REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Local Union 531, I.B.E.W. &
N.E.C.A. Money Purchase
Pension Plan

Opinion

We have audited the financial statements of Local Union 531, I.B.E.W. & N.E.C.A. Money Purchase Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Local Union 531, I.B.E.W. & N.E.C.A. Money Purchase Pension Plan as of July 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MONEY PURCHASE PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS

JULY 31, 2022 AND 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Local Union 531, I.B.E.W. & N.E.C.A. Money Purchase Pension Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contractor contributions, including reciprocal contributions, due and unpaid prior to year end, are recorded as contributions receivable. Contractor contributions due as determined by payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked and the contribution rate set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 within a jurisdiction primarily located in La Porte, Porter, Jasper, Pulaski and Starke counties in Indiana.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reciprocal Contributions - The Plan has entered into reciprocity agreements with various other multiemployer pension plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union. When a participant works in the territory of a reciprocating local union, the Plan is required to make contributions to the participant's home local benefit plans on participant's behalf. The Plan's contribution revenue includes monies received pursuant to reciprocity agreements. The Plan uses the same recognition and measurement criteria for such revenue as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions included reciprocal contributions of \$623,990 and \$385,488 for the years ended July 31, 2022 and 2021, respectively, from various other pension plans under the terms of reciprocity agreements. The Plan remitted a total of \$611,026 and \$245,073 in reciprocal contributions to various other pension plans under the terms of reciprocity agreements for the years ended July 31, 2022 and 2021, respectively.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan but were not yet paid at July 31, 2022 and 2021 totaled \$78,656 and \$710,180 respectively.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through February 2, 2023, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established during 1986 as a result of collective bargaining agreements between the union and various employer associations to provide retirement, disability and survivor benefits for eligible participants. The Plan is primarily funded by contractor contributions as specified in the collective bargaining agreements. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Under current Plan provisions, each participant's account is immediately vested in all contractor contributions paid on the participant's behalf. Upon death, disability, retirement or separation from service for more than one year, participants are entitled to receive their account balance subject to the payment provisions of the Plan.

Each participant's account is credited with contractor contributions made on their behalf, as well as allocations of Plan earnings. Investment income or loss is credited to participant accounts on a daily basis based on the participant's investment options. An administrative fee is deducted from each participant's account on a quarterly basis. The benefit to which participants are entitled is the benefit that can be provided from their account.

Participants may direct contributions made on their behalf in a variety of investment options. In the absence of participant direction, contributions are invested in default investment funds. Participants may change their investment options as permitted under the Plan provisions. Participants must evaluate their own investment goals and objectives and choose the investment options best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their vested account balance to be lower than the contractor contributions made to the Plan on their behalf.

Included in net assets available for benefits is an administrative reserve, which is available to pay administrative expenses and establish participant accounts for employer contributions that are deemed delinquent. At July 31, 2022 and 2021, approximately \$94,000 and \$57,000 respectively, was held in the administrative reserve.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's determination letter is dated March 1, 2016, in which the Internal Revenue Service (IRS) stated that the Plan and related trust are designed in accordance with Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FUNDING POLICY

Contractor contributions to the Plan are made under various negotiated collective bargaining agreements. The contribution rate per hour worked ranged from \$2.77 to \$9.10 for the years ended July 31, 2022 and 2021.

NOTE 6. GUARANTEED INCOME FUND

The Plan has a traditional insurance contract with Prudential Retirement Insurance and Annuity Company (Prudential) with a contract value of \$18,664,711 and \$19,802,478 at July 31, 2022 and 2021, respectively. Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and crediting interest rates that is guaranteed to the Plan. The crediting interest rates are declared in advance and are guaranteed for six month periods (January 1 through June 30 and July 1 through December 31). The crediting interest rate is based on a formula agreed upon with the issuer.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Prudential, represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6. GUARANTEED INCOME FUND (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity was provisions, (3) bankruptcy of the Plan sponsor or the other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth by level within the fair value hierarchy, the Plan's investment assets at fair value as of July 31, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Pooled funds	<u>14,825,240</u>

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The collective investment funds and pooled funds are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

NOTE 7. FAIR VALUE MEASUREMENTS (CONTINUED)

Measurements Using Net Asset Value as a Practical Expedient (continued)

The collective investment funds and pooled funds are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available on a daily basis without notice.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Due to inherent uncertainties involved in the valuation of investments that are not publicly traded, estimated fair values may differ materially from the values that would have been used had a ready market for the underlying securities existed.

At July 31, 2022 and 2021, the Plan held a significant portion of its assets in one investment fund with a contract value of \$18,664,711 and \$19,802,478 respectively, which represented approximately 21% and 20% of net assets available for benefits as of July 31, 2022 and 2021, respectively. The investment is a fully benefit-responsive guaranteed investment contract with underlying assets consisting primarily of investment-grade fixed income securities. It is reasonably possible that changes in the fair value of this fund could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 9. RELATED ORGANIZATIONS

The Plan is related to a pension plan and a local union. At July 31, 2022, the Plan was owed \$2,000 from the related pension plan for administrative expenses inadvertently paid on behalf of the related pension plan. This amount was reimbursed subsequent to year end. At July 31, 2021, the Plan was owed \$25,374 from the related pension plan for an amount deposited in error.

NOTE 10. MAJOR CONTRACTORS

Contributions from two contractors accounted for approximately 34% of total contractor contributions for the year ended July 31, 2022. Contributions from four contractors accounted for approximately 56% of total contributions for the year ended July 31, 2021. In the event the contractors were to suspend contributions, the Plan would retain the risk of meeting certain fixed administrative expenses until the appropriate adjustments were made.

NOTE 11. PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are managed by Prudential Investments. Prudential Investments is the recordkeeper for the Plan, and provides certain administrative services to the Plan pursuant to an Administrative Services Agreement (ASA) between the Plan and Prudential Investments. These transactions qualify as party-in-interest transactions.

Prudential Investments deducts administrative fees from participants' accounts. At July 31, 2022, a total of \$24,123 had been deducted by Prudential Investments and was remitted to the Plan after year end.

NOTE 12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 91,862,873	\$ 98,764,265
Amounts allocated to withdrawing participants	<u>(78,656)</u>	<u>(710,180)</u>
Net assets available for benefits per the Form 5500	<u>\$ 91,784,217</u>	<u>\$ 98,054,085</u>

The following is a reconciliation of benefits paid to or for participants per the financial statements to the Form 5500 for the year ended July 31, 2022:

Benefits paid to or for participants per the financial statements	\$ 3,232,733
Add - amounts currently payable at end of year	78,656
Less - amounts currently payable at beginning of year	<u>(710,180)</u>
Benefits paid to or for participants per the Form 5500	<u>\$ 2,601,209</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefits that have been processed and approved for payment prior to year end, but not yet paid as of that date.

NOTE 13. IMPACT OF COVID-19 AND NEWLY ENACTED LEGISLATION

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which may negatively impact the Plan, though the potential impact and duration is unknown as of the date of the financial statements were available to be issued.

Several major legislative relief packages were enacted in response to the coronavirus outbreak, containing numerous tax, emergency funding and regulatory provisions affecting retirement plans. The Plan continues to evaluate the impact of newly enacted legislation on its provisions, operations and cash flows.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Local Union 531, I.B.E.W. &
N.E.C.A. Money Purchase
Pension Plan

We have audited the financial statements of Local Union 531, I.B.E.W. & N.E.C.A. Money Purchase Pension Plan (the Plan) as of and for the years ended July 31, 2022 and 2021, and our report thereon dated February 2, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
