INDEPENDENT AUDITOR'S REPORT

To the Plan Committee Member and Plan Administrator of
Dermatology Medical Partners LLC 401(k) Profit Sharing Plan & Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of **Dermatology Medical Partners LLC 401(k) Profit Sharing Plan & Trust** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A S S U R A N C E D I M E N S I O N S

Other Matter – Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors under ERISA Section 103(a)(3)(C). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor to perform limited auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021 was unmodified and indicated that certain information related to investments and notes receivable from participants disclosed in the 2020 financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian, a qualified institution.

Dermatology Medical Partners LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

December 31, 2021 and 2020

Note A – Description of Plan

The following description of the Dermatology Medical Partners LLC 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a safe harbor contribution plan covering all employees of Dermatology Medical Partners LLC and its participating employers (collectively, the “Company”). The Plan was formed and adopted on January 1, 2004 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Employees must be 21 years of age with at least 30 days of service in order to be eligible to participate in the Plan. The entry date to the Plan is the date eligibility requirements are met.

The Plan has implemented certain provisions allowed by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Services (“IRS”) guidance.

Administration

The Plan is administered by the Company. The Plan’s assets for the year were maintained and administered by Great-West Life & Annuity Insurance Company (the “Custodian”). Contributions are held by the Custodian, who invests cash received, interest and dividend income, as directed by the participant, and makes distributions to participants.

Contributions

Participants may contribute up to the maximum allowed by law imposed by the Internal Revenue Code (“IRC”) limitations. The maximum participant deferral for December 31, 2021 and 2020 was \$19,500. A participant who has attained the age of 50 may also make catch up contributions, subject to IRS limitations of \$6,500 for December 31, 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also allows participants to designate all or a portion of their contributions as Roth contributions to the Plan on an after-tax basis. Contributions received from participants are net of excess deferral contributions refunded, as required to satisfy the relevant nondiscrimination provisions of the Plan.

The Plan provides for Company safe harbor matching contributions equal to 100% of participant deferrals up to the first 3% of each participant’s compensation, plus 50% of participant deferrals up to the next 2% of compensation, not to exceed 5% of compensation, as defined in the Plan document.

Additional discretionary Company profit sharing contributions may be contributed to the Plan at the option of the Company. Allocations are based on each participant’s compensation as it bears to total compensation of all participants. Participants must be employed on the last day of the Plan year and must have completed at least 1,000 hours of service in order to receive an allocation of any such discretionary Company profit-sharing contributions. The Company did not elect to make any discretionary Company profit sharing contributions to the Plan for the year ended December 31, 2021.

Participants direct the investment of their contributions and Employer contributions into various investment options offered by the Plan.

Note A – Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, any Company safe harbor matching contributions, as well as an allocation of (a) any additional discretionary Company profit-sharing contributions, and (b) Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, as well as any rollover contributions, and Company safe harbor contributions plus actual earnings thereon. Vesting in any discretionary Company profit-sharing contributions is based on the following schedule:

Years of Services	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also become fully vested upon death or permanent disability while employed.

Investment Options

Under the Plan, participants may currently direct investments to any of 30 investment options. Participants may change their investment elections daily through a telephone access system or online system.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate equal to 1% above the Prime rate. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution as of the first day of the second calendar quarter following the calendar quarter in which the participant failed to make a required installment payment.

Note A – Description of Plan (continued)

Distribution of Benefits

In the event of termination of service, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawals, as defined in the Plan agreement, less any applicable taxes. If a participant's vested balance is \$5,000 or less, the plan Administrator will distribute the entire vested account balance to the participant without their consent.

Participants may also request in-service distributions upon attaining age 59 ½. Benefits may be received when a participant demonstrates a situation of financial hardship as defined in the Plan.

Forfeitures

Forfeitures resulting from non-vested portions of participant accounts are used to pay administrative expenses or to reduce future Company contributions. Forfeitures are approximately \$19,000 and \$15,000 on December 31, 2021 and 2020, respectively. In 2021, no forfeitures were used to reduce Company contributions and pay administrative expenses of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account will become fully vested and non-forfeitable. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of changes in net assets during the reporting period. Such estimates include those regarding fair value. Actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. See discussion at Note G on valuation of the guaranteed interest account.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|----------------|---|
| <i>Level 1</i> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <i>Level 2</i> | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">Quoted prices for similar assets or liabilities in active markets;Quoted prices for identical or similar assets or liabilities in inactive markets;Inputs other than quoted prices that are observable for the asset or liability;Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| <i>Level 3</i> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the net asset value ("NAV") provided by the custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2021 and 2020. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Investments measured using the NAV as a practical expedient are exempt from being presented in the fair value hierarchy. As all of the Plan's investments are exempt from the fair value hierarchy, the table has been excluded.

Notes to Financial Statements

December 31, 2021 and 2020

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian, a qualified institution. As of December 31, 2021 and 2020, and for the year ended December 31, 2021, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodian, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Income Tax Status

The Plan adopted a volume submitter plan from FIS Business Systems, which received an opinion letter from the IRS on June 30, 2020 stating that the volume submitter plan document, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2019.

Note E – Risks and Uncertainties

The Plan provides for various investment options which are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note F – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or participants of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments are managed by the Custodian. Transactions related to these investments qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$22,000 during the year ended December 31, 2021.

Note G – Fully Benefit-Responsive Investment Contracts

Fully benefit-responsive investment contracts, at contract value on the statement of net assets consist of the following investment(s):

<u>Investment Type</u>	<u>Investment name</u>	<u>December 31, 2021</u>	<u>December 31, 2020</u>
Guaranteed interest account	Fixed account	\$ 100,633	\$ 140,186

Dermatology Medical Partners LLC 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

December 31, 2021 and 2020

Note G – Fully Benefit-Responsive Investment Contracts (continued)

The Plan invests in a guaranteed interest account (“Fixed account” or “the Fund”) provided through a group annuity contract. Under the Fund a crediting rate is established and is credited with contributions and charged for participant withdrawals and administrative expenses charged by the Custodian of the Funds. The guaranteed interest account issuers are contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Specific coverage provided by each contract may be different from each issuer and can be found in the contract of the Fund. Examples of such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investments options or deletion of equity wash provision, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

Note H – Reconciliation of Financial Statements to Form 5500

The Plan holds investments in pooled separate accounts, which is how they are reported on Form 5500, Schedule D, DFE/Participating Plan Information. Plan number “000” has been used to report these investments on Schedule D because Great-West Life & Annuity Insurance Company has not filed a Form 5500 directly with the Department of Labor for these investments. As such, the Plan’s interest in such investments cannot be included in Schedule H, line 1c(10). Instead, the Plan’s interest in the underlying assets of the pooled separate accounts must be allocated and reported in the appropriate categories on a line-by-line basis. Therefore, these investments are reflected as mutual funds on Form 5500, Schedule H, line 1c(13) but as pooled separate accounts for financial statement purposes.

Note I – Subsequent Events

Subsequent events have been evaluated through January 27, 2023, which is the date the financial statements were available to be issued.
