INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of
The Arthur G. Russell Company, Incorporated
Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of The Arthur G. Russell Company, Incorporated Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of The Arthur G. Russell Company, Incorporated Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Arthur G. Russell Company, Incorporated Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Arthur G. Russell Company, Incorporated Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Arthur G. Russell Company, Incorporated Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of The Arthur G. Russell Company, Incorporated Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 21, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE ARTHUR G. RUSSELL COMPANY, INCORPORATED
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Arthur G. Russell Company, Incorporated Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of The Arthur G. Russell Company, Incorporated (the “Company”) who have completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Trustees are responsible for oversight of the Plan and determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

The Plan is administered by the trustees of the Plan. Ascensus Trust Company (Ascensus), the custodian of the Plan, maintains participants’ records and custodies the Plan’s investments. Effective July 1, 2022, the Plan changed its custodian and recordkeeper from Ascensus to ADP and Reliance Trust Company, respectively. On June 30, 2022, Ascensus began the process of re-registering the Plan’s investments to Reliance Trust Company. As a result, as of June 30, 2022, three of the Plan’s investments were held by Reliance Trust Company, with Ascensus the custodian of the remaining investments.

Plan Restatement

Effective October 1, 2021, the Plan was completely amended and restated under a new volume submitted document. Under the new adoption agreement, all basic plan provisions remain substantially the same.

Contributions

Each year, participants may contribute up to 100% of their compensation, as defined in the Plan. Participants may direct their contributions as either pre-tax deferrals or after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Newly eligible employees will be automatically enrolled in the Plan with a default pre-tax deferral rate of 6% of their compensation, unless otherwise elected by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

JUNE 30, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

The Company may make discretionary matching contributions, as determined by the Board of Directors. For the year ended June 30, 2022, the matching contribution was equal to 25% of each participant's combined pre-tax and Roth contributions. The discretionary matching contribution totaled \$424,255 for the year ended June 30, 2022. The Company may also make discretionary profit sharing contributions. For the year ended June 30, 2022, the profit sharing contribution was equal to a percentage, that ranged from 3%-9%, of each participant's compensation. The discretionary profit-sharing contribution totaled \$602,847 for the year ended June 30, 2022.

In order to share in the discretionary matching and profit sharing contributions, participants must be employed on the last day of the Plan year. This last day requirement is waived if the participant terminates employment before the end of the plan year on account of normal retirement age, death, or disability.

Contributions are subject to certain limitations. Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and discretionary matching contributions, as well as allocations of the Company's discretionary profit sharing contributions and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% immediately vested in their accounts.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive a lump-sum amount, partial sum amount, or series of installment payments equal to the vested value of the participant's account. Participants with account balances less than \$5,000 will receive the vested interest in their account as a lump-sum distribution or as a rollover into an individual retirement account, depending on the balance in their account. Participants with a vested account balance greater than \$5,000 may defer payment of benefits until a later date. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59.5.

Additionally, under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), eligible participants were allowed to withdraw up to \$100,000 from their retirement accounts without penalty, with the option to repay these amounts to the Plan within three years to avoid paying taxes on the distribution. As permitted by the CARES Act, each participant self-certified that they satisfied certain conditions before receiving a CARES Act Distribution. Ascensus did not request or collect any additional information.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurement, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of the components of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investments. Investments, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net asset available for benefits.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2021 and net depreciation in fair value of investments and interest and dividends for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, as agent for Ascensus Trust Company, the custodian of the Plan.

As of June 30, 2022, as a result of the change in custodian disclosed in Note 1, investments totaling \$25,616,357 held by Ascensus and investments totaling \$955,480 held by Reliance Trust Company were not certified.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Collective Trust Fund – Valued at the NAV of units of a collective trust fund. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment of an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There were no unfunded commitments as of June 30, 2022 and 2021. The collective trust fund has a daily redemption frequency and a notice period of 1 day.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

Assets at fair value as of June 30, 2022:

Description	Level 1	Level 2	Level 3	Total
Mutual Funds	\$24,451,184	\$ -	\$ -	\$ 24,451,184
Collective Trust Fund*	-	-	-	2,120,653
Total Assets at Fair Value	<u>\$24,451,184</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,571,837</u>

Assets at fair value as of June 30, 2021:

Description	Level 1	Level 2	Level 3	Total
Mutual Funds	\$27,330,693	\$ -	\$ -	\$ 27,330,693
Collective Trust Fund*	-	-	-	2,087,398
Total Assets at Fair Value	<u>\$27,330,693</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,418,091</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA.

PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

NOTE 6 – TAX STATUS

The Company adopted a Volume Submitter Plan and Trust (the VS Plan) sponsored by a third party administrator. The Internal Revenue Service issued an opinion letter dated May 26, 2021 indicating that the VS Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the Code). The VS Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan holds shares of mutual funds issued by affiliates of Ascensus, the Plan's custodian. Ascensus is a service provider to the Plan and, therefore, these transactions and the Plan's payment of fees to Ascensus qualify as party-in-interest transactions. Fees paid by the Plan to Ascensus, or its affiliates, totaled \$8,664 for the year ended June 30, 2022.

NOTE 8 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for recognition and disclosure through February 2, 2023, the date the accompanying financial statements were available for issuance.

Effective July 1, 2022, the Plan changed its recordkeeper from Ascensus to ADP. In connection with this change, the Plan adopted a new prototype plan document sponsored by ADP. Under the new adoption agreement, the maximum participant deferrals was reduced from 100% of the participant's compensation to 90% of the participant's compensation. All other plan provisions remain substantially the same.
