INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
RR Group, Inc. Employee's Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of RR Group, Inc. Employee's Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements – (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matter — 2021 Supplemental Schedule Required by ERISA – (continued)

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of RR Group, Inc. Employee's Profit Sharing Plan (the Plan). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Plan description

The following description of the RR Group, Inc. Employee's Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on June 1, 1983 as a defined contribution plan, covering substantially all employees of Droguería Betances, Inc. (the original Plan Sponsor). Two employers participate in the Plan: Droguerías Betances, LLC. and Luis Garratón, LLC.

Employees of these plan sponsors who have completed one year of service and are age 21 or older are eligible to participate.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective April 15, 2020, the Plan Sponsors changed the custodian from John Hancock Life Insurance Company to Great-West Company, LLC.

Contributions

Each year, participants may contribute an amount of their compensation, as defined in the Plan, not exceeding the maximum deferral amount specified by local law. The Plan's Sponsors contributes 100% of the participant's contribution not to exceed 3% of the participant's compensation. Also, the Plan permits the Sponsors to contribute an annual discretionary contribution.

Participant's accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsors' contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Plan description – (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsors' contributions portion of their accounts plus earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment options

Participants direct the investment of their account balances into various investments options offered by the Plan. The Plan currently offers mutual funds, fixed annuities and common collective trusts as investment options for its participants.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at one point over the prime rate.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or the participant beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, in annuity or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

Upon participant's termination from the employment or withdrawal from the Plan for any reason other than death, retirement or disability, the employer contributions on behalf of the participants not then vested are forfeited and will be used to reduce future employer contributions. At December 31, 2021 and 2020 the forfeiture account balance amounted \$1,613 and \$28,340, respectively.

Notes to Financial Statements – (Continued)

December 31, 2021 and 2020

Note 1 - Plan description – (continued)

Administrative expenses

Administrative expenses, unless paid directly by the Plan Sponsors, will be paid from the trust fund and will be charged against participants' accounts.

Plan termination

Although it has not expressed any intention to do so, the Plan Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 2 - Summary of significant accounting policies

Basis of accounting and presentation

The financial statements have been prepared under the accrual method of accounting and in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risk and uncertainties

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Note 2 - Summary of significant accounting policies – (continued)

Investment valuation and income recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The unrealized appreciation (depreciation) in the value of these securities as well as gains and losses on investments sold during the year are included in net appreciation (depreciation) in fair value.

Payment of benefits

Benefits are recorded when paid.

Benefits payable

The Plan accounts for benefits payable in accordance with the guidance provided by the American Institute of Certified Public Accountant (AICPA) *Audit and Accounting Guide, Audits of Employee Benefit Plans*. This guidance requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. As of December 31, 2021 and 2020, there were benefits payable for nil and \$2,013, respectively, to participants who have elected to withdraw from the Plan but have not yet been paid.

Note 3 - Information certified by custodian (unaudited)

The plan sponsor has elected the method of compliance permitted by Section 103(a)(3)(C) (for 2021) and 29 CFR 2520.103-8 (for 2020) of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Company, LLC (the Custodian) has certified as to the completeness and accuracy of all investments related information reflected in the accompanying financial statements as of December 31, 2021 and 2020, and for the period from January 1, 2021 to December 31, 2021, and the related notes to the financial statements, and Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at Year End) as of December 31, 2021. The Custodian maintains all records, executes investments transactions, and holds all the assets of the Plan.

During 2021, the Plan's investments (including gain and losses on investments bought and sold, as well as held during the year) appreciated in value by \$562,434.

Note 4 - Fair value measurements

In accordance with the provisions of Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) No. 820, *Fair Value Measurements*, the Plan uses valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible to estimate fair values. The Plan determines fair values based on assumptions that market participants would have used in pricing an asset or liability in the principal or most advantageous market.

FASB ASC 820 provides a fair value hierarchy that priorities the use of observable inputs in the valuation techniques used to measure fair value, as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

Following is a description of the valuation methodologies used by the Plan for investments measured at fair value at December 31, 2021 and 2020:

Mutual funds are valued at the net asset value of shares held by the plan at year end.

Fixed annuities are valued and reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provided.

Collective trust funds, share prices/NAV values are generally obtained directly from the fund house or other investment provided.

RR Group, Inc. Employee's Profit Sharing Plan

Notes to Financial Statements – (Continued)

December 31, 2021 and 2020

Note 4 - Fair value measurements – (continued)

The preceding methods may have resulted in fair values that may have not been indicative of net realizable values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,548,364	\$ -	\$ -	\$ 6,548,364
Fixed annuities	-	739,466	-	739,466
Common collective trusts	-	11,101	-	11,101
	<u>\$ 6,548,364</u>	<u>\$ 750,567</u>	<u>\$ -</u>	<u>\$ 7,298,931</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,575,151	\$ -	\$ -	\$ 5,575,151
Fixed annuities	-	699,334	-	699,334
Common collective trusts	-	7,753	-	7,753
	<u>\$ 5,575,151</u>	<u>\$ 707,087</u>	<u>\$ -</u>	<u>\$ 6,282,238</u>

Note 5 - Excess contribution payable

The Plan did not comply with the discrimination test for the years ended December 31, 2021 and 2020. This test requires compliance with a determined percentage of contributions to the Plan as established in Section 1081.01 of the Internal Revenue Code of Puerto Rico (the Code). The Plan Sponsor had the following alternatives to correct this non-compliance: additional employer contributions to non-highly compensated participants; reimbursement to highly compensated participants to their excess contributions, which would result in reporting a reimbursement as taxable income for the year in which the non-compliance takes place; or reclassifying the excess contribution of highly compensated participants as a post-tax contribution, which requires reporting this excess amount as taxable income for the year in which the reclassification takes place. The Plan Sponsor elected to reimburse to highly compensated employees their excess contributions.

RR Group, Inc. Employee's Profit Sharing Plan

Notes to Financial Statements – (Continued)

December 31, 2021 and 2020

Note 5 - Excess contribution payable – (continued)

Excess contributions payable to participants totaling \$17,472 and \$10,158, as of December 31, 2021 and 2020, respectively, for contribution in excess of amounts allowed by the Code are recorded as a liability with corresponding reductions to contributions. The Plan reimbursed the 2020 excess contributions to the applicable participants during October 2021, but the 2021 excess contributions were still outstanding as of the date that these financial statements were issued.

Note 6 - Party-in-interest transactions

Certain Plan investments are managed by the Custodian; therefore, these transactions qualify as party-in-interest transactions.

Note 7 - Delinquent Participant Contributions

During the year ended December 31, 2019, the plan sponsors did not remit certain participants' contributions to the Plan in a timely manner, as defined by ERISA, amounting to \$3,840. In October 2021, the Plan Sponsors remitted the corresponding loss earnings to participants' accounts.

Also, the Schedule of Delinquent Participant Contributions discloses aggregated late contributions, as defined by ERISA, for plan years 2012 through 2017 amounting to \$430,343 as fully corrected since EBSA communicated on February 26, 2021 that they will not take civil enforcement action over this breach, including any penalties as listed in section 502(1) of ERISA. Additionally, EBSA will not recommend that the Solicitor of Labor initiate legal action and EBSA will not impose the penalty in section 502(1) of ERISA on the amount the Plan Sponsors have repaid to the Plan.

Note 8 - Tax Status

The Plan constitutes a qualified plan, exempted from income tax under the provisions of Section 1081.01 of the Internal Revenue Code for a New Puerto Rico (the Code), as amended. The Plan is required to operate in conformity with the Code to maintain its qualification.

The Plan obtained its latest determination letter on November 23, 2016, in which the Commonwealth of Puerto Rico tax authorities stated that the Plan, as then designed, was in compliance with the applicable requirements of Section 1081.01.

The Plan has evaluated the impact of subsequent events through December 7, 2022, which is the date these financial statements were available to be issued. No events have occurred subsequent to the statement of net assets available for benefit and to the date these financial statements were available to be issued, that would require additional adjustment, or disclosure in the financial statements.

The preceding methods may have resulted in fair values that may have not been indicative of net realizable values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

Note 5 - Excess contribution payable

The Plan did not comply with the discrimination test for the years ended December 31, 2021 and 2020. This test requires compliance with a determined percentage of contributions to the Plan as established in Section 1081.01 of the Internal Revenue Code of Puerto Rico (the Code). The Plan Sponsor had the following alternatives to correct this non-compliance: additional employer contributions to non-highly compensated participants; reimbursement to highly compensated participants to their excess contributions, which would result in reporting a reimbursement as taxable income for the year in which the non-compliance takes place; or reclassifying the excess contribution of highly compensated participants as a post-tax contribution, which requires reporting this excess amount as taxable income for the year in which the reclassification takes place. The Plan Sponsor elected to reimburse to highly compensated employees their excess contributions.
