## **INDEPENDENT AUDITOR'S REPORT**

To the Sheng-Raamco Management, Inc. 401 (k) Plan and Participants:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Sheng-Raamco Management, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sheng-Raamco Management, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sheng-

Raamco Management, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheng-Raamco Management, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sheng-Raamco Management, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheng-Raamco Management, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets Held as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We have audited the statement of net assets available for benefits of Sheng-Raamco Management, Inc. 401(K) Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 (not presented herein), and in our report dated September 23, 2021, we did not express an opinion on those financial statements.

## **Sheng-Raamco Management Inc. 401(k) Plan**

### **Notes to Financial Statements**

#### ***A. Description of Plan***

The following description of the Sheng-Raamco Management Inc. 401(k) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all eligible employees of Sheng-Raamco Management, Inc. and its affiliated companies (collectively, the "Company") who have one year of service, are 18 years of age or older, and have completed 1,000 hours since the commencement of employment. It is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA) and was established on March 1, 1996. The Plan is administered by ADP Retirement Services, the third party administrator. The plan administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.
2. *Contributions.* Each year, participants may contribute up to 15% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a retirement preservation trust as investment options for participants. The Company contributes 20% of the first 10% of annual compensation that a participant contributes to the Plan. Company contributions are invested as directed by the participant. The employer can make an additional discretionary contribution at the end of the year on behalf of all eligible employees. All participant contributions are made through payroll deductions. Contributions are subject to certain statutory limitations.
3. *Participant Accounts.* Each participant's account is credited with the participant's contributions and allocation of Company's matching contributions and of Plan earnings (losses). Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. *Vesting.* Participants are 100% vested in the value of their cumulative regular and additional contributions and earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.
5. *Notes receivable from participants:* Participants may not borrow against their individual accounts.
6. *Other income:* The various funds, where the assets of the Sheng-Raamco Management, Inc. 401(k) Plan (Plan) are invested, pay fees to the broker executing the trades. The fees are generated both from the internal expense ratio of the mutual fund and the amount paid per position for each participant holdings in the fund. The Plan transitioned to Fiduciary Advisory Services on February 1, 2020, thereby making the revenues transparent. Effective that date,

the broker now reports these revenues to the Plan on a quarterly basis. Pertinent broker fees and other expenses are paid out of this account. Any excess amount is deposited to a designated account and is recorded as Other Income.

7. *Payment of benefits:* On termination of service due to death, disability, or retirement a participant may elect to receive payments either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments. Participants may have all or any portion of their eligible rollover distributions either (1) paid in a direct rollover to an individual account or another employer plan or (2) paid to the participant. Participants who choose to be paid directly are subject to withholding tax as required by the IRS to be credited against the participants' tax liability.

Participants or their beneficiary must file a written request with the Company in order to start receiving benefits when they become eligible or when the participant dies. Participants must begin taking required minimum distributions at age 72.

8. *Forfeited accounts:* The Company may use forfeited non-vested accounts to reduce future employer contributions and/or pay for plan administrative expenses.

For the years ended December 31, 2021 and 2020, the forfeited accounts amounted to \$4,577 and \$2,030, respectively. The balances of forfeited accounts as of December 31, 2021 and 2020 are \$7,519 and \$2,941, respectively.

9. *Administrative Expenses:* For the year ended December 31, 2021 and 2020, the Plan incurred administrative expenses in the amount of \$14,136 and \$8,624, respectively.

## ***B. Summary of Significant Accounting Policies***

### *Basis of Accounting*

The financial statements of the Plan are prepared on the modified accrual basis of accounting. Any contributions attributable to the current plan year funded in the subsequent year are included as accrued contributions in the current year's accounts.

Investments held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See note D for discussion of fair value measurements. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Excess Contributions Payable*

Amounts payables to participants for contributions in excess of amounts allowed by the IRS are recorded as distributions in the year the excess contributions are paid to the applicable participants. For the year ended December 31, 2021, \$6,744 excess contributions were distributed prior to March 15, 2022. For the year ended December 31, 2020, \$29,794 excess contributions were distributed prior to March 15, 2021.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Expenses*

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments which amounted to \$33,356 for the year ended December 31, 2021 and \$25,167 for the year ended December 31, 2020.

### *Date of Management's Review of Subsequent Events*

Subsequent events were evaluated through October 11, 2022, which is the date the financial statements were available to be issued.

#### ***D. Fair Value Measurements***

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

**Level 1** inputs to the valuation methodology consist of unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access and have the highest priority.

**Level 2** inputs consist of observable inputs other than quoted prices for identical assets (Level 1).

**Level 3** inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which level 1 inputs were not available. Level 3 inputs will only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

##### ***Level 1 Fair Value Measurements***

As shown in Note C, all the assets of the Plan are invested in mutual funds and are valued using Level 1 valuation methodology. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

#### ***E. Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### ***F. Tax Status***

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by tax authorities, however, there are currently no audits for any tax periods in progress.

***G. Risks and Uncertainties***

FASB ASC 275, *Risks and Uncertainties*, requires disclosures that focus primarily on risks and uncertainties that could significantly affect the amounts reported in the financial statements in the near term or the near-term functioning of the reporting entity. The risks and uncertainties addressed can stem from the nature of an entity's operations, the use of significant estimates, and current vulnerabilities due to certain concentrations. The effects of COVID-19 may negatively impact significant estimates and exacerbate a vulnerability due to certain concentrations (e.g. business concentration in a market severely affected by the effects of COVID-19).
