INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
The Palm Beach First Responders
Foundation, Inc.
Sponsored Retirement Plan
Palm Beach, Florida

Opinion

We have audited the accompanying financial statements of The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan as of December 31, 2021, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Plan

The following description of The Palm Beach First Responders Foundation, Inc. Sponsored Retirement Plan (the "Plan"), is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is sponsored by Palm Beach First Responders Foundation, Inc. (Plan Sponsor) and is maintained for the exclusive benefit of eligible employees of the Town of Palm Beach (Employer), in order to help them plan for their retirement. The Plan provides for discretionary non-elective contributions only. The Plan covers all employees of the Palm Beach Police Department and the Palm Beach Fire Department, except for individuals who are participating in the Deferred Retirement Option Program under the Town of Palm Beach Employees Retirement System, employees covered under a collective bargaining agreement, except where such collective bargaining agreement provides for coverage under this Plan, nonresident aliens, individuals who as to any period of time are classified or treated by the employer as independent contractors, seasonal employees, leased employees, or consultants.

The original effective date of the Plan is January 1, 2021.

Participants become eligible after completing one year of service. Participants are credited with one year of service for each 12-consecutive month eligibility computation in which the participant is credited with at least 1,000 hours of service. Initial eligibility computation period begins upon the date of hire and the first participation date is the first payroll period following the completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

- b) *Plan Administration* – The Plan is administered by the Plan's Sponsor Administrative and Investment Committee. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) is the trustee and will hold custody and service the Plan's investment assets. The Plan has an agreement with The Paragon Alliance Group, LLC to provide third-party administrative services.
- c) *Contributions* – Each year, the Plan Sponsor may make discretionary non-elective contributions in an amount to be determined at the end of the Plan year. Following the last day of each Plan year, the Plan Sponsor shall determine the level, if any, at which contributions may be made to the Plan in respect of such Plan year. Contributions for a Plan year may be made at any time on or before December 31st of the following Plan year to which the contributions relate. Contributions are based upon base pay for a Plan year and exclude the following forms of non-regular pay: straight and regular over-time pay, bonuses, and shift premiums. As of December 31, 2021, the Plan Sponsor made a 4% discretionary non-elective contribution that was paid to the Plan on June 3, 2022.
- d) *Participant Accounts* – Each participant's account is credited with the Plan Sponsor's non-elective contributions and plan earnings.

For the Year Ended December 31, 2021

1. Description of Plan, continued

- e) *Vesting* – Vesting in the Plan Sponsor's contributions is based upon years of completed vesting service. A participant is 100% vested after 6 years of credited services. Participants vest in their account based on the elapsed time method. Under this method participants are credited with a year of service on each anniversary date of their date of employment. Only whole years of service are counted. Upon death or disability, while still employed, or reaching age of 65, non-elective contributions become 100% vested.
- f) *Administrative Expenses* – All expenses of Plan administration and operation, including fees of any agents employed and including any expenses attributable to a termination of the Plan, may be paid by the Plan Sponsor.
- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct the investment of their contributions into various investment options offered in the custodian's portfolio of investments.
- h) *Participant Loans* – The Plan does not allow loans or hardship distributions.
- i) *Payments of Benefits* – Upon retirement, death, disability, or termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments or a direct rollover distribution.
- j) *Forfeitures* – Participants that terminate employment with the Employer and are less than 100% vested will forfeit the non-vested portion of the non-elective contributions in their account. Forfeitures are retained in the Plan and are used to reduce future contributions or used to pay Plan expenses.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Payment of Benefits* – Benefits are recorded when paid.

For the Year Ended December 31, 2021

2. Summary of Significant Accounting Policies, continued

- d) *Plan Risk and Uncertainties* – The Plan is expected to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts that are reported in the Statement of Net Assets Available for Benefits.

3. Tax Status

This individually designed Plan has a favorable determination letter from the Internal Revenue Service dated January 9, 2023. Furthermore, the Plan's sponsor and administrator believe that the Plan as individually designed is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

4. Plan Termination

Although it has not expressed an intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and accrued benefits, to the extent funded or required to be funded, and must be distributed to the participants.

5. Subsequent Events

Management has evaluated subsequent events through February 13, 2023, the date on which the financial statements were available to be issued, and determined there were no events to disclose in these financial statements.
