INDEPENDENT AUDITOR'S REPORT

**To the Board of Trustees and Management
of Summit Management Consulting, LLC Employees Savings Trust**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Summit Management Consulting, LLC Employees Savings Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of June 30, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2022 Supplemental Schedule Required by ERISA

The 2022 supplemental schedule H, Schedule Line 4(i) of Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matters - Report on the 2021 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of June 30, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated April 14, 2022, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Summit Management Consulting, LLC Employees Savings Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established July 1, 2003 and most recently amended on October 1, 2017 is a contributory, defined contribution plan with a 401(k) elective deferral arrangement which covers the employees of Summit Management Consulting, LLC (the Company) and other companies with common ownership, meeting the eligibility requirements discussed below. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increase in the available loan amount, as described in Note 1, to the lesser of \$100,000 or 100% of the participant’ vested account balance.
- Extend the period for loan repayments, if applicable, up to one year.
- Suspended required minimum distributions for 2020.

Eligibility

An employee may become a participant in the Plan after satisfying the age (21 years old) and 45 days of service are completed.

Contributions

Contributions to participant accounts are made by employees through tax-deferred salary deductions and by the Company from its earnings. Participants may voluntarily contribute between 1% and 75% of their compensation to the Plan on a pretax basis up to the maximum amount currently allowed by law, plus any catch-up contributions as allowed for by the Internal Revenue Code ("IRC") and the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to change fund elections and transfer investment balances between funds on a daily basis. Participants may elect to change contribution percentages on a quarterly basis. The Company has elected to make a safe harbor non-elective contribution equal to 3% of compensation for all eligible participants. The Company also has the option to elect to make a discretionary profit sharing or matching contribution. The matching contribution will never exceed 4% of compensation in any plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, and income or loss allocation. Income and loss amounts are allocated daily based on ending balances and current period contributions as described in the Plan document.

NOTE 1 – DESCRIPTION OF PLAN – Continued

Investment Programs

Participant contributions are invested in accordance with the participant's election in one or more investment options available in the Plan.

Vesting

Participant contributions and earnings thereon are 100% vested at the date of contribution. Safe Harbor contributions are also always 100% vested at the date of the contribution. Participants are vested in the discretionary employer contributions based on years of continuous service. Employer contributions and earnings thereon vest by the participants as follows:

	Years				
	1	2	3	4	5
Vested Percentage	20%	40%	60%	80%	100%

As defined in the Plan document, in the event of attainment of normal retirement age, 65 years old, disability, or the death of a participant, Company contributions are fully vested.

Distributions and Withdrawals

Participants become eligible for distributions and withdrawals upon retirement, disability, or termination. Participants age 59-1/2 or older may also make an election to receive a lump-sum distribution of their total vested account balance while employed by the Company, subject to minimum distribution requirements as established by the IRC.

The Plan also provides for early withdrawal of savings in the event of a financial hardship of a participant. A hardship is considered to be a payment necessary to prevent an eviction from a mortgage foreclosure on the participant's principle residence, extraordinary medical expenses for one or more members of the participant's immediate family, or the purchase of a principle place of residence. A hardship exists only when funds are not reasonably available from the participant's other sources. The amount withdrawn must not exceed the amount needed in the situation.

Participant Loans

The Plan allows participants to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to Plan requirements and limitations defined by the IRC. The loans are secured by the balance in the participant's account and bear a rate of interest commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Forfeitures

If a participant is not fully vested on his or her termination date, the non-vested amount of the account is forfeited. Forfeitures are used to reduce employer contributions or to pay administrative expenses of the Plan. During the years ended June 30, 2022 and 2021 amounts used to reduce employer contributions amounted to approximately \$1,300, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in conformity with generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent asset and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value as determined by quoted market prices. See Note 4 for further details regarding investments stated at fair value.

The Plan presents in the statement of changes in assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains and losses and the unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are reflected in a trade-date basis. Gains and losses on sales of securities are based on average cost. Mutual fund interest income is recorded as earned on an accrual basis and included in the net appreciation (depreciation) in the fair value of the investments.

Notes from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowance for credit losses has been recorded as of June 30, 2022 and 2021.

Administrative Expenses

The Plan pays certain administrative expenses. These expenses include professional, custodian, bookkeeping, and other administrative expenses incurred by the Plan. Fees paid by the Plan for the investment management services amounted to \$5,852 and \$4,752 for the years ended June 30, 2022 and 2021.

Payment of Benefit

Benefits are recorded when paid.

Subsequent Events

Subsequent events were evaluated through January 18, 2023, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company the trustee of the Plan, has certified the completeness and accuracy of the investment information and notes receivable from participants as of and for the years ended June 30, 2022 and 2021. This includes the investment information reflected in the accompanying statements of net assets available for benefits, the statement of changes in net assets available for benefits and the schedule of assets (held at end of year).

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021:

NOTES TO FINANCIAL STATEMENTS - Continued
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Investments are measured at net asset value provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is not a publicly traded quoted price in an active market but is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets are fair value as of June 30, 2022 and 2021:

Assets at Fair Value as of June 30, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,917,744	\$ -	\$ -	\$ 2,917,744
Investments measured at net asset value (a)	-	-	-	286,905
Total	<u>\$ 2,917,744</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,204,649</u>

Assets at Fair Value as of June 30, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,687,045	\$ -	\$ -	\$ 3,687,045
Investments measured at net asset value (a)	-	-	-	335,473
Total	<u>\$ 3,687,045</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,022,518</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS - Continued
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2022 and 2021. There are no participant restrictions for these investments; and, the redemption notice period, if any, is applicable only to the Plan.

	June 30, 2022			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common Collective Trusts	\$ 286,905	N/A	Daily	Up to 12 months

	June 30, 2021			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common Collective Trusts	\$ 335,473	N/A	Daily	Up to 12 months

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

NOTE 5 – RELATED PARTY TRANSACTIONS

The Company, the Plan, participants, and the custodians have all been identified as parties-in-interest.

Certain expenses, including salaries and services required for Internal Revenue Service ("IRS") reporting, related to the administration of the Plan are paid by the Company. The Company is the sponsor of the Plan, and, therefore these transactions qualify as party-in-interest.

SUMMIT MANAGEMENT CONSULTING, LLC EMPLOYEES SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS - Continued
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 6 – PLAN TERMINATION

The Company may, by action of its Board of Directors, amend the Plan, discontinue its contributions, or terminate the Plan, although its expectation is to continue the Plan as a permanent program. In the event of plan termination, participants would be 100% vested in their accounts and the assets of the Plan would be distributed among participants according to their respective account balances.

NOTE 7 – INCOME TAX STATUS

The Plan is based on a Volume Submitter Profit Sharing Plan with CODA, which received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). The Plan has not filed for its own determination letter from the IRS. The Volume Submitter Profit Sharing Plan has been amended since the date of the opinion letter. However, Plan management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
