Independent Auditor's Report

To Salemtowne Retirement Savings Plan
and participants
Winston-Salem, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Salemtowne Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Salemtowne Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Salemtowne Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Salemtowne Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Salemtowne Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of March 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2022 Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Salemtowne Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 10, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of Salemtowne Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan's Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan, covering all eligible employees of Moravian Home, Inc. d/b/a Salemtowne (the "Organization"). All employees are immediately eligible to participate on their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Organization's Board of Trustees is responsible for oversight of the Plan. The Organization's 403(b) Committee determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year participants may contribute up to 100% of their annual pre-tax compensation, as defined in the Plan, up to the maximum amount allowed by law. Participants may also make qualified Roth contributions to the Plan and may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers an annuity contract portfolio comprised of a fixed account and mutual fund accounts as investment options for participants.

The Organization currently makes safe harbor matching contributions equal to 100% of the first 3% plus an additional 50% of the participant's matched employee contributions over 3% but not to exceed 5% of the employee's gross compensation for the Plan year. Employees become eligible for employer contributions upon completion of one year of service as defined by the Plan document and attainment of 21 years of age. The Organization may also make discretionary matching contributions to the Plan. There were no such contributions made for the years ended March 31, 2022 and 2021. Contributions are subject to certain limitations as determined by the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, and the Organization's contributions as well as allocations of Plan earnings. Participant accounts are charged administrative expenses for certain transaction and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions, including amounts rolled over from other qualified plans, the Organization's safe harbor contributions, and any additional discretionary matching contributions, plus actual earnings thereon.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts at Empower a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have two loans outstanding at one time. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate at the time of issuance, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Policy Loans

Loans are available to participants through VALIC or ReliaStar, provided that the participant has adequate vested funds to secure and repay the loan including an additional amount for certain contingency expenses incurred during the life of the loan. These loans are issued directly by VALIC and ReliaStar and loan proceeds are not removed from a participant's account, rather, the portion of a participant's balance held as collateral is transferred to the VALIC fixed annuity contract fund or the ReliaStar guaranteed investment contract.

Issuance of these policy loans have no impact on the statement of net assets available for benefits. Loans in default are deemed distributed but not foreclosed and the collateral account continues to be invested in a fixed fund option until the loan is repaid or the participant incurs a distributable event. At March 31, 2022, outstanding loans bore interest ranging from 3.50% to 8.00%. Principal and interest are paid ratably by participants to VALIC or ReliaStar over a period not to exceed five years. Total outstanding policy loans with VALIC, net of loans in default and foreclosure, totaled \$9,936 and \$9,311 at March 31, 2022 and 2021, respectively. Total outstanding policy loans with ReliaStar, net of loans in default and foreclosure, totaled \$14,720 for both March 31, 2022 and 2021.

Payment of Benefits

Participants are entitled to receive lump-sum payments of all or any portion of their vested deferral account balance upon attainment of age 59½ or upon termination of service. A participant may elect to delay receipt of benefits until age 70½ when required minimum distributions will begin. If a participant's vested interest, excluding rollover contribution amounts, does not exceed \$5,000, a lump-sum distribution will be made regardless of whether the participant consents to receive the payment. Participants are permitted to take hardship distributions from selected accounts, as defined by the Plan, upon demonstrations of financial hardship.

Forfeited Accounts

Plan forfeitures can be used to reduce future employer contributions or pay administrative expenses. As of March 31, 2022 and 2021, forfeited non-vested accounts totaled \$562 and \$294. During the plan year, there were no forfeitures used.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

SALEMTOWNE RETIREMENT SAVINGS PLAN

Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. No allowance for credit losses has been recorded as of March 31, 2022 and 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Certain investment related expenses are paid using the Plan's assets and are either included in net appreciation or depreciation of fair value of investments or are allocated among participants in the Plan. Certain expenses relating to specific transactions, such as loan set up fees, are paid directly by the participant and are included in administrative expenses.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through January 12, 2023, which is the date the financial statements were available to be issued.

SALEMTOWNE RETIREMENT SAVINGS PLAN

Notes to Financial Statements

NOTE 3 - INFORMATION CERTIFIED (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at March 31, 2022 and 2021, and net appreciation or depreciation in fair value of investments, interest and dividends for the year ended March 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by The Variable Annuity Life Insurance Company ('VALIC'), ReliaStar Life Insurance Company ('ReliaStar'), and Empower Annuity Insurance Company of America and Empower Trust Company, LLC ('Empower').

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 - *Fair Value Measurement* are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SALEMTOWNE RETIREMENT SAVINGS PLAN**Notes to Financial Statements****NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)**

Registered separate accounts: Contains unitized funds with underlying mutual fund investments and are valued at the daily closing price as reported by the fund, which is then adjusted for dividends and separate account fees. The mutual funds held by the registered separate accounts are deemed to be actively traded.

Non benefit-responsive investment contracts: Contains unitized funds with underlying mutual fund investments and are valued at the daily closing price as reported by the fund, which is then adjusted for dividends and separate account fees. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative fees. The contracts are included in the financial statements at fair value, as reported by ReliaStar and VALIC. Fair value represents the amount participants would receive if the contract was terminated at the reporting date, as determined by ReliaStar and VALIC.

Pooled separate accounts: Valued at the NAV of units of a pooled separate fund. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund. This practical expedient is not used when it is determined to be probable that the investments in the fund will be sold for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at March 31, 2022 and 2021:

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended March 31, 2022.

Balance, beginning of year	\$ 162,029
Interest	4,686
Sales	(24,649)
Fees	(8)

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments measured at fair value based on the net asset value per share practical expedient as of March 31, 2022 and 2021. There are certain participant redemption restrictions for the investments with respect to exchanges in investment options. There are no participant redemption restrictions over withdrawals for these investments; the redemption notice period is applicable only to the Plan.

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment contract that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the fully-benefit responsive investment contract at March 31, 2022 and 2021 is \$763,384 and \$381,061, respectively.

The contract issuer Empower is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The minimum guaranteed rate of return is based on a formula agreed upon with the issuers, but it may not fall below 1%. The average crediting rate for the year ended March 31, 2022 was 1.10%. Such interest rates are declared on a annual basis by Empower.

SALEMTOWNE RETIREMENT SAVINGS PLAN

Notes to Financial Statements

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- (1) Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan).
- (2) Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions.
- (3) Premature termination of the contracts.
- (4) Bankruptcy of the Plan sponsor or other Plan sponsor events (operational closings, layoffs, mergers or early retirement incentives) that cause a significant withdrawal from the Plan.
- (5) Failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- (1) An uncured violation of the Plan's investment guidelines.
- (2) A breach of material obligation under the contract.
- (3) A material misrepresentation.
- (4) A material amendment to the agreements without the consent of the issuer.

The Plan also entered into non benefit-responsive investment contracts with ReliaStar and VALIC. These contracts have significant liquidity restrictions and do not meet the criteria of a fully benefit-responsive investment contract. See Note 4 for the valuation methodology concerning these investments. There are no reserves for credit risk on these investments. The guaranteed interest rate varies by contract and is determined by the contract issuer on the initiation date.

SALEMTOWNE RETIREMENT SAVINGS PLAN

Notes to Financial Statements

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and fees within the Plan's annuity portfolio are shares of fixed accounts, pooled and registered separate accounts managed and guaranteed by VALIC, ReliaStar, and Empower and their subsidiaries and affiliated companies, therefore, these transactions qualify as party in interest transactions. In addition, the Plan incurs fees for investment management services that are included in net appreciation or depreciation in fair value of the investments and are paid in part through revenue-sharing funds and realized investment gains rather than direct payment. These transactions qualify as party-in-interest transactions. Other fees pertaining to the Plan are either charged to applicable participant accounts or paid by the Organization.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71, 2013-22, and IRS Bulletin 2013-18. The Plan Administrator intends to apply for a determination letter for the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). Although the Plan has no formal letter from the IRS, the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at March 31, 2022 and 2021, to net assets per Form 5500 at March 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	<u>\$ 5,317,636</u>	<u>\$ 5,548,175</u>
Participant loans deemed distributed	<u>(6,698)</u>	<u>(6,907)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 5,310,938</u></u>	<u><u>\$ 5,541,268</u></u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to net loss per Form 5500 for the year ended March 31, 2022:

Change in net assets available for benefits per the financial statements	\$ (230,539)
Change in participant loans deemed distributed	<u>209</u>
Net loss per the Form 5500	<u><u>\$ (230,330)</u></u>

NOTE 12 - SUBSEQUENT EVENT

Subsequent to year end, effective September 1, 2022, the Plan has implemented an automatic contribution arrangement where all new employees will automatically be entered into the Plan at a contribution rate of 1% of compensation, with an auto escalation of an additional 1% occurring every June 1st.
