## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Eastern Bag & Paper Company, Inc. 401(k) Plan  
Milford, Connecticut

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Eastern Bag & Paper Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 1, 2022 and the related statement of changes in net assets available for benefits for the period January 1, 2022 through April 1, 2022, and the related notes to the 2022 financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Eastern Bag & Paper Company, Inc. 401(k) Plan as of April 1, 2022 and the changes in its net assets available for benefits for the period January 1, 2022 through April 1, 2022, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Eastern Bag & Paper Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eastern Bag & Paper Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eastern Bag & Paper Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eastern Bag & Paper Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matters***

***2022 Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. **NOTES TO FINANCIAL STATEMENTS**  
**APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the Eastern Bag & Paper Company, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established to provide retirement benefits for substantially all nonunion employees of Eastern Bag & Paper Company, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective July 26, 2021, the Company was acquired by Imperial Bag & Paper Co., LLC (Imperial Dade). As employees of Imperial Dade, Plan participants became eligible to contribute to the Imperial Bag & Paper Co., LLC Employee Benefit Plan. In connection with this acquisition, contributions to the Eastern Bag & Paper Company, Inc. 401(k) Plan ceased as of July 26, 2021, and the plan was effectively frozen as of this date.

As further discussed in Note 6, effective April 1, 2022, the Plan was merged and the assets of the Plan were transferred to the Imperial Bag & Paper Co., LLC Employee Benefit Plan.

**Contributions**

Prior to July 26, 2021, participants could elect to contribute up to 100% of compensation, as defined in the Plan. Participants were able to make contributions as either pre-tax or Roth deferrals. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan at a pre-tax rate of 5% of compensation unless they affirmatively elected otherwise. Participants who were deferring less than 5% (including 0%) had their deferral rates automatically increased to 5% each year on September 1, unless they affirmatively elected otherwise on an annual basis. Automatically enrolled participants were invested in an age-appropriate default investment portfolio until changed by the participant.

The Company made a matching contribution equal to 25% of a participant's contribution up to 6% of compensation, for a maximum match of 1.5% of compensation. In addition, the Company could elect to make additional profit-sharing contributions at the discretion of the Board of Directors. The Company did not make any additional profit-sharing contributions for the period ended April 1, 2022. All contributions were subject to certain limitations imposed by the Plan and the Internal Revenue Code (the Code).

NOTES TO FINANCIAL STATEMENTS  
APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Participant Accounts**

Prior to the Plan merger, each participant's account was credited with the participant's contributions and Company contributions (prior to July 26, 2021), and allocations of Plan earnings. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Allocations of Company contributions, investment income, and administrative expenses were based on participants' compensation or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested accounts.

**Investment Options**

Prior to the Plan merger, participants directed their contributions into any of the funds offered by the Plan, at 1% increments, which were held at Principal Trust Company (Principal). These funds included a variety of investment options with various objectives and degrees of financial risk. The Plan allowed participants to change their investment elections daily.

**Vesting**

Participants were immediately vested in their salary deferral, rollover and Company matching and discretionary contributions, including the earnings on those amounts.

**Notes Receivable from Participants**

Prior to the Plan merger, participants were able to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$20,000 or 50% of a participant's deferral or rollover accounts only. For loans taken out prior to August 1, 2017, the maximum general purpose loan was \$15,000 and the maximum principal residence loan was \$25,000 and all vested funds up to 50% of a participant's account were eligible for loan borrowings. Loan terms ranged from one to five years, except for loans to purchase a primary residence, which were offered over a term of up to 10 years. The loans were secured by the balance in the participants' accounts and bore interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Participants were able to have only one loan outstanding at any given time. Generally, principal and interest were paid ratably through payroll deductions.

**Payment of Benefits**

Upon retirement, disability, death or termination of employment, participants became entitled to the total value of their vested accounts. Distributions were paid in a lump-sum or in installments over a number of years, based upon election of the participant or as defined in the Plan or the Code. If a participant terminated employment for any reason and his or her vested account balance does not exceed \$1,000, the Plan administrator had the ability to distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance was between \$1,000 and \$5,000, the Plan administrator had the ability to roll the amount into an individual retirement account on behalf of the participant without the consent of the participant.

**EASTERN BAG & PAPER COMPANY, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Payment of Benefits (Continued)**

The Plan also provided for in-service withdrawals by participants who had attained the age of 59½. Additionally, in the case of an immediate and heavy financial hardship, such as medical or educational expenses, or to purchase a primary residence, a participant was entitled to the value of his or her deferral accounts and the amount of earnings thereon, which was payable immediately in a lump-sum distribution. The determination of financial hardship and the amount to be withdrawn was made by the Plan administrator in accordance with nondiscretionary standards applied uniformly to all participants similarly situated.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution retirement plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**EASTERN BAG & PAPER COMPANY, INC. 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Payment of Benefits**

Benefits to participants are recorded when paid.

**Plan Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

**Risks and Uncertainties**

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Subsequent Events**

Subsequent events were evaluated through February 2, 2023, the date the financial statements were available to be issued.

**NOTE 3 CERTIFICATION BY THE INVESTMENT TRUSTEE**

Information presented in the accompanying statement of net assets available for benefits as of December 31, 2021 for investments and notes receivable from participants was derived, without audit, from information certified to be complete and accurate by Principal, the trustee, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTE 4 FAIR VALUE MEASUREMENTS**

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**EASTERN BAG & PAPER COMPANY, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)**

*Level 2* – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

*Mutual Funds:* Mutual funds are valued at the quoted price of shares held by the Plan at year-end.

*Common and Collective Trusts:* Common and collective trusts are stated at their net asset values as reported by the investment manager of the fund based on the fair value of the underlying assets and liabilities at the measurement date. The net asset value is used as a practical expedient to estimate fair value.

*Pooled Separate Accounts:* Pooled separate accounts are stated at their net asset values as reported by the investment manager of the fund based on the fair value of the underlying assets and liabilities at the measurement date. The net asset value is used as a practical expedient to estimate fair value.

There have been no changes in the methodologies used at April 1, 2022 and December 31, 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**EASTERN BAG & PAPER COMPANY, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)**

Due to the transfer of assets in 2022, the Plan held no assets at fair value as of April 1, 2022. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	2021			Investments Measured at Net Asset Value (a)	Total
	Level 1	Level 2	Level 3		
Mutual Funds	\$ 18,152,615	\$ -	\$ -	\$ -	\$ 18,152,615
Common and Collective Trusts	-	-	-	4,662,416	4,662,416
Pooled Separate Account	-	-	-	584,083	584,083
Investments at Fair Value	<u>\$ 18,152,615</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,246,499</u>	<u>\$ 23,399,114</u>

(a) Certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

There were no transfers between levels of investments during the period January 1, 2022 through April 1, 2022.

Investments in common and collective trusts and the pooled separate accounts provide for daily liquidity and have no redemption features or other restrictions.

**NOTE 5 GUARANTEED INVESTMENT CONTRACT**

The Plan has entered into a benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The crediting interest rate is based on a formula agreed upon by the issuer, but it may not be less than 1%.

**EASTERN BAG & PAPER COMPANY, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 5 GUARANTEED INVESTMENT CONTRACT (CONTINUED)**

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract is a traditional investment contract. In connection with the Plan merger on April 1, 2022 as further discussed in Note 6, the contract was assumed by the Imperial Bag & Paper Co., LLC Employee Benefit Plan as of this date and therefore, the Plan's balance in the contract was \$-0- as of April 1, 2022. The contract value of the investment contract was and \$8,166,892 as of December 31, 2021.

During July 2021, in anticipation of the upcoming merger of the Plan, management notified Principal of its intent to terminate the investment contract. The contract requires either a 12-month advance notice or a 5% surrender charge in order to terminate the contract. Plan management opted to leave the contract intact through July 2022 in lieu of paying the surrender charge. As such, contract value remained the relevant measurement through the merger date of April 1, 2022.

**NOTE 6 PLAN MERGER AND TRANSFER**

As discussed in Note 1, the Company was acquired by Imperial Dade effective July 26, 2021. The Plan was frozen to new participants and contributions for existing participants ceased as of that date. Employees of the Company previously eligible for the Plan became eligible to participate in the Imperial Bag & Paper Co., LLC Employee Benefit Plan, a qualified 401(k) plan sponsored by Imperial Dade. Effective April 1, 2022, the Plan was merged and the assets of the Plan were transferred to the Imperial Bag & Paper Co., LLC Employee Benefit Plan. A summary of the transferred assets is below.

Investments	\$ 28,502,011
Notes Receivable from Participants	282,710
Total Transfers	<u>\$ 28,784,721</u>

**NOTE 7 PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments were managed by Principal. Principal is the trustee of the Plan, and, therefore, these transactions qualified as party-in-interest transactions. Other parties-in-interest included recordkeepers and other professional service firms who provide services to the Plan. Certain employees of the Company who participate in the Plan performed administrative services to the Plan at no cost to the Plan. Notes receivable from participants were also considered party-in-interest transactions.

**EASTERN BAG & PAPER COMPANY, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**APRIL 1, 2022 AND DECEMBER 31, 2021**

**NOTE 8 INCOME TAX STATUS**

The Plan has adopted a volume submitter profit-sharing plan with cash or deferred arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS) that it was in compliance with the applicable requirements of the Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 NONEXEMPT TRANSACTION**

The Company failed to remit employee 401(k) loan repayments for certain payroll periods within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the Internal Revenue Code. The Company will correct the prohibited transaction by depositing the lost earnings, filing the required Form 5330 with the Internal Revenue Service and paying the appropriate excise tax.
