Independent Auditors' Report

To the Plan Administrator
Trattoria Romana 401(k) Plan
Boca Raton, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit - 2021 Financial Statements

We have performed audits of the accompanying financial statements of Trattoria Romana 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements. ("2021 Financial Statements")

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion - 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles in the United States of America ("GAAP").
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Continued from previous page

Basis for Opinion - 2021 Financial Statements

We conducted our audit in accordance with generally accepted auditing standards in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management - 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit - 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Continued from previous page

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Continued from previous page

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for Plan benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of Plan

General

Trattoria Romana 401(k) Plan (the "Plan") was established June 1, 2004, to allow eligible employees of Trattoria Romana, Inc. (the "Sponsor") to defer a portion of their compensation to supplement retirement income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

Plan Administration

Under the terms of the Plan, the Sponsor acts as the Plan Administrator. The Sponsor contracted with John Hancock Life Insurance Company (U.S.A.) to serve as the Custodian and record-keeper ("John Hancock" or the "Custodian").

Under the terms of the agreements, the Custodian maintain the Plan assets in accordance with the Plan's Adoption Agreement and invests all Plan assets in accordance with the participants' instructions, in various funds offered from time to time under the Plan.

The Aimpoint Group, LLC (the "TPA") serves as the third-party administrator of the Plan. Merrill Lynch Pierce Fenner & Smith ("Merrill Lynch") is the Plan's investment advisor.

Plan Amendments

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document is retroactively amended on or before December 31, 2022.

Eligibility

An employee of the Sponsor is eligible for participation in the Plan if he or she has completed one (1) year of service and 1,000 or more hours of service. There is no minimum age requirement. The entry date for the Plan is the first day of each plan quarter following the date on which an employee meets the eligibility requirements.

Contributions

Each year, a participant may defer 100% of total compensation through periodic payroll deductions, up to contribution limits specified by the Internal Revenue Code ("IRC"). The maximum pre-tax contribution for the year ended December 31, 2021 was $19,500. In addition, participants over 50 years of age are permitted to make additional annual catch-up contributions of $6,500 for the year ended December 31, 2021.

The Sponsor will contribute a safe harbor matching contribution to each employee who meets the eligibility requirements, equal to 100% of the participant deferrals up to 3% of eligible compensation, plus 50% of the salary deferrals that exceeds 3% of eligible compensation, up to a maximum of 5% of eligible compensation.

Note 1 – Description of Plan, continued

Contributions, continued

The Sponsor may also elect to make a discretionary non-elective contribution to eligible participants. The Sponsor did not make any discretionary profit-sharing contributions for the year ended December 31, 2021.

Roth deferrals are not permitted under the terms of the Plan.

Rollovers

The Plan accepts eligible rollover distributions from qualified plans.

Participant Investment Options

Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds held in pooled separate accounts as investment options for participants.

Participant Accounts

The Plan maintains separate accounts for each participant. Each participant's account is credited with the participant's contribution and the Sponsor's safe harbor matching contributions, as well as income and losses attributable to the participants account, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, investment earnings, and the Sponsor's safe harbor matching contributions, plus actual earnings thereon. Vesting on the Sponsor's discretionary non-elective contributions, plus actual earnings thereon, are based on years of credited service at the following rates:

Years of Service	Vesting Percentages
Less than 1	0%
1 or more	20%
2 or more	40%
3 or more	60%
4 or more	80%
5 or more	100%

Participant Loans

The Plan does not permit loans.

Note 1 – Description of Plan, continued

Payment of Benefits

Participants may elect to receive lump-sum or installment distributions. Participants are eligible for distribution upon termination, retirement, disability, death, or attainment of age 59 ½. The Plan also allows for hardship distributions based on proven financial need, as defined by the IRC. The Plan automatically distributes participant accounts with balances less than $5,000 upon termination of employment. If the participant's account balance is between $1,000 and $5,000, the distribution will be made to an Individual Retirement Account ("IRA") account. If the participant's account balance is less than $1,000 the distribution will be made as a lump sum cash distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Forfeited Accounts

Forfeited balances may be used by the Sponsor to pay Plan expenses or reduce employer contributions. At December 31, 2021 and 2020 the balance of the non-vested forfeited account was $2,467 and $2,254, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as investments held during the year.

Date of Management's Review

Subsequent events were evaluated through January 25, 2023, which is the date these financial statements were available to be issued.

Note 3 – Investments as Certified by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-5 and 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosures under ERISA. The Custodian of the Plan have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020 and the schedule of assets (held at end of year) at December 31, 2021, and the related investment activity reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

Note 4 – Fair Value Measurements

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

The three (3) levels of the fair value hierarchy under GAAP are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds Held in Pooled Separate Accounts: Pooled separate accounts are valued based upon the units of such pooled separate accounts held by the Plan at year end multiplied by the respective unit value. At December 31, 2021 and 2020, pooled separate accounts are valued at their accumulation unit value ("AUV"). These are valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund's dividends, and the contract's separate account charges.

Note 4 – Fair Value Measurements, continued

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis at December 31:

	2021			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds held in pooled separate accounts	$ 2,254,528	$ 2,254,528	$ -	$ -

	2020			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds held in pooled separate accounts	$ 1,893,901	$ 1,893,901	$ -	$ -

Note 5 – Party-in-Interest Transactions

John Hancock, Merrill Lynch, and the Aimpoint Group are considered parties-in-interest. Certain investments and investment activity presented in the accompanying financial statements are considered transactions with parties-in-interest according to the DOL guidelines; however, they are exempt from the prohibited transaction rules of ERISA according to the DOL guidelines. In 2021, the Plan made direct payments of $23,790 for services rendered to the Plan. The Sponsor pays directly any other fees related to the Plan's operations.

Note 6 – Income Tax Status

The Plan is a volume submitter profit sharing plan sponsored by the TPA, designed in accordance with applicable sections of the IRC. The TPA received an opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014, stating that the Plan is qualified under section 401(a) of the IRC and, therefore, the related trust is exempt from taxation.

The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Note 6 – Income Tax Status, continued

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Note 7 – Risks and Uncertainties

Investment Risks

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to net assets per the Form 5500 as of December 31:

	2021	2020
Net assets available for Plan benefits per the financial statements	$ 2,267,762	$ 1,903,639
Participants' contributions receivable	(7,054)	(4,923)

Contributions received from employer per the financial statements	$	98,799
Contributions receivable from employer in the prior year		2,561
Contributions receivable from employer in the current year		(3,713)
Contributions received from employer per Schedule H of Form 5500	$	97,647

Note 10 – Operational Errors

Prohibited Transactions

During 2021 and 2020, the Sponsor failed to timely remit certain participant contributions to the Plan's Custodian totaling $8,848 and $39,626, respectively, within the time period prescribed by DOL guidelines. The DOL determines the required time frame based on the date such contributions or repayments can reasonably be separated from the Sponsor's assets. The Sponsor will file the IRS Form 5330 and pay all applicable excise taxes and lost earnings related to these late remittances in 2021.
