INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Overland Sheepskin Co. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Overland Sheepskin Co. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of April 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended April 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of April 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 24, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

OVERLAND SHEEPSKIN CO. 401(K) PLAN

Notes to Financial Statements

April 30, 2022 and 2021

1. Description of the Plan

The following description of the Overland Sheepskin Co. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement ("Agreement") for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of Overland Sheepskin Co. (the "Company" or "Plan Administrator"). Employees are eligible to participate in the Plan after completing one month of employment and after attaining eighteen years of age. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Administration

The Company has contracted with The Vanguard Group ("Vanguard"), Ascensus, LLC ("Ascensus"), and Ascensus Trust Company ("Ascensus Trust") to perform certain custodial and Plan recordkeeping and administration services.

Contributions

Eligible employees may contribute up to 100% of eligible compensation, subject to certain limitations established by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans in the form of rollovers.

The Plan includes a safe harbor Company matching contribution equal to 100% of employee contributions up to 5% of eligible compensation. The Company may also make discretionary profit sharing contributions, which are allocated among eligible employees whether or not they make contributions to the Plan. There were no profit sharing contributions during the years ended April 30, 2022 and 2021.

Participant Accounts

Individual accounts are maintained for each Plan participant. Participant accounts are credited for contributions and allocations of Plan earnings and charged with withdrawals and an allocation of Plan losses. Plan earnings or losses are allocated to participants based upon their relative percentages of each fund's investment account balance.

OVERLAND SHEEPSKIN CO. 401(K) PLAN

Notes to Financial Statements (continued)

1. Description of the Plan (continued)**Vesting**

Participants are immediately vested in their elective deferrals, safe harbor matching contributions, profit sharing contributions, and any earnings thereon.

Payment of Benefits

Upon retirement, death, or termination of employment, participants or their beneficiaries may elect to receive a lump-sum distribution, partial payments as requested from time to time, or equal installments over a specified period of time. Active employees may also receive a distribution of all or a portion of their account balance upon reaching age 59 1/2 or for specific hardship circumstances. Effective April 22, 2020 through December 31, 2020, the Company implemented the expanded in-service withdrawal options available under the Coronavirus Aid, Relief and Economic Security Act.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) notes receivable from participants. Loan terms range up to five (5) years from the date of the loan, unless the loan is used to purchase a dwelling unit to be used as the principal residence of the participant. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

2. Summary of Significant Accounting Policies**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from these estimates.

OVERLAND SHEEPSKIN CO. 401(K) PLAN

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)**Investment Valuation and Income Recognition**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of the valuation methods and inputs used.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of April 30, 2022 and 2021. Notes receivable from participants mature between June 2022 and March 2037 at April 30, 2022 and bear interest at rates ranging from 5.25% and 7.25%.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Certain investment-related expenses are included in the net appreciation (depreciation) in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Information Certified by Ascensus Trust

The following is a summary of the Plan's asset and income information as of and for the years ended April 30, 2022 and 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Ascensus Trust and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Ascensus Trust that information provided to the Plan Administrator by Ascensus Trust is complete and accurate.

Notes to Financial Statements (continued)

3. Information Certified by Ascensus Trust (continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedule related to the following:

	2022	2021
Investments at fair value:		
Money market fund	\$ 1,131,892	\$ 962,511
Mutual funds	8,115,824	8,422,182
Notes receivable from participants	60,022	112,897
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ (732,428)	\$ 2,219,693
Dividends and interest	140,225	113,174
Interest income on notes receivable from participants	5,107	9,369

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, the accrued benefits of all participants shall be distributed to participants as provided in the Plan.

5. Fair Value Measurements

GAAP establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority): Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities; Level 2, defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at April 30, 2022 and 2021.

- *Money market fund and mutual funds:* Valued based on quoted prices in active markets.

The following table shows assets measured at fair value as of April 30, 2022 and 2021 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

Mutual funds	8,115,824	8,115,824	8,422,182	8,422,182
Investments, at fair value		<u>\$ 9,247,716</u>		<u>\$ 9,384,693</u>

6. Exempt Party-In-Interest Transactions

Certain Plan investments are managed by Vanguard. Vanguard provides investment advice as to the selection of investment options, with fees for this service being paid by the Company. Ascensus, a subcontractor to Vanguard, provides recordkeeping services, with fees for this service being paid by the Company. Therefore, these transactions with Vanguard and Ascensus qualify as party-in-interest transactions. A participant who acquires a participant loan is also a party-in-interest. However, all such transactions are exempt and are not prohibited by ERISA.

7. Tax Status

The Plan is using a prototype plan document developed by Ascensus, Inc. Ascensus, Inc. received an opinion letter from the IRS dated March 31, 2014, which states that the prototype plan document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The prototype plan document has not been amended since receiving the determination letter, nor has the Plan itself received a determination letter; however, the Company believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. As of April 30, 2022 and 2021, no such uncertain positions exist.

8. Subsequent Events

The Plan evaluated subsequent events through January __, 2023, the date the financial statements were available to be issued.
