Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of The Children's Home Society 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 30, 2022, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2021 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2021 financial statements and supplemental schedule, other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 - Plan Description

The following brief description of The Children's Home Society of Florida 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, originally effective January 1, 1996, and most recently restated July 1, 2019, is a defined contribution plan covering all employees, as defined by the Plan, of Children's Home Society of Florida (the Employer or Company). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) was passed by Congress providing immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act were allowed to be treated as effective and operationalized immediately upon enactment and prior to amending the Plan document. The Plan allowed for certain of the temporary relief provisions for qualified individuals (as defined under the CARES Act), including the suspension of loan payments on outstanding loans for one year. The CARES Act also waived required minimum distributions that would have been payable during 2020. The temporary CARES Act provisions expired December 31, 2020.

The Plan appointed Massachusetts Mutual Life Insurance Company (MassMutual) as the Plan's record keeper and contract administrator. Effective December 31, 2020, Empower Retirement, LLC (Empower) acquired the retirement business of MassMutual. As a result, contracts written by MassMutual are reinsured by GreatWest Life & Annuity Insurance Company (Great-West), an affiliate of Empower. Following the initial transition period, Empower became the sole administrative service provider of this business. The Plan's custodian is Reliance Trust Company.

Eligibility

All employees are eligible to participate in the Plan upon the date employment begins for purposes of elective deferral contributions, except as follows:

- Non-resident aliens with no U.S. income or if all such income is exempt from U.S. income tax.
- Employees who are eligible to participate in another plan sponsored by the Company that allows elective deferral agreements.

To be eligible for Employer discretionary matching contributions, employees must be eligible for purposes of elective deferrals, have worked at least six months and be age 21 or older.

Contributions

Participants may contribute either pre-tax or after-tax Roth deferrals up to 100% of their eligible annual compensation, as defined in the Plan agreement, up to the maximum allowed under the Internal Revenue Service (IRS) limitations. The Plan provides for an automatic enrollment of eligible participants at a deferral rate of 3% of eligible pay, as defined, unless the participant enters into an alternative elective deferral agreement. The Plan allows for certain additional catch-up contributions for participants over age requirements defined in the IRC. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

The Company may contribute a discretionary matching contribution equal to a uniform percentage or dollar amount of the participant elective deferrals each Plan year. For the year ended June 30, 2022, the Company made discretionary matching contributions dependent on years of service, as follows:

- Less than ten years – 50% of the elective deferral contribution up to 10% of compensation, as defined.
- Ten or more years – 75% of the elective deferral contribution up to 10% of compensation, as defined.

Participant Accounts

Participant accounts are completely self-directed. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of the Plan's earnings and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is determined under the following schedule:

<u>Years of Service</u>	<u>Vesting (%)</u>
Less than 3	0%
3 or more	100%

Any portion of a participant's account that is forfeitable will be forfeited on the earlier of the date a terminated participant receives a distribution or the date on which the participant experiences five consecutive one-year breaks in service, as defined.

A participant's interest in the Company's matching contributions fully vests without regard to the number of years of service if the participant, while still employed: (i) attains normal retirement age, as defined; (ii) attains early retirement age, as defined; (iii) dies; or (iv) becomes disabled.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The number of outstanding loans is limited to one. The term of the note receivable cannot exceed five years, unless for the purchase of a primary residence, in which case the term may be up to 15 years. The notes receivable are secured by the balance in the participant's account and bear interest at one percentage point above the prime interest rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, if the participant's vested account balance does not exceed \$5,000, the participant may elect to receive the vested account balance in a single lump-sum payment. If the vested account balance is more than \$1,000 and the participant does not make an election, the Plan will automatically roll over the distribution to an IRA. If the vested balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum payment or in a

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

series of installments over time. Hardship withdrawals may be requested from participant deferrals and are paid in one lump-sum upon approval. In-service distributions from a participant's vested account balance may be made provided the participant has reached the age of 59 ½. Participants that reached the age of 70 ½ prior to January 1, 2020, are required to take a minimum distribution from their account. Effective January 1, 2020, participants are required to take a minimum distribution from their account upon reaching the age of 72.

Forfeitures

Forfeitures may be used to pay Plan expenses or to offset future Employer contributions. During the year ended June 30, 2022, \$183,367 of forfeitures were used to reduce Employer contributions and \$30 of forfeitures were used to pay Plan expenses. At June 30, 2022 and 2021, unallocated forfeitures totaled \$116,542 and \$95,326, respectively.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan agreement. Expenses that are paid by the Company are excluded from these financial statements. Certain transaction fees for loan issuances and distributions are charged directly to the accounts of the participants who incur those fees. Any costs associated with the investment of participant's account are charged to that participant's account.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, with the exception of fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

The Plan's fully benefit-responsive investment contract is valued at contract value. Contract value equals the accumulated cash contributions from participants and interest credited to the Plan's contract, less withdrawals and expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received primarily through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as deemed distributions based on terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Company has evaluated events and transactions occurring subsequent to June 30, 2022, as of January 27, 2023, which is the date the financial statements were available to be issued. No material events have occurred since June 30, 2022, that require recognition or disclosure in the financial statements.

Note 3 - Investments Certified by Reliance Trust Company

The following summary of financial information included in the Plan's financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company as of June 30, 2022 and 2021 and for the year ended June 30, 2022, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

<u>Year Ended June 30, 2022</u>		
Net Depreciation in Fair Value of Investments		\$ (5,776,314)
Interest on Guaranteed Investment Contract		\$ 22,703
Dividend Income		\$ 963,216
Interest Income on Notes Receivable from Participants		\$ 31,372

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Level 2—Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 and 2021.

Mutual Funds: These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

June 30, 2022				
Fair Value Measurements Using:				
	Level 1	Level 2	Level 3	Total Fair Value

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5 - Guaranteed Investment Contract

The Plan invests in a MassMutual Guaranteed Interest Account (GIA) provided through a group annuity contract. Under the terms of the contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance in the GIA investment option at contract value. The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to: (1) removal of group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants, (2) partial or complete Plan termination or (3) Plan disqualifications. The Plan administrator does not believe the occurrence of any such events is probable.

Note 6 - Tax Status

The Plan is based on a Volume Submitter 403(b) Plan (the Volume Submitter Plan). The IRS ruled on March 31, 2017, and updated this ruling on April 7, 2021, that the Volume Submitter Plan qualifies under section 403(b) of the IRC under the volume submitter program and the related trust is, therefore, not subject to tax under the present income tax law. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions.

Note 8 - Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by MassMutual. Transactions related to these investments qualify as party-in-interest transactions. During the year ended June 30, 2022, \$178,913 in administrator fees were paid by the Plan to Great-West. Notes receivable from participants also qualify as exempt party-in-interest transactions.

THE CHILDREN'S HOME SOCIETY OF FLORIDA 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic. The effects of the COVID-19 pandemic have caused volatility in financial markets and may continue to affect the value of the investments held by the Plan. Due to the uncertainty of the duration and continued effects of this pandemic, the near and long-term financial effects and their impact on the Plan's investment securities and results of operations cannot be predicted at this time.
