INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Endoscopy Center of Ocala, Inc. 401(k) Profit Sharing Plan
Ocala, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Endoscopy Center of Ocala, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Endoscopy Center of Ocala, Inc. 401(k) Profit Sharing Plan
Ocala, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator and Participants
Endoscopy Center of Ocala, Inc. 401(k) Profit Sharing Plan

INDEPENDENT AUDITOR'S REPORT

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the qualified institutions, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Plan Description

The following description of the Endoscopy Center of Ocala, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a more comprehensive description of the Plan's provisions.

General

The Plan, originally effective January 1, 1989, and most recently restated effective January 1, 2014, is a defined contribution plan covering all employees of Endoscopy Center of Ocala, Inc. (the Company or Employer) who have attained the age of 21 and have completed one year of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator is responsible for oversight of the Plan and also determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, in response to the novel coronavirus (COVID-19) pandemic, the U.S. Congress enacted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act), which among other things, included temporary relief provisions that impacted retirement plan withdrawal rules for qualified participants. The Plan allowed for certain of the temporary relief provisions for qualified individuals (as defined under the CARES Act), including penalty-free coronavirus-related distributions of up to \$100,000 with repayment terms of up to three years. The CARES Act also waived required minimum distributions that would have been payable during 2020. The temporary CARES Act provisions expired December 31, 2020.

Contributions

Employees participating in the Plan may elect to contribute pre-tax deferrals up to the maximum of \$19,500 allowed under the Internal Revenue Service (IRS) limitation for calendar year 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions to the Plan, up to \$6,500 for calendar year 2021. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans and certain IRA's (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may elect to make discretionary profit sharing and matching contributions each year to the Plan. A participant must be employed on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year to be eligible to receive an allocation of the Company's contributions. If the participant dies, becomes disabled, or attains normal retirement age during the Plan year, the participant will still be eligible to receive an allocation of the profit sharing and matching contribution. Profit sharing contributions are allocated using the grouping method at rates determined by the Company. The amount contributed for each group is allocated in the ratio that the compensation of each participant who is a member of that group bears to the total compensation of all participants who are a member of that group. For the year ended December 31, 2021, the Company made a profit sharing contribution in the amount of \$710,605, which is included as a receivable on the accompanying statements of net assets available for benefits at December 31, 2021. Matching contributions may be made in an amount determined by the Company that are equal to a percentage of the participant's salary deferrals but not to exceed 4% of eligible compensation. The Company did not make a discretionary matching contribution for the year ended December 31, 2021. Company contributions are subject to IRS limitations.

ENDOSCOPY CENTER OF OCALA, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Participants' Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions and Plan earnings and charged with benefit payments and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elective contributions and rollover contributions plus actual earning thereon. Participants vest in the Company's contributions at a rate of 20% per year, beginning with the second year of vesting service, and are fully vested after six years of credited service. Upon Plan termination, participant death or disability, Company contributions vest immediately.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant with a vested balance greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a series of installments over time. If the amount of the participant's vested balance is less than or equal to \$5,000, a single lump-sum payment will be made to the participant. Participants attaining the age of 59½ may request an in-service distribution. In addition, hardship withdrawals may be requested and are paid in one lump-sum upon approval. In addition, participants that reach the age of 70 ½ prior to January 1, 2021, are required to take a minimum distribution from their account. Participants that reach the age of 70 ½ after January 1, 2021, are required to take a minimum distribution from their account upon reaching the age of 72.

Forfeitures

Forfeitures of non-vested Company contributions are used to pay administrative expenses or reduce Employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,647 and \$4,630, respectively. No forfeitures were used to reduce employer contributions or pay administrative expenses during the year ended December 31, 2021.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ENDOSCOPY CENTER OF OCALA, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and self-directed brokerage accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See additional discussion on fair value measurements at Note 3.

The Plan has a group annuity contract that invests contributions in the Key Guaranteed Portfolio Fund, a traditional investment contract issued by Great-West Life & Annuity Insurance Company. The Key Guaranteed Portfolio Fund is a general account product of Great-West Life & Annuity Insurance Company. The contract issuer is contractually obligated to repay the principal and interest at a specific interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed and re-set on a quarterly basis.

The Key Guaranteed Portfolio Fund is considered to be fully benefit-responsive. Benefit-responsive investment contracts held by a defined-contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) premature termination of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, (6) mergers, and (7) early retirement incentives. The Plan administrator does not believe that the occurrence of such events is probable.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from the financial statements. Certain transaction fees for distributions are charged directly to the accounts of the participants who incur those fees. Any costs associated with the investment of a participant's account are charged to that participant.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

ENDOSCOPY CENTER OF OCALA, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued as determined by quoted market price, which represents the net asset value of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Self-directed brokerage accounts consist of cash and cash equivalents, mutual funds, common stock, exchange-traded funds, and certificates of deposit. Cash equivalents and shares held in mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Common stock and exchange-traded funds are valued at the closing price reported on the active market on which the investments are traded. Certificates of deposit are valued at amortized cost, which approximates fair value. Cash is valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Information Certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC as of December 31, 2021 and 2020 and for the year ended December 31, 2021, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

	<u>2021</u>
Interest on Guaranteed Investment Contract	\$ 5,034
Dividends and Interest Income	\$ 147,146
Net Appreciation in Fair Value of Investments	\$ 247,717

Self-directed brokerage accounts are not certified. The fair value of investments included in self-directed brokerage accounts totaled \$12,176,662 and \$10,610,321 at December 31, 2021 and 2020, respectively. Dividend and interest income was \$531,792 for the year ended December 31, 2021. Total net appreciation in fair value was \$897,730 for the year ended December 31, 2021.

Note 5 - Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their account balances.

ENDOSCOPY CENTER OF OCALA, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 6 - Tax Status

The prototype plan adopted by the Plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype Plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Related-Party and Party-In-Interest Transactions

Certain Plan investments are held and managed by Great-West Life & Annuity Insurance Company as of December 31, 2021 and 2020. These transactions qualify as party-in-interest transactions. Administrative fees paid to Great-West Life & Annuity Insurance Company and its affiliates along with the Plan's recordkeeper, third-party administrator, and investment advisors totaled \$58,764 for the year ended December 31, 2021.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the values of investment securities could occur in the near-term, and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic. The effects of the COVID-19 pandemic have caused volatility in financial markets and may continue to affect the value of investments held by the Plan. Due to the uncertainty of the duration and the continued effects of this pandemic, the near and long-term financial effects cannot be reasonably estimated at this time.

Note 9 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2021 and 2020:
