Board of Directors
Gensco Profit Sharing 401(k) Plan
Fife, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

I have performed an audit of the financial statements of the Gensco Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of April 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended April 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of my report. I am required to be independent of the Gensco Profit Sharing 401(k) Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gensco Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gensco Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gensco Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of April 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

I was engaged to audit the 2021 financial statements of the Gensco Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information certified by a qualified institution. In my report dated November 24, 2021, I indicated that (a) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GENSCO PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Gensco Profit Sharing 401 (k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's Provisions.

General

The Plan was created on January 1, 1959, and was most amended and recently restated as of May 1, 2021 (Cycle 3), and is a defined contribution plan covering all eligible employees of Gensco, Inc. (the Company), other than those classified as union, leased, non-resident, and independent contractors and employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Contributions are subject to certain IRS limitations. The Plan Trustees are responsible for oversight of the Plan, which include determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Company's Board of Directors.

Under the Coronavirus Aid, Relief, and Economic Security (CARES) Act (see Note 8), the Plan was amended effective March 27, 2020 to provide for larger maximum participant loans, allow for delay of loan repayments that would otherwise be due between March 27, 2020, and December 31, 2020, allow for waiver of early withdrawal penalties in certain circumstances, and waive required minimum distributions for 2020.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act were effective on January 1, 2021, and 2020, and required significant changes to plan administration and recordkeeping.

Eligibility

All employees may enter the Plan on their date of hire, as defined by the Plan. To be eligible for the profit-sharing part of the Plan, eligibility requirements consist of being employed on the last day of the Plan year, and to have completed 1,000 hours of service within the applicable Plan year.

Contributions

Participants – Each year, participants may contribute up to 75 percent of pretax or post-tax (Roth) annual compensation, as defined by the Plan, and subject to certain IRS limitations. The Plan also accepts certain rollover contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled into the Plan 45 days after the initial satisfaction of the eligibility requirements, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 5 percent of eligible compensation (effective December 16, 2021, and prior to that date it was 3 percent) and their contributions allocated to an applicable fund within the Vanguard Target Retirement series of funds, based on the participant's age, until changed by the participant. These automatically enrolled participants will have their automatic pre-tax deferral percentage stay at 3 percent of eligible compensation, unless otherwise designated by the eligible participant.

Discretionary Matching – The Company may make discretionary matching contributions. For the plan year ended April 30, 2022, the Company made no discretionary matching contributions.

APRIL 30, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Discretionary Non-Elective Profit Sharing – The Company may make a discretionary non-elective profit-sharing contribution. Non-elective profit sharing contributions are based on each eligible participant's qualified compensation and totaled \$5,426,227, for the plan year ended April 30, 2022. The contribution is funded to the Plan subsequent to the plan year-end.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's respective account is credited with the participant's contributions, non-elective profit sharing contributions, and Company matching contributions, if any, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may move portions of their accounts between investment options at any time.

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested in Discretionary Non-Elective Profit-Sharing contributions after six years of credited service, and 100 percent vested in Discretionary Matching contributions after three years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined by the trustee. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, as defined by the Plan, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or instalments.

Effective May 1, 2021, hardship withdrawals of the participant's contributions are permitted by the Plan. Hardship withdrawals must be approved by the Plan administrator and are available from all money types that are 100 percent vested, including earnings.

Forfeitures

At April 30, 2022 and 2021, forfeited non-vested accounts totaled \$243,517 and \$122,875, respectively. These accounts will be used to pay administrative expenses under the Plan or reduce future employer contributions or reallocate as additional employer contributions. Also, in 2022, \$122,875 from forfeited non-vested accounts were reallocated as additional employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Company's management determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of April 30, 2022 and 2021.

Contributions

Contributions from participants are recorded as they are withheld from the participant's wages. Contributions from the Company are recorded in the period in which the related participant contributions are due.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 19, 2023, the date the financial statements were available to be issued.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments held at April 30, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and interest and dividends, for the year ended April 30, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank (the trustee of the Plan). The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2022 and 2021.

Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Self-Directed Brokerage Accounts:

The individual investments held within the self-directed brokerage accounts, all of which are traded on an active market and valued at the daily closing price as reported in active markets.

Common Collective Trust:

A stable value fund that is composed primarily of fully-benefit responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total fair value of the assets in the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the fund and included in the determination of unit values.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 30, 2022 and 2021.

Assets at Fair Value as of April 30, 2022				
	Level 1	Level 2	Level 3	Total

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Investments measured using the net asset value per share practical expedient

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of April 30, 2022 and 2021, respectively. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

		April 30, 2022		
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust fund	\$4,780,698	\$ -	Daily	12 months
		April 30, 2021		
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust fund	\$4,297,873	\$ -	Daily	12 months

NOTE 5 PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are mutual funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party in interest transactions.

The Company is a party in interest to the Plan. However, there were no transactions with the Company other than employer contributions and the payment of certain administrative expenses on behalf of the Plan. The Plan uses third-party service providers for administration and custodian services. These transactions qualify as exempt party in interest transactions.

NOTE 6 TAX STATUS

Effective May 1, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA. CCH Incorporated dba FTWilliam Com., the sponsor of this prototype plan, obtained its latest IRS determination letter on June 30, 2020, in which the IRS stated that the form of the Plan, as then designed was in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by any applicable tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Impact of COVID-19

In 2020, the World Health Organization officially declared the Coronavirus Disease 2019 (COVID-19) outbreak a global pandemic. The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. On March 27, 2020, Congress passed the CARES Act that includes numerous employee benefit plan provisions to assist plan sponsors and participants. The Company has continued to fully fund all employee contributions and participant access to accounts has not been disrupted.
