We are required to be independent of *Perkins Motor Company, Inc. Profit Sharing Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *Perkins Motor Company, Inc. Profit Sharing Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT – Continued

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *Perkins Motor Company, Inc. Profit Sharing Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Perkins Motor Company, Inc. Profit Sharing Plan's* ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT – Continued

Auditors' Responsibilities for the Audit of the Financial Statements – Continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of May 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT – Continued

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the May 31, 2021 financial statements of *Perkins Motor Company, Inc. Profit Sharing Plan*. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PERKINS MOTOR COMPANY, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of *Perkins Motor Company, Inc. Profit Sharing Plan* (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan with a 401(k) feature that covers all employees of Perkins Motor Company, Incorporated (the Company), except for collective bargaining (union) employees and non-resident aliens. Non-excluded employees are eligible to make contributions to the Plan as of the first day of the Plan year quarter coinciding with or next following the date the employee has completed 90 days of service and is at least 18 years of age. Non-excluded employees are eligible to receive the employer's matching and discretionary nonelective profit sharing contributions upon completion of one year of service and when they are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participants direct the investment of their contributions and the employer contributions into a number of investment options offered by the Plan. The Plan administrator is responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Plan Document – Effective March 11, 2021, the Plan adopted a restated Internal Revenue Service (IRS) Cycle 3 Plan document that was updated to conform with recent tax law changes. There were no substantial changes in the way the Plan operates as a result of adopting the new Plan document.

Contributions – Participants may contribute up to 90% of compensation each year not to exceed the maximum allowed by law. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). If an employee has not completed a salary deferral agreement by the time they are eligible to make salary deferrals, the Company will automatically withhold 3% of their compensation each payroll period in the first year and contribute that amount to the Plan as a salary deferral. The automatic withholding of 3% of compensation increases to 4% of compensation in the second year.

Employees also have the option to make Roth elective contributions and to make in-Plan Roth transfers which allow part or all of a pre-tax account to be converted into a Roth account within the Plan. Only the vested portion of any account qualifies for in-Plan transfers and loans may not be distributed as part of an in-Plan Roth transfer.

The Company will make matching contributions equal to 50% of the first 4% of compensation that a participant contributes to the Plan. In addition, the Company may make a discretionary nonelective profit sharing contribution. For the years ended May 31, 2022 and 2021, the Company did not elect to make a nonelective profit sharing contribution.

PERKINS MOTOR COMPANY, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is fully vested after six years of credited service. Participants are fully vested in their rollover contributions at all times.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The maximum loan term is five years, unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest is paid ratably through payroll deductions. As allowed under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), participants could borrow up to 100% of their vested account balance or \$100,000, whichever is less, on participant loans made from March 27, 2020 to September 23, 2020 and participants could delay their loan repayments for up to one year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of May 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits – Upon termination of service or retirement, a participant with a vested account balance that exceeds \$5,000 may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account, or the participant may leave their account balance in the Plan until their normal retirement age.

Upon termination of service or retirement, a participant with a vested account balance of \$5,000 or less will receive an automatic lump-sum distribution. If the vested account balance is between \$1,000 and \$5,000 and an election is not made to either receive or rollover the distribution, the distribution will be directly rolled over to an individual retirement account (IRA).

Upon death, the participant's beneficiaries will receive a lump-sum amount equal to the participant's interest in his or her account if the vested account balance is \$5,000 or less. If the vested account balance is over \$5,000, the beneficiary may elect to have the death benefit paid in a single lump-sum payment of cash, annual installments at least equal to the required minimum distribution amount, or as a qualified annuity if the beneficiary is the participant's surviving spouse.

PERKINS MOTOR COMPANY, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Payment of Benefits – Continued – As adopted by the Plan and allowed under the CARES Act, during 2020, participants affected by the coronavirus could withdraw up to \$100,000 from their vested account balance. The coronavirus-related distribution was exempt from the 10% penalty tax if taken before the participant is age of 59 ½, exempt from income tax withholdings, and can be taxed as income to the participant spread evenly over three years (2020, 2021, and 2022). If the participant pays back the distribution amounts within three years, the participant can claim a refund for the taxes they paid.

Benefits are recorded when paid.

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments in fixed annuities and mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Forfeited Accounts – The Company can use forfeitures to either offset future employer contributions or to pay administrative expenses of the Plan. Additionally, the Company may use their discretion to use forfeitures in the Plan year in which they occur or in the following Plan year.

At May 31, 2022 and 2021, forfeited non-vested accounts totaled \$13,981 and \$8,952, respectively. Forfeited non-vested accounts in the amount of \$10,700 and \$9,950 were used to pay administrative expenses of the Plan for the years ended May 31, 2022 and 2021, respectively.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefits paid to participants and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

PERKINS MOTOR COMPANY, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – INFORMATION PREPARED AND CERTIFIED BY THE QUALIFIED INSTITUTION OF THE PLAN

The following information included in the accompanying financial statements and the supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the qualified institution of the Plan:

	<u>2022</u>	<u>2021</u>
Investments at Fair Value		
Fixed Annuities	\$ 388,564	\$ 330,954
Mutual Funds	3,597,722	3,660,624
Dividends and Interest	370,090	143,483
Net (Depreciation) Appreciation in Fair Value of Investments	(710,653)	1,151,676

NOTE 2 – FIXED ANNUITIES

The Plan invests in fixed annuities through the Key Guaranteed Portfolio Fund, a group annuity contract with Great-West Life & Annuity Insurance Company. This contract has been determined to not be fully benefit responsive and is therefore reported at fair value (Note 3).

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PERKINS MOTOR COMPANY, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS – Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at May 31, 2022 and 2021.

Fixed Annuities: Valued daily based on the method disclosed in the annuity contract, as calculated by the annuity provider.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
May 31, 2022			
Fixed Annuities	\$ 388,564	\$ -	\$ 388,564
Mutual Funds	<u>3,597,722</u>	<u>3,597,722</u>	<u>-</u>
	<u>\$ 3,986,286</u>	<u>\$ 3,597,722</u>	<u>\$ 388,564</u>
May 31, 2021			
Fixed Annuities	\$ 330,954	\$ -	\$ 330,954
Mutual Funds	<u>3,660,624</u>	<u>3,660,624</u>	<u>-</u>
	<u>\$ 3,991,578</u>	<u>\$ 3,660,624</u>	<u>\$ 330,954</u>

NOTE 4 – PARTY IN INTEREST TRANSACTIONS

During the years ended May 31, 2022 and 2021, the Plan's administrative expenses included audit fees as well as fees charged by Empower, the Plan's record-keeper. Fees incurred for investment management services are included in net appreciation or depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. These transactions qualify as party in interest transactions and are exempt from prohibited transaction rules.

PERKINS MOTOR COMPANY, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

NOTE 6 – TAX STATUS

In 2021, the Plan adopted a Cycle 3 restated plan document, the Great-West Trust Company, LLC Defined Contribution Pre-Approved Plan document. This plan document obtained its latest advisory opinion dated June 30, 2020, in which the Internal Revenue Service stated that the document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan is qualified and the related trust is tax exempt.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through the date of the attached independent auditors' report, the date which the financial statements were available to be issued.
