solutions Inc 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of January 28, 2021 and as of December 31, 2021 and for the periods ended on these dates, respectively, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and (2) Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following description of the Forrest Solutions Inc 401(k) Profit Sharing Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Forrest Solutions, Inc. (the "Employer" or "Company"). An employee is eligible to make contributions to the Plan and to receive Employer matching contributions upon completion of three months of service and attainment of twenty-one years of age. An employee is eligible to receive Employer profit sharing contributions upon completion of 1 year of service and attainment of twenty-one years of age. In addition, the employee must be credited with at least 500 hours of service during the Plan year and must be employed on the last day of the Plan year. Employees are not eligible to participate in the Plan if the employee is: included in a unit of employees covered under a collective bargaining agreement; a nonresident alien; or an employee as a result of a transaction described in Internal Revenue Code ("IRC") section 410(b)(6)(C). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 29, 2021, the Plan changed its custodian from Mid Atlantic Trust Company to Mutual of America Life Insurance Company.

Contributions

Each year, eligible employees may elect to contribute a portion of their eligible compensation to the Plan on a pre-tax or Roth basis, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. A participant may elect to increase, decrease or suspend their contributions according to procedures established by the Employer. There is an annual dollar limit as to the amount that can be contributed to the Plan that is determined by the IRC. Participants may also contribute amounts representing distributions from other qualified plans.

Effective January 15, 2021, the Plan was amended to include an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 1% of their eligible compensation.

Effective January 15, 2021, the Plan was amended and Employer contributions are no longer permitted by this Plan. Prior to the amendment, the Employer could contribute matching or profit sharing contributions to the Plan that as determined by the Employer.

Vesting

A participant is 100% vested in their contributions plus actual earnings thereon.

Prior to the Plan amendment effective January 15, 2021, vesting in any Employer's contributions plus actual earnings thereon was based on years of continuous service. Participants were 100% vested after three years of credited service. However, if a participant died or became disabled while an employee of the Company, the participant immediately became 100% vested in their accounts.

1. Description of Plan *(continued)*

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Employer's contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account.

Expenses

Expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the participant's vested account balance and determine a rate of interest equal to Prime plus 1%. Loan repayments must be made through payroll deductions over a term not to exceed 5 years unless the proceeds of the loan are used to purchase the participant's principal residence. Principal and interest is paid ratably through periodic payroll deductions. Participants are limited to one outstanding loan at any one time.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled $37 and $1. These accounts will be used to reduce future administrative expenses. During 2021, no forfeitures were used to reduce administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of December 31, 2021, all of the Plan's investments at fair value were valued using level 2 inputs. As of December 31, 2020, all of the Plan's investments were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investment are stated at fair value except for the insurance company general account, which is stated at contract value. Separate accounts are reported at fair value as reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The insurance company general account is valued at contract value, which represents contributions made under the contract, plus interest credited, less benefits paid and expenses. The mutual funds and money market fund held by the Plan were valued at fair value based on the daily closing price as reported by the funds. These funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market fund held by the Plan were deemed to be actively traded.

Purchase and sales of securities are recorded on a trade-date basis. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends were recorded on the ex-dividend date.

Excess Contributions Payable

Amounts payable for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants in March 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Administrative fees incurred in connection with loans and participant activity charges are borne by the individual and deducted from their respective Plan assets. Investment related expenses are included in the NAV of the respective funds and, consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies *(continued)*

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is January 27, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2021 and 2020, and net appreciation in value of investments and interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company and Mutual of America Life Insurance Company, qualified institutions. Mid Atlantic Trust Company held the Plan's investment assets and executed investment transactions for the year ended December 31, 2020 and from January 1, 2021 to January 28, 2021. Mutual of America Life Insurance Company held the Plan's investment assets and executed investment transactions from January 29, 2021 to December 31, 2021.

4. Insurance Company General Account

Amounts placed in the Mutual of America Interest Accumulation Account are credited with interest at a rate determined by Mutual of America. Mutual of America guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate of at least equal to the greater of: (1) any contractual minimum guarantee provided by the contract; or (2) the minimum rate required by applicable state law or, if no state law minimum rate is applicable to a contract, the minimum guaranteed credited interest rate will be set pursuant to National Association of Insurance Commissioners ("NAIC") standard non-forfeiture law. The NAIC minimum rate is determined in accordance with a formula, and cannot be less than 0.15% or more than 3.00%. Mutual of America determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year.

The interest rate under that contract will not go below that amount regardless of the minimum rate that is set for a calendar year. In Mutual of America's sole discretion, they may credit a higher rate of interest to a participant's contract in the general account, although they are not obligated to credit interest in excess of the minimum guaranteed rate. Mutual of America compounds interest daily on the contract amounts in the general account to produce an effective annual yield that is equal to the stated interest rate. Mutual of America compounds interest daily on the contact amounts in the general account to produce an effective annual yield that is equal to the stated interest rate.

The principal and previously credited interest is guaranteed by Mutual of America. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best (A as of February 2022), Standard and Poor's (A+ as July 2021), and Fitch (A as of March 2022).

5. Separate Accounts

The Plan offers various separate accounts as investment options under the Plan. The separate accounts have different investment objectives, investment policies, and risks. The name of each separate account corresponds to the name of the underlying fund in which it invests. When contributions or transfers are made to a separate account, the separate account purchases shares in the appropriate underlying fund. The Plan's separate accounts include various asset classes which are: equity funds, fixed income funds, growth funds, money market funds, balanced funds, bond funds, asset allocation funds, and retirement funds.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate that Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

7. Tax Status

The IRS issued an opinion letter to the prototype plan document preparer, dated November 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-in-Interest Transactions

Mid Atlantic Trust Company and Mutual of America Life Insurance Company serve as the custodians of the Plan and Paychex, Inc. served as the record-keeper for the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

9. Non-Exempt Party-in-Interest Transactions

During 2021, certain participants' contributions totaling $168,796 were remitted by the Employer to the Plan later than required by Department of Labor Regulation 2510.3-102. Pursuant to the guidance issued by the Department of Labor, subsequent to year end, lost earnings has been calculated and contributed to the Plan by the Employer. This amount was allocated to the affected participants during 2022.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
