INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Nestlé Professional Employees Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Nestlé Professional Employees Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditors' Report

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit 2021 Financial Statements section of our report. We are required to be independent of **Nestlé Professional Employees Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Nestlé Professional Employees Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Nestlé Professional Employees Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Nestlé Professional Employees Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedules of *Assets Held for Investment Purpose and Delinquent Participants Contributions* as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditors' Report

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Nestlé Professional Employees Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NESTLÉ PROFESSIONAL EMPLOYEES RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1. Description of the Plan

The following description of Nestlé Professional Employees Retirement Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan Document and Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Swirl, Corp. (the Company, Plan Administrator and Plan Sponsor).

Effective April 2021, Nestlé Puerto Rico, Inc. went through a restructuring in which the Company was dissolved effective June 30, 2021, and merged into Swirl, Corp. As a result of this restructuring, the Nestlé Puerto Rico Employee Retirement Plan was amended and restated effective July 1, 2021 with the following changes, (a) the Plan Sponsor changed to Swirl, Corp.; (b) the Plan Sponsor's Employer Identification Number changed to 66-0720233; (c) the Plan's name was changed to Nestlé Professional Employees Retirement Plan; and (d) service with the Company will be considered for eligibility and vesting purposes.

The Plan was established in July 1990, and has been amended thereafter, to assist employees in providing security for their retirement by the adoption of a retirement savings program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees may elect to become participants in the Plan after meeting the eligibility requirements set forth in the Plan document. Employees will be automatically enrolled in the Plan at a contribution rate of 1% of eligible compensation unless they opt-out or make a different election.

Effective July 1, 2021, the Plan was amended to include overtime, commissions and bonuses as compensation.

Plan Administration

The Plan is administered by a Savings Plan Committee appointed by the Company and BPAS Trust Company of Puerto Rico is appointed as trustee. The Plan requires that participants select the investment funds into which their accounts are invested. The participants were able to select from 27 investment funds and 18 investment funds for the years ended December 31, 2021 and 2020, respectively.

Contributions

The maximum allowable pretax contributions permitted by the Puerto Rico Internal Revenue Code of 2011 amounts to \$15,000 for the years ended December 31, 2021 and 2020. The Company makes matching contributions to the Plan equal to 60% of the participants' contributions up to a maximum of 6% of the participants' compensation.

The Plan allows employees age 50 and older during the calendar year to elect to make up to an additional \$1,500 catchup contribution during the years ended December 31, 2021 and 2020. Catchup contribution amounts are not eligible for Company matching contributions.

NESTLÉ PROFESSIONAL EMPLOYEES RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1. Description of the Plan (continued)

Participant Account Balances and Vesting

Participant contributions are credited to accounts established for each participant and, along with related investment gains and losses, are fully vested and nonforfeitable. Contributions by the Company are credited to the participant's account and, along with related investment gains and losses, become vested based upon a participant's years of service with the Company.

Participants become vested in the Company's contributions, in accordance with the following schedule:

<u>Years of service</u>	<u>Vested percentage %</u>
Less than 1	—
1	—
2	20
3	40
4	60
5	80
6 or more	100

Forfeitures represent the nonvested portion of the Company's matching contributions plus earnings thereon, which are not distributable to participants who terminate employment before they are 100% vested. The amounts forfeited from a participant may be used to reduce the Plan's administrative expenses or to reduce the Company matching contributions. At December 31, 2021 and 2020, the Plan's forfeited account balances totaled \$32,258 and \$31,412, respectively.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his/her account, or installment payments over a period of at least 5 years and not to exceed the lifetime of the participant or his/her beneficiary. The Plan also provides for certain withdrawals during employment. Participant contributions may be withdrawn upon the attainment of age 59 ½ or, in the case of hardship, subject to limitations as defined in the Plan document. Withdrawal of rollover amounts and Company's contributions are also provided for, subject to, limitations set forth in the Plan document.

Administrative Expenses

Expenses of administering the Plan are funded by either the Company or the Plan, as agreed upon in the Plan document, subject to limitations under ERISA. Each participant's account is charged with an amount of administrative expenses, according to the applicable administrative service agreement.

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles in the United States of America, requires plan trustees to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices of units held at the end of the year are used to value mutual fund investments. All investment allocations are participant-directed.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan follows the provisions of Accounting Standards Codification (ASC) Topic (820), Fair Value Measurement, for fair value measurement of financial assets and financial liabilities and for fair value measurement of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 also establishes a framework for measuring fair value and expands disclosures about fair value measurements.

Payment of Benefits

Benefit payments to participants are recorded upon distribution of assets from the Plan.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Puerto Rico Treasury Department are recorded as liability with a corresponding reduction to contributions.

Note 2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

Participants may direct investment of their account balances to various types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Note 3. Certification by Plan Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520. 103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

Note 4. Fair Value Measurements

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Plan determines fair value based on assumptions that market participants would use in pricing an asset or a liability in the principal or most advantageous market. The fair value framework requires the categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant judgment. The three levels are defined as follows:

- Level 1** Assets or liabilities that are valued based on quoted prices in active markets that are accessible at measurement date
- Level 2** Assets or liabilities that are valued based upon inputs, other than those included in Level 1; based on quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, or financial instruments for which all significant inputs are observable, either directly or indirectly
- Level 3** Assets or liabilities that are based on unobservable inputs, including the reporting entity's own analysis of the underlying economic data that market participants would factor into the pricing of the asset or liability

Note 5. Related Party Transactions

BPAS Trust Company of Puerto Rico provide trustee, custodial, investment management, and record-keeping services to the Plan and, accordingly, are considered parties in interest. Certain administrative expenses of the Plan are paid and absorbed by the Company. Such expenses include accounting, legal, investment management, trust and record-keeping fees, and other fees for administering the Plan.

Note 6. Excess Participants' Contributions

The following is a reconciliation of participants' contributions per the financial statements at December 31, 2021 to the Form 5500:

Participants' contributions as per financial statements	\$ 86,112
Excess participants' contributions payable	<u>2,384</u>
Participants' contributions as per Form 5500	<u>\$ 88,496</u>

Note 7. Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their participant accounts.

Note 8. Tax Status

The Puerto Rico Department of the Treasury has determined and informed the Plan's trustee under a letter dated April 2, 2014, that the prototype plan is designed in accordance with the applicable sections of the 2011 PR Code. However, as per the 2011 PR Code, a separate determination letter is required for any sponsor that adopts the prototype plan. The Puerto Rico Treasury Department has determined and informed the Plan's trustee, by a determination letter dated January 27, 2021, relating to the aforementioned amendments adopted by the Plan indicating that the Plan and related trust are designed in accordance with the Internal Revenue Code.

Once qualified, the Plan is required to operate in conformity with the Puerto Rico Code to maintain its qualification. The plan administrator has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the PRIRC.

Accounting principles generally accepted in the United States of America, require the Plan administrator to evaluate tax positions taken by the Plan and recognized a tax liability for any uncertain position that more likely than not would be sustained upon examinations by the IRS. The Plan is subject to routine audits by the tax authorities; however, there are currently no audits for any tax periods in progress.

Note 9. Subsequent Events

The Plan's Trustee has evaluated subsequent events through February 6, 2023, the date which the financial statements were available to be issued. The Trustee has determined that there were no events occurring in this period that required disclosure in or adjustment to the accompanying financial statements.
