Report on the Financial Statements

We have audited the accompanying financial statements of the Bell Brothers Heating and Air 401(k) Profit Sharing Plan & Trust (the Plan), which comprise the statements of net assets available for benefits as of July 31, 2021 and December 31, 2020, the related statement of changes in net assets available for benefits for the period ended July 31, 2021, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of July 31, 2021 and December 31, 2020, and the changes in net assets available for benefits for the period ended July 31, 2021, in accordance with the generally accepted accounting in the United States of America described in Note 2.

Emphasis of Matter – Restatement

As discussed in Note 11 to the financial statements, the 2020 financial statements have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

Emphasis of Matter – Plan Merger

As discussed in Note 1 and 12 to the financial statements, effective July 1, 2021, the Company merged the Plan into an existing plan, Service Champion, Inc. 401(k) Profit Sharing Plan. Our opinion is not modified with respect to this matter.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Delinquent Participant Contributions for the period ended July 31, 2021 is presented for the purpose of additional analysis and is not the required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
JULY 31, 2021 AND DECEMBER 31 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Bell Brothers Heating and Air 401(k) Profit Sharing Plan & Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was adopted by a resolution of the Board of Directors of Bell Brothers Heating and Air, Inc. (the Company) effective January 1, 2008. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective May 1, 2020. The Plan is subject to ERISA. The purpose of the Plan is to provide retirement benefits for substantially all employees who have completed three months of service with the Company.

Effective July 1, 2021, the Plan merged into Service Champions, Inc. 401(k) Profit Sharing Plan. All Plan assets were transferred into the Service Champions, Inc. 401(k) Profit Sharing on August 5, 2021. All eligible employees who were employees of the Company and participated in the Plan and who have met the age and service requirements of the merged-in Plan were allowed to enter Service Champions Inc. 401(k) Profit Sharing Plan on July 1, 2021.

Contributions

Employees become eligible to participate in the Plan and make elective deferrals and receive matching contributions after completing three consecutive months of eligible service and attaining age 18. Participants may contribute up to 100% of their annual wages for up to a maximum amount as prescribed by law. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company may also make an annual discretionary profit sharing contribution. To be eligible for the profit sharing contribution, participants must be credited with one year of service, attain age 21, and be employed by the Company on the last day of the Plan year. To earn a year of service, participants must be credited with at least 1,000 hours of service during the Plan year. The Company did not elect to make any profit sharing contributions to the Plan for the period ended July 31, 2021.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's and employer contributions and an allocation of net earnings from investments and changes in investment values. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are always fully vested in the salary deferral contributions, qualified rollovers or transfers from other retirement plans, and employer matching contributions. Participants vest in profit sharing contributions as follows: 20% after two years of credited service, increasing by 20% for each year of service thereafter. After six years of service, participants are fully vested in profit sharing contributions.

Payment of Benefits

Upon termination of employment due to retirement, death, disability or separation of service, the balance in the participant's account will be distributed to the participant or to their beneficiaries in either a lump sum, a distribution in the form of an annuity, or equal installment payments, or some combination of the foregoing, at the election of the participant or beneficiary.

Notes Receivable from Participants

Notes receivable from participants consist of loans received by participants in exchange from promissory notes to the Plan. Participants may borrow up to the lesser of \$50,000 or 95% of half of the vested interest in their account in the form of a loan with a minimum of \$1,000. Loans bear interest at prevailing market rates and generally must be repaid within 4 1/2 years. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

Forfeitures

Contributions by the Company that are forfeited by participants upon termination may be used by the Company to pay Plan administrative expenses or may be allocated to the remaining participants in the Plan. At July 31, 2021 and December 31, 2020, there were no forfeited nonvested account balances and there were no forfeitures utilized by the Company during the period ended July 31, 2021.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

In preparing the financial statements in accordance with accounting principles generally accepted in the United States of America, management makes estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

BELL BROTHERS HEATING AND AIR 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2021 AND DECEMBER 31 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2021 or December 31, 2020. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

BELL BROTHERS HEATING AND AIR 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2021 AND DECEMBER 31 2020

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at July 31, 2021 and December 31, 2020.

Interest-Bearing Cash – Valued at carrying value, which approximates fair value, based on the amount of net contributions plus any investment earnings allocated to the account.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	\$ 301,385	\$ -	\$ -	\$ 301,385
Mutual Funds	5,326,936	-	-	5,326,936
Total Investments at Fair Value	<u>\$ 5,628,321</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,628,321</u>

BELL BROTHERS HEATING AND AIR 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2021 AND DECEMBER 31 2020

NOTE 4 TAX STATUS

The Plan is placing reliance on an opinion letter dated April 10, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is therefore not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

The investments are managed by MidAtlantic Trust Company, the trustee, as defined by the Plan and therefore, these investments transactions qualify as party-in-interest transactions. Notes receivable from participants represent loans to employees and therefore also qualify as party-in-interest transactions. Additionally, the Plan has a number of service providers. Such providers are parties in interest under ERISA.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 NONEXEMPT TRANSACTION

The Company failed to remit employee 401(k) deferral contributions for certain payroll periods within the timeframe prescribed by the Department of Labor. They are deemed prohibited transactions in accordance with ERISA and the IRC. The Company is working to correct the prohibited transaction during 2022.

RE: Annual Return/Report of Employee Benefit
Plan - Form 5500 Year 2020 Plan 195644
EIN 68-0362665
Due October 15, 2022

Dear Sir/Madam:

Bell Brothers Heating and Air Inc. and management has hired an independent certified public accountant to audit the Plan for the year ended December 31, 2021. Due to this being an audit of a plan that was merged during a year we are experiencing delays in obtaining records as a result of staff changes and COVID-19. We are working on filing a complete and accurate financial statement. The auditors' report, financial statements and Schedule of Assets Held are not yet complete. These reports will be attached to an amended filing of the form 5500 upon completion.

This is a request to waive any penalty as a result of the late filing of the 2021 5500.

Thank you for understanding,
