Independent Auditor's Report

To the Plan Administrator
First Hospital Panamericano 401(k) Savings and Retirement Plan
King of Prussia, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First Hospital Panamericano 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

First Hospital Panamericano 401(k) Savings and Retirement Plan

Notes to Financial Statements

1. Description of Plan

The following description of the First Hospital Panamericano 401(k) Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of First Hospital Panamericano (the Company), who are residents of Puerto Rico and have completed 90 days of eligible service and are age 19 or older. Senior management of the Company is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. The Plan has an investment advisor to monitor the performance of the investments. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC (collectively Great-West) hold the investments for the Plan. The trustee for the Plan is Oriental Bank and Trust.

Contributions

Each year, participants may elect to contribute a percentage of their pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary matching contribution on behalf of each participant. During the year ended December 31, 2021, the Company made matching contributions to the Plan totaling \$266,585. Contributions are subject to annual limitations under the Puerto Rico Internal Revenue Code of 2011 (the PR Code).

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 5 years of credited service.

First Hospital Panamericano 401(k) Savings and Retirement Plan

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate, at time of origination. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

A participant may elect to receive either a lump sum amount or installment payments equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted for participants who have attained age 59½ and for a qualified financial hardship.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$5,494 and \$63, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were reduced by \$3,206 from forfeited non-vested accounts during the year ended December 31, 2021.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Senior management of the Company determines the Plan's valuation policies utilizing information provided by the investment advisor, trustee and Great-West. See Note 3 for discussion of fair value measurements and Note 4 for additional discussion regarding the investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant elects to make

First Hospital Panamericano 401(k) Savings and Retirement Plan

Notes to Financial Statements

loan payments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses/Other Income

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to certain individual participant transactions are charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

A Plan Expense Account (PEA) is being maintained by Great-West, which may be used to pay Plan expenses. Asset based payments are calculated based upon an average daily balance of the investments for the month. During the year ended December 31, 2021, the Plan received and utilized \$26,800 from the PEA to pay certain investment related expenses.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

First Hospital Panamericano 401(k) Savings and Retirement Plan

Notes to Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021 Total	December 31, 2020 Total
Mutual funds (Level 1)	\$ 7,359,936	\$ 6,097,646

4. Investment Contract

The Plan has entered into a fully benefit responsive investment contract with Great-West. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate to the Plan. The crediting interest rate is reviewed on an annual basis.

Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

At December 31, 2021 and 2020, the contract value was \$4,269,801 and \$3,835,904, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options, (3) the agreement with the insurer is breached, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

5. Party in Interest Transactions

Certain Plan investments, shares of mutual funds and the investment contract, are sponsored by Great-West, who maintains the investments for the Plan. The Plan receives investment advisor services from Independent Financial Group, LLC. Expenses related to these services are paid from the PEA (see Note 2). These transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

First Hospital Panamericano 401(k) Savings and Retirement Plan

Notes to Financial Statements

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

7. Tax Status

Effective July 1, 2016, the Plan was amended and restated when the Plan adopted the A & A Employee Benefits Consulting Corporation Prototype Retirement Plan. The Government of Puerto Rico, Department of the Treasury informed the Company by a letter dated December 21, 2017, that the Plan and related trust are designed in accordance with Section 1081.01 of the PR Code. The Plan administrator believes that the Plan currently is designed and is being operated in compliance with the applicable of requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and investment income and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

10. Subsequent Events

The Plan has evaluated subsequent events through February 6, 2023, the date the financial statements were available to be issued.

First Hospital Panamericano 401(k) Savings and Retirement Plan

Notes to Financial Statements

On September 27, 2022, the Puerto Rico Treasury Department issued Internal Revenue Circular Letter No. 22-13 (CL 22-13), which allows participants affected by the passage of Hurricane Fiona through Puerto Rico to request distributions from Retirement Plans and PA IRAs (“Eligible Distributions”). Eligible Distributions may be withdrawn during the period October 6, 2022, through December 31, 2022. Eligible Distributions must be used to cover damages or losses suffered, and extraordinary expenses incurred, by the individual an/or members of the participants’ immediate family resulting from Hurricane Fiona.

- The first \$10,000 that is distributed within the term established by the Secretary, and after a Declaration of a Disaster by the Governor of Puerto Rico, will be excluded from the definition of gross income, pursuant to Section 1031.01 (b) (18) of the Code, and will not be subject to any type of withholding at source.
- Any distribution in excess of the first \$ 10,000 will be subject to a special tax of 10%, instead of any other tax imposed by the Code, including the Alternate Basic Tax, as long as the total of distributions made during the term established by the Secretary does not exceed \$100,000; and
- In addition, any distributions from a Retirement Plan or an IRA Account in excess of \$100,000 during the period established by the Secretary will be taxed as a regular distribution from a Retirement Plan or an IRA Account.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
