Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The Trustees
Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Trustees
Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ANDERSON COLUMBIA CO., INC. 401(K) SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of Anderson Columbia Co., Inc. 401(k) Salary Reduction Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective January 1, 1978. The Plan has been amended and restated throughout the years to comply with tax legislation and most recently restated effective December 1, 2021. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for the oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Eligibility

Employees of Anderson Columbia Company, Inc. and Junction City Mining Company, LLC (collectively, the Company), who are not specifically excluded, are eligible to participate in the deferral and Company components of the Plan after completing six months of service. Service with certain acquired predecessor employees is counted for eligibility and vesting purposes. Effective December 1, 2021, there are no longer any excluded employees. Prior to December 1, 2021, excluded employees included nonresident aliens.

Contributions

Each year, participants may contribute up to 100% of pretax and Roth annual compensation, as defined, in the Plan subject to statutory limitations. The Plan includes an auto-enrollment provision whereby all employees without an existing deferral election are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. For automatically enrolled participants, unless specified otherwise, 3% of the salary will be automatically deducted as a pre-tax salary deferral contribution to the Plan and their contributions invested in the designated default fund until changed by the participant. The initial automatic contribution percentage will be increased, after one full year automatic deferrals, by 1% annually up to a maximum of 6%. The increase will be effective on the first day of the Plan year, beginning with the first Plan year following the date deferrals were first automatically withheld from eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Each year, the Company makes a safe harbor qualified matching contribution equal to 100% of the first 1% of participant deferrals and 50% of additional deferrals up to 6% of pay. The Company's matching contribution for the year ended December 31, 2021 totaled approximately \$1,190,910.

The Company may, at its discretion, elect to make additional matching contributions or a profit sharing contribution to the Plan. For the year ended December 31, 2021, there were no additional matching contributions or profit sharing contributions.

ANDERSON COLUMBIA CO., INC. 401(K) SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain Internal Revenue Service (IRS) limitations.

On June 22, 2021, the IRS approved a voluntary correction program (VCP) for a recently discovered orphan account in an amount over \$400,000. Under the VCP, the balance was allocated to nonhighly compensated employees who were eligible for profit sharing contributions as of December 31, 2019. The allocation was based on pro-rata eligible compensation as of December 31, 2019. The approval from the IRS states the Plan is permitted to retain their tax favored status under the Internal Revenue Code (IRC). The deposit in the amount of \$468,036 was made on July 28, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor qualified matching contribution, any additional Company matching contributions, an allocation of the Company's profit sharing contribution, if any, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company safe harbor qualified matching contributions, additional matching contributions and profit sharing contributions, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested in safe harbor qualified matching contributions after two years of service. A participant is 100% vested in additional matching contributions and profit sharing contributions after six years of credited service. Employees who were previously employed with Summit Contracting, LTD, became 100% vested in additional matching contributions and profit sharing contributions after three years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Benefit Payments

The distribution of a participant's vested interest in the Plan may occur upon the participant's death, disability, retirement, termination of employment, attainment of 55 or 59½ years of age, or qualifying under certain hardship rules as prescribed by the Internal Revenue Code (IRC). If the balance in the account exceeds \$5,000, the participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution, installment or partial withdrawal. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a guaranteed portfolio account.

Forfeited Accounts

When certain terminations of participants in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents forfeitures. Forfeitures are retained in the Plan and may be used to offset Company contributions or to pay the Plan's administrative expenses. As of December 31, 2021 and 2020, the Plan had approximately \$143,701 and \$114,411, respectively, in forfeitures. For the year ended December 31, 2021, \$79,936 were used to pay administrative expenses.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

ANDERSON COLUMBIA CO., INC. 401(K) SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Administrative costs directly attributable to the Plan are paid by the Plan. These costs include investment management and general administration fees. Certain amounts are deducted from participating accounts. All other costs directly related to the Plan are paid by the Company. These costs include accounting, legal and administrative payroll fees and other office and administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through January 10, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure (DOL) under ERISA. Accordingly, Great-West Life & Annuity Insurance Company (Great-West) and Great-West Trust Company, LLC (Great-West Trust), the qualified institutions, have certified to the completeness and accuracy of the following data included in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the related investment activity reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021, and for the information reflected in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

ANDERSON COLUMBIA CO., INC. 401(K) SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 32,334,733	\$ -	\$ -
	<u>\$ 32,334,733</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 32,334,733</u>
2020			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 27,761,529	\$ -	\$ -
	<u>\$ 27,761,529</u>	<u>\$ -</u>	<u>\$ -</u>
			<u>\$ 27,761,529</u>

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed portfolio contract, Great-West Select Guaranteed Fund, with Great-West, who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed portfolio contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

ANDERSON COLUMBIA CO., INC. 401(K) SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Because the guaranteed portfolio contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed portfolio account. The guaranteed portfolio account is presented on the face of the accompanying statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition of competing investment options or deletion of equity wash provision, (3) bankruptcy of the Company or other Company events (for examples, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any of such events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed portfolio contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan administrator, through its investment advisor, monitors the Plan's investments and risks associated therewith on regular basis, which the Plan administrator believes minimizes these risks.

ANDERSON COLUMBIA CO., INC. 401(K) SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in all of the Company contributions.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds among other investments managed by Great-West and Great-West Trust. Great-West is the insurance company and Great-West Trust is the custodian of the Plan, and therefore these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules of ERISA.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net Assets Available for Benefits per Financial Statements	\$ 33,911,266	\$ 29,471,047
Current Year Company Match Contribution Receivable	-	(19,480)

Net Assets Available for Benefits per Form 5500	<u>\$ 33,911,266</u>	<u>\$ 29,414,338</u>

For the year ended December 31, 2021, there are no reconciling items in the net increase in the Plan per financial statements and per Form 5500.
