The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 Financial Statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and the supplemental schedule of delinquent participant contributions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the WilsonHCG, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution retirement plan covering all employees of WilsonHCG, Inc. (the “Company”, “Plan Sponsor” or “Employer”) who meet the minimum service requirements, with the exception of employees that are non-resident aliens, part-time, seasonal, or union employees under a collective bargaining agreement. Employees are eligible to participate in the Plan after three months of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan Administrator is responsible for oversight of the Plan, determining appropriateness of the Plan’s investment offerings and monitoring investment performance.

Custody of the Plan’s investments are entrusted to Empower Retirement LLC. On December 31, 2020, Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company (“MassMutual” and the “Former Trustee”). Certain investment products included in the Plan’s Portfolio previously handled by Mass Mutual, are now managed by Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement LLC (collectively, “Great-West” or the “Plan Trustee”).

CONTRIBUTIONS

A participant may contribute a specific percentage of pre-tax or post-tax compensation as an elective deferral, up to the lesser of 100% of their eligible compensation or the maximum dollar amount allowed by the Internal Revenue Code (“IRC”) (\$19,500 for 2021). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 for 2021. Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants that do not elect otherwise are automatically enrolled with a deferral rate set at 3% of eligible compensation and their contributions are invested in a designated lifecycle fund until changed by the participant. Pursuant to the Plan Document, the base contribution rate of 3% is annually increased 1% on January 1st of each year, unless otherwise specified by the Plan participant. The auto increase Plan feature is capped at 6% of eligible annual employee compensation.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Plan document requires the Company to make matching contributions equal to 25% of the first 6% of the participant's eligible compensation. In July 2021, the Plan was amended to require the Company to make matching contributions equal to 50% of the first 6% of the participant's eligible compensation. The Company may also offer a discretionary profit sharing contribution to be allocated to participants based on participants' eligible compensation. Total Company matching contributions were approximately \$270,000 for the Plan year ended December 31, 2021. No discretionary profit sharing contributions were made to the Plan during the year ended December 31, 2021.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct their contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. Participants may change their investment options daily.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any Rollovers into the Plan, an allocation of the Employer's matching and discretionary profit sharing contributions, if any, and Plan earnings (losses), net of administrative expenses incurred by the participant. Each participant's account is reduced by any withdrawals or distributions associated directly with the participant. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately vested in their contributions, including Rollovers, plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit sharing contribution portion of their accounts is based on years of continuous service. Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan document. Participants are fully vested in their accounts upon death or total disability.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes receivable terms range from one to five years, or longer for the purchase of a personal residence. The interest rate charged is determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The notes are secured by the participant's vested account balances and bear interest at fixed rates. As of December 31, 2021, interest rates range from 5.25% to 7.50% on outstanding notes. Principal and interest are paid ratably through payroll deductions.

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. Pursuant to the CARES Act, Plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. Such participant notes are re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000 or 100% of the participant's vested account balance.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or separation of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may take in-service withdrawals from their vested accounts upon reaching age 59 1/2. If an employee has \$5,000 or less in his or her account and has terminated employment, the entire balance of the participant's vested account must be distributed immediately.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

Distributions of the participant's vested interest in his or her account may be authorized, at any time, by the Plan Administrator under certain hardship conditions. During the year ended December 31, 2021, there were approximately \$12,000 in hardship distributions, which are included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

In December 2019, the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") was signed into law. The SECURE Act increased the age for required minimum distributions from 70 1/2 to 72. This change is effective for participants who turn 70 1/2 after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the CARES Act was signed into law. The CARES Act is designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspends required minimum distribution provision for the year ending December 31, 2020. In addition, the required minimum distribution requirement is waived for participants who turned 70 1/2 in 2019 and postponed their first required minimum distribution until April 1, 2020. The CARES Act also allows participants to borrow up to \$100,000, or 100% of their vested account balance, and participants with outstanding loans are able to suspend any loan repayments due during the balance of 2020. Loan repayments will restart beginning in January 2021.

FORFEITED ACCOUNTS

Forfeitures are created when participants terminate employment prior to becoming vested on Employer's matching and discretionary profit sharing contributions. Forfeitures are to be used to pay Plan administrative expenses and offset Employer matching and discretionary contributions. Any forfeitures not used to pay administrative expenses during the current year, may be applied to reduce employer matching and discretionary profit sharing contributions in the Plan's subsequent fiscal year. At December 31, 2021 and 2020, the forfeited non-vested accounts totaled approximately \$27,000 and \$29,000, respectively. During the fiscal year ended December 31, 2021, approximately \$56,000 of forfeitures were used to pay Plan administrative expenses and approximately \$27,000 was used to reduce Employer matching contributions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. For the year ended December 31, 2020, the Plan had excess contributions of approximately \$5,000. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

BASIS OF ACCOUNTING

The accompanying financial statements of the plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

ADMINISTRATIVE EXPENSES

The Company absorbs the majority of costs related to the Plan, with the exception of certain transaction fees paid by the Plan and loan and distribution fees paid by the participants. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for the Plan's fully benefit-responsive contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and Plan custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make the scheduled repayment's note receivable is reduced and a benefit payment is recorded.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The Plan Administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan Administrator believes minimizes these risks.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement* (Topic 820) *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements under Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13, removes (a) the prior requirement to disclose the amount and reason for transfers between level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening

balances to the closing balances of recurring Level 3 fair value measurements. The amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020; however, it did not have a significant impact on the Plan's financial statements.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through February 3, 2023, the date these financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	As of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$8,291,106</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$8,291,106</u>

Total Investments in the Fair Value Hierarchy	<u>\$6,716,581</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$6,716,581</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan's portfolio includes a fully benefit-responsive guaranteed investment contract (direct contract with the Plan) with Great-West that is reported at contract value. Great-West maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting. As of December 31, 2021 and 2020, the contract value reported in the accompanying Statements of Net Assets Available for Benefits is \$93,155 and \$94,068, respectively.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be difference under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreement without the consent of the issuer

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in funds managed by Empower. Empower is the custodian as defined by the Plan document and, therefore, these transactions are considered party-in-interest transactions. During the Plan year ended December 31, 2021 fees charged to the Plan by the Plan Trustee amounted to approximately \$6,000.

The Plan is occasionally entitled to investment revenue credits from the Plan Trustee. These credits represent the allocation of a portion of the revenue associated with funds held and are used to offset administrative costs. During the year ended December 31, 2021 the Plan received investment revenue credits of approximately \$39,000. During the year ended December 31, 2021 investment revenue credits were used to reduce Plan expenses by approximately \$31,000.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 7 - TAX STATUS

The Plan Sponsor adopted a Volume Submitter Profit Sharing Plan (“Volume Submitter Plan”) with a cash or deferral arrangement, which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Volume Submitter Plan and related trust are designed in accordance with applicable sections of the IRC. Subsequent to receiving the letter by the IRS, the Plan was restated and amended and certain provisions have been adopted since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

NOTE 9 – RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 8,461,172	\$ 6,886,262

Net Assets Available for Benefits Per the Form 5500	<u>\$ 8,460,280</u>	<u>\$ 6,881,470</u>

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 9 – RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500 (CONTINUED)

Deemed distributions relate to notes receivable from participants that have not been repaid timely during the year, and whose related participant accounts have not yet been distributed.

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2021:

	<u>2021</u>
Benefits paid to participants per financial statements	\$ 1,087,564
Plus: deemed distributions - offset	<u>892</u>
Benefits Paid to Participants per Form 5500	<u>\$ 1,088,456</u>

NOTE 10 – PROHIBITED TRANSACTIONS

During the years ended December 31, 2021, and 2020, participant contributions, totaling \$66,625, and \$4,374, respectively, were not remitted timely to the Plan. The United States Department of Labor (“DOL”) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company’s general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. The accompanying Supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions presents the prohibited transactions of the Plan.

NOTE 11 – SUBSEQUENT EVENT

Effective January 1, 2022, the Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan (the “CODA Plan”). The CODA Plan received a favorable opinion letter from the IRS dated June 30, 2020, which stated the CODA Plan and related trust, as then designed, are in accordance with the applicable sections of the IRC. This new adoption agreement brings the Plan into compliance with the requirements of the IRS 2017 Cumulative List (Notice 2017-37).
