REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of
Rock Solid Technologies, Inc. Retirement Plan for
Employees of Rock Solid Technologies, Inc.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rock Solid Technologies, Inc. Retirement Plan for Employees of Rock Solid Technologies, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lufthansa Technik Puerto Rico Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lufthansa Technik Puerto Rico Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Line 4(i) - Schedule of Assets Held (At End of Year) for the year ended on December 31, 2021, and Schedule H Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended on December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit 2020 financial statements of Rock Solid Technologies, Inc. Retirement Plan for Employees of Rock Solid Technologies, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ROCK SOLID TECHNOLOGIES, INC. RETIREMENT PLAN
FOR EMPLOYEES OF ROCK SOLID TECHNOLOGIES, INC.**

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan

The following description of the Rock Solid Technologies, Inc. Retirement Plan for Employees of Rock Solid Technologies, Inc. and RST ERP PR, Inc. (the Plan) provides only general information. Participants should refer to the Summary of the Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all full-time employees of Rock Solid Technologies, Inc. and RST ERP PR, Inc. (the Companies) who have completed three consecutive months of service and are age 21 years or older. The original effective date of the Plan was January 1, 1999. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

On March 18, 2015, the Plan was amended to terminate UBS Trust Company of Puerto Rico as trustee and appointed the successor trustee of the Plan. The Company created a committee to serve as the Plan Administrator. The Plan's Committee is composed of the Company's President, Vice-president and Controller. The Plan's Trustee was Plan's Sponsor President.

Effective December 1, 2016, the plan's Trustee appointed Oriental Bank as non-discretionary directed trustee for purposes of ERISA section 403(a)(1), and will have no discretionary control over, nor any other discretion regarding the investment or reinvestment of the Trust assets.

On January 1, 2021 Great-West Life & Annuity Insurance Company (Empower Retirement LLC) became the recordkeeper and custodian after the acquisition of the retirement business of Massachusetts Mutual Life Insurance Company. The Plan's recordkeeper and custodian as of December 31, 2020 was Massachusetts Mutual Life Insurance Company.

On November 9, 2021, the Plan was amended retroactively to January 1, 2021 to include RST ERP PR, Inc. as other adopting employer.

Contributions

A participant may contribute not less than 1% of pre-tax annual compensation as defined in the Plan and shall not exceed the pre-tax contribution limit allowed under Puerto Rico Internal Revenue Code section 1081.01(d) (\$15,000). The participants may contribute after tax contributions and may not be less than 1% nor exceed 10% of compensation. Participants who have attained age 50 or over are eligible to make catch-up contributions up to \$1,500 per Plan Year. Participants direct the investment of their total contributions into various investments options offered by the Plan.

The employer will make matching pre-tax contributions equal to \$0.50 for each dollar of pre-tax contributions made to the plan by an eligible employee up to the first 8% of his/her compensation contributed to the plan throughout the Plan year.

Rollover Contributions

Participants may rollover their funds previously held for their account in another employee benefit plan on a tax-free basis.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (continued)

Participants accounts

Each participant's account is credited with the participant's and Company contributions and a pro-rata allocation of the Plan's earnings, net of administrative expenses. The pro-rata allocation is based upon the proportion of individual account balances to total participants' accounts balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions portion of their accounts, plus actual earnings thereon is based on years of continuous service. Participants become 100% vested in the matching contributions after three years of credited service. Non-vested portions of participant accounts that are forfeited upon payment of benefits are retained in the Plan and used to reduce future employer contributions or administrative expenses.

Effective January 1, 2016, the Plan was amended to change the plan's vesting schedule from a 3-year cliff vesting to a 100% full vesting schedule at all times.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is distributed in the form of a lump sum distribution equal to the value of the participant's vested interest in his/her account or monthly, quarterly, semiannual or annual installments over a period of years certain.

In conditions of "financial hardship", a participant may apply to the Plan administrator for approval to withdraw that portion of his retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

Forfeited Accounts

The balance on these accounts will be used to by the Plan's Sponsor to reduce future employer contributions or Plan administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company contributions of their account.

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of Rock Solid Technologies, Inc. Retirement Plan for Employees of Rock Solid Technologies, Inc. have been prepared on the accrual basis and have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investments Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

The Plan's fully benefit-responsive investment contract are reported at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less withdrawals and funds used to pay administrative expenses. Interest income is recorded on an accrual basis.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

The Company provides certain administrative and accounting services to the Plan at no cost. Administrative expenses including audit fees and legal fees are paid directly by the Company. Other administrative expenses directly incurred by the Plan includes investment management and distributions fees charged directly to the participant's accounts. These administrative expenses are presented as a deduction to net assets on the Statement of Changes in net Assets Available for Benefits.

Risk and Uncertainties

The Plan provides for various investment options that are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

**ROCK SOLID TECHNOLOGIES, INC. RETIREMENT PLAN
FOR EMPLOYEES OF ROCK SOLID TECHNOLOGIES, INC.**

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

Financial Accounting Standard Board (FASB) established the Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which provides a framework for defining and measuring fair value under generally accepted accounting principles. This codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. In some cases where market prices are not available, observable market based inputs are used to calculate fair value, in which case the measurements are classified within Level 2. If quoted or observable market prices are not available, fair value is based upon internally developed models that use, where possible, current market-based parameters such as interest rates, yield curves and currency rates. These measurements are classified within Level 3.

The assets of the Plan are under a group annuity contract of Mass Mutual which invest its assets in a Separate Investment Accounts (SIA). The SIA are separate from Mass Mutual general investment account and investment activities in these accounts take place according to the stated objectives and methods of the various SIAs. The principal is not guaranteed. Contract holders are allocated units of the SIA, not specific securities. The value of the SIA units is the net fair value of the underlying assets on the last day of the Plan's reporting period. The fair market value of the securities in the SIAs includes reinvested dividend and interest income (received and accrued) realized gains and losses, and unrealized gains and losses on a valuation date minus any outside custodial service provider fee of the underlying assets. The underlying investments' performance (interest, dividends, and realized and unrealized gains and losses) is reflected in the unit value. The SIA Fair Value of each Separate Investment Account is determined by computing the value of the total assets held in such Separate Investment Account and deducting total liabilities, including accrued liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with FASB guidance the SIA have not been classified in the fair value hierarchy as they are measured at fair value using NAV as a practical expedient.

4. Guaranteed Interest Account

The Plan has a Group Annuity Contract with Mass Mutual that invests contributions in the Guaranteed Interest Account (GIA). The GIA is a stable value investment with a guaranteed rate of return and a guaranteed of principal that is backed by Mass Mutual general investment account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

**ROCK SOLID TECHNOLOGIES, INC. RETIREMENT PLAN
FOR EMPLOYEES OF ROCK SOLID TECHNOLOGIES, INC.**

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

4. Guaranteed Interest Account (continued)

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIA since the contract was determined to be fully benefit responsive. The contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1 percent. Such interest rates are reviewed on a semi-annual basis for resetting.

Participants may ordinarily direct the withdrawal and/or transfer of all or a portion of their account balance at contract value. The GIA issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan),
- b) removal from the plan one or more groups or classifications of participants,
- c) partial or complete plan termination,
- d) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or
- e) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include:

1. Puerto Rico Department of Treasury determines that the Plan no longer meets the requirements of Code section 1081.01(a) or any other applicable Code provision
2. a breach of material obligation under the contract
3. a termination or partial termination of the Plan
4. a material amendment to the agreement without the consent of the issuer

5. Information Prepared and Certified by Empower Retirement

The following information included in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments and interest and dividends for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian:

	December 31	
	2021	2020
Separate Investment Accounts	\$ 10,098,637	\$ 8,378,747
Guaranteed Interest Account	736,157	1,551,442
	<u>\$ 10,834,794</u>	<u>\$ 9,930,189</u>

Investment income earned from these instruments as of December 31, 2021 and 2020 were as follows; net appreciation in fair value of investments, \$1,222,849 in 2021 and \$1,172,435 in 2020 and interest and dividends \$13,054 in 2021 and \$14,232 in 2020.

**ROCK SOLID TECHNOLOGIES, INC. RETIREMENT PLAN
FOR EMPLOYEES OF ROCK SOLID TECHNOLOGIES, INC.**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. Tax Status

On March 18, 2015, the Plan was amended to change the Trustee and on July 16, 2015 it was requested to the Treasury Department of Puerto Rico a determination letter to qualify the Plan under Puerto Rico Internal Revenue Code of 2011, Section 1081.01. On August 5, 2016, the Plan Administrator received the determination letter approving the participation on the new prototype retirement plan and establishing that the established new Trust is exempt under Section 1081.01 of Puerto Rico Internal Revenue Code of 2011.

Accounting principles generally accepted in the United States of America requires to the management of the Plan to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

In the normal course of business, the Plan is potentially subject to income tax audits in the Commonwealth of Puerto Rico for its taxable years 2018 through 2021, until the applicable statute of limitations expires. There are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

7. Related-Party Transactions and Party in Interest Transactions

The Plan has a group annuity contract which until December 31, 2020 was managed by Massachusetts Mutual Life Insurance Company and its subsidiaries and/or affiliates. Certain subsidiaries provide administration, custodial and recordkeeping services. These specific investments issued or managed by Massachusetts Mutual Life Insurance Company qualified as party-in-interest transactions.

Several employees of the Company provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for these services of the employees to the Plan.

8. Subsequent events

Subsequent events were evaluated through February 8, 2023, which is the date of the financial statements were available to be issued. No events have occurred subsequent to the balance sheet date, and the date the financial statements were available to be issued that would require additional adjustment, to or disclosure in the financial statements.

9. Prohibited Transactions

As required by ERISA Section 2510.3-102, the Company is required to segregate employee contributions to the Plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During the year 2021, 2020, 2019, 2018 and 2017, the Company did not remit employee contributions as soon as they are able to remit the contributions to the custodian. The Company is able to remit immediately after payroll payment and they remitted in an average of 4 to 10 days. Total participant contributions considered late amount to \$553,877 in 2021, \$437,277 in 2020, \$593,154 in 2019, \$419,483 in 2018 and \$251,957 in 2017.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
