Independent Auditors' Report

To the Plan Administrator of
Audemars Piguet (North America) Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Audemars Piguet (North America) Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions as of for the year ended December 31, 2021 and Schedule of Assets (Held at End of Year) as of December 31, 2020, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AUDEMARS PIGUET (NORTH AMERICA) INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of the Plan

The following description of Audemars Piguet (North America) Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan was established January 1, 2000, and subsequent amended and restated effective January 1, 2016, with the adoption of the Volume Submitter Profit Sharing Plan with CODA sponsored by Sunguard Business Systems, LLC.

The Plan is a defined contribution plan covering employees of Audemars Piguet (North America) Inc. (the “Company”). Employees are eligible to participate in the Plan upon reaching age 21 and completing three months of service. Participants are able to enroll in the Plan on the first day of the month following completion of the eligibility requirements. The Company manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan operates under an agreement with Transamerica Retirement Solutions (“TRS”) to act as recordkeeper of the Plan. TRS enters into a trust agreement with a related party or third-party trustee to hold the investments and execute investment transactions of the Plan during the year. At year end, all investments and related investment activity are certified. Reliance Trust Company (“RTC”) served as trustee at December 31, 2021 and 2020 for all investments except the stable value fund, where Transamerica Financial Life Insurance Company (“TFLIC”) serves as the trustee.

(b) Contributions

Participants may contribute up to 100% of their annual compensation as pre-tax or Roth contributions. Contributions are subject to certain Internal Revenue Code limitations. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company contributes a traditional ADP Safe Harbor non-elective contribution to eligible participants (see Note 1(a)), which is calculated as 3% of the participant’s compensation for the plan year.

The Plan also allows for the Company to contribute a discretionary match and/or discretionary non-elective contribution (generally in the form of a discretionary profit-sharing contribution) to eligible participants, as determined by the Plan Sponsor. For the year ended December 31, 2021, there was a discretionary profit-sharing contribution of approximately \$165,000 and a discretionary non-elective contribution of approximately \$750,000.

(1) Description of the Plan - Continued

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, ADP safe harbor contribution, and discretionary profit-sharing contribution, plan earnings and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Investment Options

Participants may direct contributions to any of the investment options offered by the Plan. The investment options include a various mutual funds, common investment trust, and a stable value fund. Fund allocation percentages may be changed by participants at any time.

(e) Vesting

Participants are immediately vested in their contributions and the ADP non-elective safe harbor contribution plus actual earnings thereon. Vesting in the Company's discretionary matching and discretionary non-elective contributions plus actual earnings thereon is based on years of service. A participant vests 20% per year starting with one year of service and is 100% vested after five years of credited service. Additionally, participants become 100% vested upon reaching the normal retirement age of 62 or in the event of disability or death.

(f) Forfeited Accounts

Any non-vested account balance after the distribution of a terminated participant's vested account balance is forfeited. Forfeitures of participants' non-vested account balances are used to reduce future Company contributions or to reduce administrative expenses of the Plan. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$105,000 and \$88,000, respectively. During 2021, approximately \$10,000 in forfeitures were used to reduce Company contributions.

(g) Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the excess of the Participant's highest outstanding loan balance during the 12-month period ending on the date of the loan over the Participant's current outstanding Participant loan balance on the date of the loan. Loan terms may range from one to five years for general loans, and up to fifteen years for the purchase of a principal residence.

The loans are collateralized by the balance in the participants' accounts and bear interest at the prime rate plus 1%, as defined by the Plan. Principal and interest are paid ratably through payroll deductions. Any distribution, other than an in-service distribution, from the Plan will first be applied to offset any outstanding loan balance unless the loan is directly rolled over to another employer's plan.

(h) Payment of Benefits

The Plan provides for the payment of vested benefits to participants upon retirement, death, disability, or termination. Benefits are recorded when paid. If the value of participant's vested account does not exceed \$5,000, the entire amount shall be paid to the participant in a single lump sum. Account balances greater than \$5,000 are distributed after Participant's consent as either a lump-sum amount equal to the vested value of the participant's account balance or in installment payments.

(i) Hardship Withdrawals

The Plan allows participants to withdraw a portion of their account balance in the event of immediate and heavy financial need if they satisfy certain conditions. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

As a result of the Bipartisan Budget Act of 2018, effective January 1, 2019, the requirement to exhaust loan distributions prior to receiving a hardship distribution was removed from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan as a result of a hardship withdrawal.

(j) Plan Termination

Although the Employer expects to continue the Plan indefinitely, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of plan termination, all benefits become fully vested.

(k) Reclassification

Certain investments have been reclassified within the statement of assets available for benefits and the fair value hierarchy as of December 31, 2020 as shown in Note 4. This reclassification had no impact on the total net assets available for benefits as of December 31, 2020.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and the related changes therein. Actual results could differ from those estimates.

AUDEMARS PIGUET (NORTH AMERICA) INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(2) Summary of Significant Accounting Policies - Continued

(c) Valuation of Investments and Income Recognition

Investments in registered investment companies are stated at fair value. Shares in registered investment companies are valued based on readily available and determinable market values, which represent the net asset value of the shares held by the Plan at year end.

The stable value fund is a fully benefit-responsive investment contract that is valued at contract value (see Note 5).

Net appreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(d) Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(e) Administrative Expenses

Administrative expenses represent recordkeeping and advisory fees incurred to maintain the Plan, certain of which are paid to TRS. Trustees and third-party administrator fees are paid out of plan assets with any other costs being paid by the Employer.

(f) Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivables from participants is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments, the loan balance is reduced, and a benefit payment is recorded.

(3) **Information Certified by the Trustees (Unaudited)**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, RTC and TFLIC, the trustees have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Total investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020;
- Total investment income and related investment activity as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021;
- The Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown in the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(4) **Fair Value Measurements**

Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under ASC Topic 820 are described below. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

AUDEMARS PIGUET (NORTH AMERICA) INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(4) Fair Value Measurements - Continued

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies

Registered investment companies are valued at quoted market prices, which represent net asset values of shares held by the Plan at year end and are classified as Level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2021</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Quoted Prices in Active Markets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Registered investment companies	\$ 16,720,306	16,720,306	-	-

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2020</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Quoted Prices in Active Markets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Registered investment companies	\$ 15,110,236	15,110,236	-	-

(5) Fully Benefit-Responsive Investment Contract

The Plan has a fully benefit-responsive stable value fund with TFLIC. Investments in the stable value fund allow participants to invest money in a general account of TFLIC which earns interest. Participant contributions are commingled with TFLIC's other assets and TFLIC assumes the risk of principal and accrued interest. An effective annual rate of interest is established prior to January 1st and July 1st each year. Interest is credited to the stable value fund daily based on its daily balance, at a rate of interest that is the daily equivalent of the effective annual rate of interest applicable for each six-month period.

AUDEMARS PIGUET (NORTH AMERICA) INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(5) **Fully Benefit-Responsive Investment Contract - Continued**

Because the stable value fund is fully benefit-responsive, contract value is the relevant measurement for the stable value fund. Contract value, as reported to the Plan by TFLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with TFLIC. Such events include the following: (1) amendments to the plan documents (including complete or partial termination); (2) bankruptcy of the Company or Employers; (3) other Company or Employers' events that cause a significant withdrawal from the Plan; or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

(6) **Tax Status**

The Plan has adopted a volume submitter plan ("VSP") document sponsored which received its latest opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the VSP, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The VSP has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the VSP is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) **Party-in-Interest Transactions**

Notes receivable from participants and the stable value fund are managed by TRS or its related party TFLIC and these transactions qualify as party-in-interest transactions. During 2021, the Plan paid TRS approximately \$40,000. In addition, the Plan paid approximately \$54,000 for TPA and investment advisory services. While these transactions qualify as party-in-interest transactions as defined in Section 3(14) of ERISA, they are expressly exempted from the prohibited transaction rules.

AUDEMARS PIGUET (NORTH AMERICA) INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(8) **Delinquent Participant Contributions**

Defined contribution plans are required to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all participant contributions to the Plan, contributions of \$4,162 and \$4,201 were not remitted within the Plan's remittance policy for the years ended December 31, 2021 and 2020, respectively. The Company is in the process of remitting these delinquent participant contributions, including any applicable lost earnings and excise tax as a result.

(9) **Subsequent Events**

The Plan's management has evaluated events and transactions for potential recognition or disclosure in the financial statements through February 13, 2023, the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan adopted the Cycle 3 Amended Plan document, which updated the Plan for certain regulatory and administrative requirements. The Cycle 3 Amended Plan document obtained an Internal Revenue Service opinion letter dated June 30, 2020.
