INDEPENDENT AUDITORS' REPORT

Plan Administrator
Validus Senior Living 401(k) Plan
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the VALIDUS SENIOR LIVING 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the VALIDUS SENIOR LIVING 401(K) PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the VALIDUS SENIOR LIVING 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the VALIDUS SENIOR LIVING 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the VALIDUS SENIOR LIVING 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedules listed in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

Validus Senior Living 401(k) Plan (the "Plan") is a defined contribution plan designed to operate under the provisions of Section 401(k) of the Internal Revenue Code ("IRC"). The Plan covers all eligible domestic employees of Validus Senior Living Management Company, LLC. (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The following description of the Plan provides only summary information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

ELIGIBILITY

The Plan covers substantially all employees that have attained 21 years of age and completed six months of service, except those covered by a collective bargaining agreement.

Upon satisfying eligibility requirements, each participant may contribute up to the maximum allowable amount of wages, on a pre-tax or after-tax basis, (subject to IRS limitations) and may receive Company discretionary matching and/or profit-sharing contribution.

CONTRIBUTIONS

Each year, participants may elect to contribute up to 100% of pre-tax or after-tax annual compensation as defined in the Plan to a maximum of $19,500 for 2021. Participants who are at least age 50 may make additional "catch-up" contributions of $6,500 for 2021. Participants may also rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants are automatically enrolled to defer 3% of their compensation as of the date they become participants, unless they choose a different percentage or choose not to defer.

Based on the discretion of the Board of Directors, the Company may, subject to certain limitations, make a matching contribution to the Plan for each participant in accordance with the terms of the Plan document. No matching contribution was made for 2021.

The Company may also elect to make a discretionary profit-sharing contribution. No discretionary profit-sharing contributions was made for 2021.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, and an allocation of the Company's discretionary profit-sharing contribution, if applicable, and Plan earnings. Allocations are based on participant contributions, plan compensation, or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are 100% vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTE 1—PLAN DESCRIPTION (Continued)

PAYMENT OF BENEFITS

Upon termination of service due to retirement, disability or death, a participant may elect to receive a lump-sum payment. Upon termination of service prior to retirement, disability or death, the participants may elect to receive, based on their account balances as of the last day of the calendar quarter following termination, the vested portion of their accounts in a lump-sum payment. Participants may receive distributions of their elective deferral contributions plus actual earnings thereon under certain financial hardship circumstances.

FORFEITURES

Forfeited balances of terminated participants' non-vested accounts are used to reduce the employer's contribution or administrative expense. Forfeited non-vested accounts totaled $-0- for 2021. No forfeiture was reallocated to participants in 2021. Forfeitures utilized to pay administrative expenses were $-0- for 2021.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared using the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments at December 31, 2021 are held by Principal Life Insurance Company ("Principal"). The Plan's investments, other than the Principal Stable Value Fund, are stated at fair value at December 31, 2021. If available, quoted market prices are used to value investments. Investments having no quoted market price are reflected at their estimated fair value as determined by the investment manager. Investments in pooled separate accounts are valued at the net asset value of shares held by the Plan at year-end.

Principal Stable Value Fund ("Fund"), a common collective trust ("CCT"), is 100% invested in the Morley Stable Value Fund. The Morley Stable Value Fund invests in conventional, synthetic and separate account investment contracts (collectively "contracts") issued by life insurance companies, banks and other financial institutions. The Fund is valued at its net asset value ("NAV") per unit (i.e. contract value) on the valuation date. The Fund uses this NAV per unit as a practical expedient, as the investment in the Morley Stable Value Fund (a) does not have a readily determinable fair value and (b) prepares its financial statements consistent with the measurement principles of an investment company. This value represents the proportionate share of the NAV of the Morley Stable Value Fund. The contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The market yield for the Fund was 1.61% for 2021.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Market value events may limit the ability of the Fund to transact at contract value with the issuer. Market value events are events or conditions that occur which are outside of the normal operation of the Fund and lead to any Fund disbursements which have or will have a material adverse effect on the operations of the Fund and a financial effect on the investment contract or wrap issuer's interest hereunder.

Such events may include but are not limited to: Fund administration is amended or changed, merger or consolidation of investors, group terminations or layoffs, implementation of an early retirement program, termination or partial termination of the Fund, failure to meet certain tax qualifications, participant communication that is designed to influence participants not to invest in the Fund, transfers to competing options without meeting the equity wash provisions of the Fund, and plan sponsor withdrawals without the appropriate notice to the Fund and/or issuer.

In the normal course of business, such events or conditions would not limit the ability of the Fund to transact at contract value with the participants in the Fund. The Fund is managed to maintain a certain amount of liquidity to provide for the day-to-day liquidity needs of participants as well as the occasional market value event.

Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year. Dividends, interest, and appreciation (depreciation) are included in investment income (loss).

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

ADMINISTRATIVE EXPENSES

Expenses of the Plan, to the extent that the Company does not pay such expenses, may be paid out of the assets of the Plan.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Level 1 Fair Value Measurements

Mutual funds are valued at quoted net asset values of the shares held by the Plan at year-end.

Level 2 and Level 3 Fair Value Measurements

Level 2 and Level 3 Fair Value Measurements are not applicable to the Plan for 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 44,452	$ —	$ —	$ 44,452
Total Assets in the Fair Value Hierarchy	44,452	—	—	44,452
Investments Measured at Net Asset Value				364,267
Total Assets at Fair Value	$ 44,452	$ —	$ —	$ 408,719

In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Pooled Separate Accounts ("PSAs") are valued at the net asset value (NAV) of shares held by the plan at year-end as reported by the fund managers. Each of the PSAs invests either in multiple securities or in single mutual funds which are generally identified in the name of the separate account. Investments in funds can be redeemed daily upon request and have redemption prices that are determined by the fund's net asset value per unit. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSAs.

NOTE 4—INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

a. Investments, as shown in the accompanying statement of assets available for benefits as of December 31, 2021.

b. Investment income, as shown in the accompanying statement of changes in assets available for benefits for the years ended December 31, 2021.

c. The schedule of assets (held at end of year) as of December 31, 2021, as shown on Schedule H - Line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5—NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance, with a maximum loan amount of $50,000. Repayments of principal and interest are made in equal monthly installments over the specified loan period (generally five years) through payroll deductions. Interest rates are determined by following procedures that consider the rates issued by lending institutions under similar circumstances.

NOTE 6—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. In addition, the majority of the expenses of the Plan are paid by the Company.

Plan investments are managed by the trustee of the Plan. The Plan's investments are managed by Principal Life Insurance Company. These companies are considered parties in interest.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA. If the Company should decide to terminate the Plan, participants would become 100% vested in the Company contribution portion of their accounts.

NOTE 8—TAX STATUS

The Plan is a Prototype Non-Standardized 401(k) Plan ("Prototype Plan") sponsored by Principal Life Insurance Company which was adopted by the Company on January 1, 2021. The Prototype Plan obtained an opinion letter on March 31, 2014 in which the Internal Revenue Service ("IRS") stated that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC").

The Company has not applied for its own determination letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10—SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 30, 2023, the date which the financial statements were available for issue. There were no other subsequent events which require disclosure.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Validus Senior Living 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Principal Life Insurance Company, the custodian of the Plan, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedules taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Principal Life Insurance Company has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of January 30, 2023, the following representations made to you during your audit.

14. We have provided you with:

20. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.

21. The plan has satisfactory title to all owned assets, which are recorded at fair value, [state exceptions, if any] and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

22. We have no—

    d. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

    e. Intentions to terminate the plan. Furthermore, no reportable events have occurred that could result in the Pension Benefit Guaranty Corporation having the authority to initiate proceedings to terminate the plan.

23. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.

24. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

25. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: Pooled Separate Accounts ("PSAs") are valued at the net asset value (NAV) of shares held by the plan at year-end as reported by the fund managers. Each of the PSAs invests either in multiple securities or in single mutual funds which are generally identified in the name of the separate account. Investments in funds can be redeemed daily upon request and have redemption prices that are determined by the fund's net asset value per unit. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSAs. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

26. All required amendments to and filings of Validus Senior Living 401(k) Plan documents with the appropriate agencies have been made. The Plan is a Prototype Non-Standardized 401(k) Plan ("Prototype Plan") sponsored by Principal Life Insurance Company which was adopted by the Company on January 1, 2021. The Prototype Plan obtained an opinion letter on March 31, 2014 in which the Internal Revenue Service ("IRS") stated that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Company has not applied for its own determination letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

27. The Plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor(s) has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

31. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
32. We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the Schedule of Assets (Held at End of Year), including their form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
33. In regards to financial statement preparation services performed by you, we have:
