Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Ephonamation.com, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 12, 2021, indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Ephonation.com, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, originally effective January 1, 2010 and most recently restated January 1, 2019, is a defined contribution plan covering all non-excluded employees of Ephonation.com, Inc., Ansafone Contact Centers, LLC, and Endicott Comm, Inc. (collectively, the Company) who have attained the age of 21 and have completed one year of service. The employee may enter the Plan on the first day of the first month and seventh month of the Plan year following the date eligibility requirements have been met. Excluded employees include union employees represented by a bargaining unit, and certain non-resident aliens with no U.S. income. Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2021, the Plan was amended to modify the definition of eligible compensation.

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, in response to the novel coronavirus (COVID-19) pandemic, the U.S. Congress enacted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act), which among other things, included temporary relief provisions that impacted retirement plan withdrawal and loan rules for qualified participants. The Plan allowed for certain of the temporary relief provisions for qualified individuals (as defined under the CARES Act), including penalty-free coronavirus-related distributions of up to \$100,000 with repayment terms of up to three years and the suspension of loan payments otherwise due in 2020 for one year. The CARES Act also waived required minimum distributions that would have been payable during 2020. The temporary CARES Act provisions expired December 31, 2020.

Contributions

Employees participating in the Plan may elect to contribute pre-tax deferrals from 1% of eligible compensation, as defined, up to the maximum of \$19,500 allowed under the Internal Revenue Service (IRS) limitation for the calendar year 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 to the Plan in 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will make a safe harbor matching contribution to all participants based on the following tiers of salary deferrals: 100% of salary deferrals up to the first 3% of eligible compensation, as defined; plus 50% of salary deferrals up to the next 2% of compensation. Participant catch-up contributions are eligible for matching contributions. The Company may also elect to make a discretionary matching contribution. The Company did not elect to make an additional discretionary matching contribution for the year ended December 31, 2021.

The Company may elect to make a discretionary profit-sharing contribution each year to the Plan. A participant must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year to be eligible to receive an allocation of the Company's profit-sharing contribution.

EPHONAMATION.COM, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

If the participant dies or attains normal retirement age during the Plan year, the participant will still be eligible to receive an allocation of the profit-sharing contribution. The Company did not elect to make a discretionary profit-sharing contribution during 2021.

Participant Accounts

Participant accounts are completely self-directed. Each participant's account is credited with the participant's contributions and Company safe-harbor matching and discretionary matching contributions and allocations of Company profit sharing contributions and Plan earnings, and charged with benefit payments, transaction fees, and an allocation of the Plan's losses and administrative expenses. Profit sharing contributions are allocated using the grouping method at rates determined by the Company. Other allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Company safe-harbor matching contributions plus actual earnings thereon. Vesting rights in the Company's discretionary matching and profit-sharing contributions accrue at a rate of 20% per year beginning with the participant's second full year of service with full vesting accruing after six years of service. Employer contributions vest immediately upon death, disability, or attainment of normal retirement age.

Notes Receivable from Participants

Prior to December 9, 2019, participants were allowed to borrow from their fund accounts a minimum of \$1,000 up to or equal to the lesser of \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan over the current outstanding balance of loans or 50% of the vested account balance. Loan terms range from 1 to 5 years unless for the purchase of a primary residence in which case the term may be up to 15 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate based upon the interest rates charged for similar types of loans by other lenders and are currently set at prime plus 1%. Principal and interest is paid ratably through monthly payroll deductions. Effective December 9, 2019, the Plan was amended to remove participant loans as a permissible withdrawal from the Plan.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, the participant's vested account balance will be distributed to the participant in a single lump-sum payment. In-service distributions from a participant's vested account balance may be made provided that the participant has reached the age of 59 ½ or has incurred a hardship. Participants that reached the age of 70 ½ prior to January 1, 2020, are required to take a minimum distribution from their account. Participants who reach the age of 70 ½ after January 1, 2020, are required to take a minimum distribution from their account upon reaching the age of 72.

Forfeited Accounts

The non-vested portion of a participant's account is forfeited upon termination of employment with the Company. Forfeitures may be used to pay Plan expenses or reduce Company contributions. At December 31, 2021 and 2020, unallocated forfeitures totaled \$2,807 and \$2,680, respectively. No forfeited non-vested amounts were used to pay Plan expenses or reduce Company contributions during the year ended December 31, 2021.

EPHONAMATION.COM, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued unpaid interest with no allowance for credit losses, as repayments of principal and interest are received primarily through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative fees paid by the Plan and included in the accompanying statement of changes in net assets available for benefits are primarily recordkeeping, contract administration and participant transaction fees. Transaction fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participants who incur those fees. Certain investment -related expenses are included in net appreciation in the fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2021, through December 9, 2020, the date the financial statements were available to be issued. No material events have occurred since December 31, 2021, that require recognition or disclosure in the financial statements, except as follows:

NOTES TO FINANCIAL STATEMENTS

Effective January 1, 2022, the Plan was restated to incorporate legislative, regulatory and administrative updates. In addition, the Plan was amended effective July 1, 2022, to allow participants to enter the Plan on the first day of each Plan quarter on or after attainment of eligibility requirements.

Note 3 - Information Certified by John Hancock Life Insurance Company (U.S.A.)

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule which was certified by John Hancock Life Insurance Company (U.S.A) (John Hancock) as of December 31, 2021 and 2020 and for the year ended December 31, 2021 as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	2021	2020
Investments, at Fair Value	\$ 2,052,561	\$ 1,880,770

Notes Receivable from Participants	\$ 17,920	\$ 28,719

	Year Ended December 31, 2021
Net Appreciation in Fair Value of Investments	\$ 293,103

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820 are described as follows:

- **Level 1**—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2**—Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

EPHONAMATION.COM, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

- **Level 3**—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value relevant to the Plan. There have been no changes in the methodology used as of December 31, 2021 and 2020.

Pooled Separate Accounts: The Plan holds units of participation in the separate accounts, which are valued daily at their net asset values as a practical expedient. Net asset value is based on the market value of the underlying investments. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are currently no unfunded commitments on these investments. Redemptions are restricted to two per month.

The underlying investments include actively traded mutual funds that include the following:

	December 31,	
	2021	2020
Target Date (a)	\$ 1,468,027	\$ 1,413,171
Fixed Income (b)	3,355	762
Large Cap (c)	300,355	246,998
International (d)	7,831	12,851
Small/Mid Cap (e)	235,451	195,623
Balanced (f)	12,079	5,609

- (a) Target Date - Seeks high total return until its target retirement date, with a greater focus on income as the target date approaches.
- (b) Fixed Income - Seeks to maximize total return consistent with reasonable risk investing primarily in net assets in a diversified portfolio of bonds or fixed income instruments of varying maturities.
- (c) Large Cap - Seeks long-term growth of capital or a combination of growth and income by investing primarily in stocks of larger, mature companies.
- (d) International - Seeks international diversification by investing in stocks of companies outside of the United States.
- (e) Small/Mid Cap - Seeks capital appreciation by investing primarily in stocks of small and medium sized companies.
- (f) Balanced - Seeks to achieve conservation of capital, current income and long-term growth of capital and income by investing in a mix of equity securities and fixed income investments.
- (g) Target Risk - Seeks to achieve growth of capital and income by providing an optimal mix of a broadly diversified portfolio.

NOTES TO FINANCIAL STATEMENTS

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	<u>Total Fair Value</u>	<u>Fair Value Measurements Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled Separate Accounts*	\$ 2,052,561	\$ -	\$ -	\$ -
	<u>\$ 2,052,561</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

<u>December 31, 2020</u>	<u>Total Fair Value</u>	<u>Fair Value Measurements Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled Separate Accounts*	\$ 1,880,770	\$ -	\$ -	\$ -
	<u>\$ 1,880,770</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

* Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been included in the fair value hierarchy. The net asset values presented in this table are intended to reconcile the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their account balances.

Note 6 - Exempt Transactions with Parties-In-Interest

Plan investments and non-interest-bearing cash are held and managed by John Hancock. These transactions qualify as party-in-interest transactions. Administrative expenses paid to John Hancock and the Plan's third-party administrator totaled \$25,434 for the year ended December 31, 2021. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 7 - Tax Status

The Plan adopted a volume submitter profit sharing plan which received a favorable opinion letter from the IRS dated March 31, 2014. The opinion letter stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions on an ongoing basis and to disclose any such positions it believes would have a material impact on the financial statements. The financial statement effects of a tax position are

EPHONAMATION.COM, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic. The effects of the COVID-19 pandemic have caused volatility in financial markets and may continue to affect the value of investments held by the Plan. Due to the uncertainty of the duration and the continued effects of this pandemic, the near and long-term financial effects cannot be reasonably estimated at this time.
