INDEPENDENT AUDITORS' REPORT

To the Trustees of the
EMI Industries, LLC 401(k) & Bonus Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of EMI Industries, LLC 401(k) & Bonus Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

One Tampa City Center • 201 N. Franklin St., Suite 2600 • Tampa, Florida 33602 • 813-875-7774 fax 813-874-6785 • www.rgcocpa.com

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (held at end of year) and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted

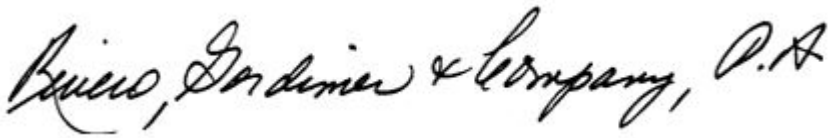

auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Trustees of the
EMI Industries, LLC 401(k) & Bonus Plan

We were engaged to audit the accompanying financial statement of net assets available for benefits of EMI Industries, LLC 401(k) & Bonus Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note J, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustees of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustees as of December 31, 2020 that the information provided to the Plan administrator by the trustees is complete and accurate.

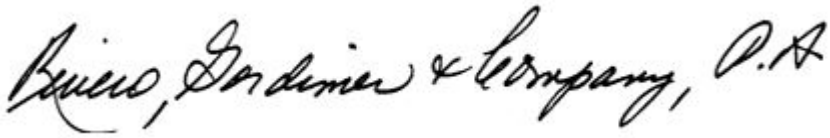

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

EMI Industries, LLC 401(k) & Bonus Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A - DESCRIPTION OF PLAN

EMI Industries, LLC, a Florida limited liability company, acquired M & H Manufacturing, Inc., All State Fabricators Corp., and Marlo Manufacturing Co., Inc. in 1999, 2003 and 2011, respectively. The M & H Manufacturing, Inc., All State Fabricators Corp. and Marlo Manufacturing Co., Inc. 401(k) retirement plans were merged into the EMI Industries, LLC 401(k) & Bonus Plan retirement plan in the reporting period subsequent to the company acquisitions in accordance with the Internal Revenue Code and its regulations relating to such mergers and consolidations.

The following description of the EMI Industries, LLC ("Company") 401(k) & Bonus Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of its provisions.

1. General

The Plan is a defined contribution plan and trust covering employees of the Company. The Plan was restated effective May 12, 2017, upon transfer of investments to Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC.

2. Contributions

Participants are permitted to make elective deferral contributions of their compensation, subject to the limits of the Internal Revenue Code. Employer matching and profit-sharing contributions shall be made at the discretion of the employer. The Company accrued matching contributions of $125,856 and $-0- at December 31, 2021 and 2020, respectively.

The Plan has an Eligible Automatic Contribution Agreement (EACA) provision under Internal Revenue Code Section 414(w). The default deferral rate shall be 3% of an employee's compensation each payroll period. The automatic deferral percentage will increase by 1% per year up to a maximum of 10% of employee compensation. Participants must specifically opt out of the auto-enroll feature if they choose not to participate.

3. Participant Accounts

The participant accounts are participant directed investment options. The participants are allowed to change the percentage contributed to the Plan through payroll deductions on a weekly basis. Participants can also move individual accounts from one mutual fund to another or change how the funds are allocated among investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Each participant in the Plan has a separate account that is credited with the annual allocation of (a) the Company's contributions, (b) the employee's elective contributions, (c) the Plan's earnings or losses, and (d) forfeitures, if any. Allocations are based on the prorated earnings of the employee compared to the total earnings of all participants.

NOTE A - DESCRIPTION OF PLAN - Continued

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon, is based on years of service. Participants in the Plan vest in employer contributions at a rate of 20% annually and are fully vested after six years of credited service.

One hundred percent vesting occurs, regardless of the number of years of service, when a participant reaches normal retirement age (65), dies, or becomes totally and permanently disabled.

5. Payment of Benefits

Benefit payments are made in the form of a lump-sum distribution or installments over a period of not more than the assumed life expectancy. Upon normal retirement, death, or becoming permanently disabled, Plan participants will be entitled to 100% of their account balance. If employment is terminated for any reason other than those previously mentioned, the participant will only be entitled to the vested portion of the employer contributions. However, participants are entitled to 100% of the account balance of any salary reduction or voluntary contributions made on their own behalf.

6. Forfeitures

Forfeitures of non-elective and matching contributions are used to reduce employer contributions or pay administrative expenses. Forfeited non-vested accounts totaled approximately $10,889 and $3,594 at December 31, 2021 and 2020, respectively. No forfeitures were used to pay administrative expenses during the year ended December 31, 2021.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants become 100% vested in their accounts in the event of Plan termination.

8. Basis of Participant Contributions

Participants who have reached 21 years of age and two months of service with the Company may elect to have salary reduction contributions in such amounts expressed either in dollars or in whole percentages of their compensation, subject to Internal Revenue Code limitations.

Participants who have attained 21 years of age and one year of service are eligible for employer discretionary match contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Investment Valuation

Investments are valued as follows:

- Mutual funds are valued at the daily closing price as reported by the fund. These funds are required to provide their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- Fixed annuity contracts are valued daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

4. Benefit Payments

Benefits are recorded when paid.

5. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Participant loans are considered in default if not current at the end of the calendar quarter following the quarter when a payment was due.

NOTE C - INVESTMENTS

The Plan's investments consist of mutual funds and fixed annuity contracts that are held by a trust company at December 31, 2021 and 2020. The value of these trust investments was $19,659,103 and $17,199,632 at December 31, 2021 and 2020, respectively.

The net appreciation or depreciation includes realized gains and losses on investments that were bought and sold during the respective year. The net appreciation in fair value of the investment accounts was $967,911 for the year ended December 31, 2021.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement and Disclosures,* establishes a framework for using fair value to measure assets and liabilities and defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) as opposed to the price that would be paid to acquire the asset or received to assume the liability (an entry price).

Under FASB ASC 820, a fair value measure should reflect the assumptions that market participants would use in pricing the asset or liability, including the assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance.

FASB ASC 820 requires disclosures that stratify the statement of net assets available for benefits amounts measured at fair value based on inputs the Plan used to derive fair value measurements. These strata include:

- Level 1 inputs, where the valuation is based on quoted market prices for identical assets or liabilities traded in active markets (which include exchanges and over-the-counter markets with sufficient volume),

- Level 2 inputs, where the valuation is based on quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market, and

- Level 3 inputs, where the valuation is generated from model-based techniques that use significant assumptions not observable in the market, but observable based on fund-specific data. These unobservable assumptions reflect estimates or assumptions that market participants would use in pricing the asset or liability. Valuation techniques typically include option pricing models, discounted cash flow models and similar techniques, but may also include the use of market prices of assets or liabilities that are not directly comparable to the subject asset or liability.

NOTE D - FAIR VALUE MEASUREMENTS - Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques that are used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020:

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end. Investments in certain restricted mutual funds are valued at quoted market prices. (Level 1)

Fixed Annuity Contracts: Valued daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. These annuities are fully benefit-responsive and are therefore reported at contract value and are not leveled in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents financial assets measured at fair value on a recurring basis as of December 31,:

December 31, 2021	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual funds	$ 17,960,206	$ 17,960,206	$ -	$ -
Total	$ 17,960,206	$ 17,960,206	$ -	$ -

December 31, 2020	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Mutual funds	$ 15,943,607	$ 15,943,607	$ -	$ -
Total	$ 15,943,607	$ 15,943,607	$ -	$ -

The information in this note was obtained from data that had been prepared and certified as complete and accurate by Great-West Trust Company, LLC as of December 31, 2021 and 2020, respectively.

NOTE E - FIXED ANNUITY CONTRACTS

The Plan invests in fully benefit-responsive investment contracts issued by Great-West Life & Annuity Insurance Company ("GWL&A") and had a value of $1,698,897 and $1,256,025 at December 31, 2021 and 2020, respectively. GWL&A maintains the contributions under a general account. The account is crediting with earnings on the underlying investments and charge for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.15 percent and 1.28 percent at December 31, 2021 and 2020, respectively.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because these are the amounts received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by GWL&A, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options of deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Contract administrative fees amounted to $62,652 for the year ended December 31, 2021.

NOTE G - TAX STATUS

The IRS has determined and informed the Plan by a letter dated October 16, 1998, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has received its latest IRS determination letter dated March 31, 2014. Although the Plan has been amended since receiving the latest determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

The Plan was subject to a Department of Labor investigation that began January 2021. The Plan and Company have taken all collective action and the Department of Labor closed its investigation in 2022.

NOTE H - ADMINISTRATION OF PLAN ASSETS

The investments of the Plan are held and administered by GWL&A and Great-West Trust Company, LLC. As Plan trustees, GWL&A and Great-West Trust Company, LLC invests cash received, interest and dividend income, and makes distributions to participants. Officers or employees of the Company also perform administrative functions; however, no officer or employee received compensation from the Plan.

NOTE I - RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENTS

The following is a reconciliation of net assets available for benefits per Form 5500 to the financial statements at December 31,:

	2021	2020
Net assets available for benefits per Form 5500	$ 20,045,439	$ 17,610,183
Changes due to participant contributions receivable	17,462	22,331
Changes due to employer contributions receivable	125,856	-
Net assets available for benefits per the financial statements	$ 20,188,757	$ 17,632,514

The following is a reconciliation of changes in net assets available for benefits per Form 5500 to the financial statements at December 31, 2021:

Net increase in net assets available for benefits per Form 5500	$ 2,435,256
Changes due to participant contributions receivable for 2021	17,462
Changes due to employer contributions receivable for 2021	125,856
Changes due to participant contributions receivable for 2020	(22,331)
Net increase in net assets available for benefits per the financial statements	$ 2,556,243

NOTE J - FINANCIAL DATA CERTIFIED BY THE TRUSTEES (UNAUDITED)

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC have certified the Plan's investments, and the investment income and losses as being complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to be complete and accurate by the trustees:

	2021	2020
Investments		
Mutual funds	$ 17,960,206	$ 15,943,607
Fixed annuity contracts	$ 1,698,897	$ 1,256,025
Investment income		
Net appreciation of mutual funds	$ 967,911	
Dividends	$ 1,392,976	
Interest	$ 15,600	

NOTE K - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE L - PARTICIPANT'S BENEFITS

Some Plan participants have terminated employment with the Company but had vested balances in the Plan at December 31, 2021 and 2020. There were no amounts allocated to accounts that have elected to withdraw from the Plan but have not yet been paid at December 31, 2021 and 2020.

NOTE M - SUBSEQUENT EVENTS

The Plan's management has evaluated events and transactions occurring subsequent to December 31, 2021 as of February 10, 2023, which is the date the financial statements were available to be issued.

To the Plan Trustees,
EMI Industries, LLC 401(k) & Bonus Plan

We have audited the financial statements of EMI Industries, LLC 401(k) & Bonus Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we will issue our report thereon dated February 10, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustees, which are a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 6, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by of EMI Industries, LLC 401(k) & Bonus Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Your estimate of the collectability of notes receivable from participants is based on future events. We evaluated the key factors and assumptions used to develop the estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The disclosure of fair value measurements in Note D to the financial statements disclose methods used to measure fair value of investments.

- The disclosure of risks and uncertainties in Note K to the financial statements disclose the current and future impact to Plan investments.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards with management each year prior to retention as the Plan's auditors.

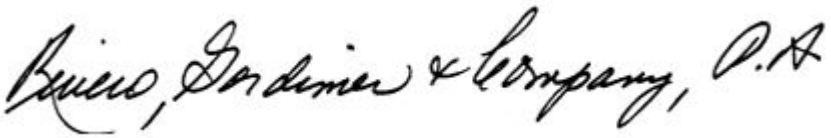

However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Certain employee deferrals related to the Plan years ended December 31, 2017 and December 31, 2019, were not remitted to the Plan timely and are considered delinquent deferrals in accordance with Department of Labor (DOL) Regulation 29 CFR 2510.3-102. These delinquent deferrals were paid into the Plan and have been fully corrected as to funding the lost earnings as of December 31, 2020. The IRS Form 5330, *Return of Excise Taxes Related to Employee Benefit Plans* and related penalty have been filed and paid as of December 31, 2021.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Trustees and Plan Sponsor management of the EMI Industries, LLC 401(k) & Bonus Plan, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.
