INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Turtle & Hughes, Inc. Employee Stock Ownership Plan

Opinion

We have audited the financial statements of Turtle & Hughes, Inc. Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits (in liquidation) as of December 29, 2021 and December 31, 2020, the related statement of changes in net assets available for benefits (in liquidation) for the final period ended December 29, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 29, 2021 and December 31, 2020, and the changes in net assets available for benefits for the final period ended December 29, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TURTLE & HUGHES, INC. EMPLOYEE STOCK OWNERSHIP PLAN

Notes to Financial Statements

December 29, 2021 and December 31, 2020

NOTE A - DESCRIPTION OF PLAN

[1] General:

Turtle & Hughes, Inc. Employee Stock Ownership Plan (the "Plan") is a noncontributory stock ownership profit sharing plan; the purpose of which was to enable all full-time employees to acquire ownership in Turtle & Hughes, Inc. (the "Company"). It was a stock bonus plan under Section 401(a) of the Internal Revenue Code ("Code"), and an employee stock ownership plan under Section 4975(e)(7) of the Code. All shares of Company stock were allocated to Plan participants. Turtle & Hughes, Inc. is a distributor of electrical, industrial and data communication supplies, as well as photovoltaic equipment. The Company also provides integrated supply management services. The Plan is administered by a committee (the "Plan committee"), appointed by the Company's Board of Directors (the "Board").

The Company terminated the Plan as of December 31, 2019. Participants became 100% vested in their account balances at the time of the termination. The shares previously invested as Company stock were liquidated on December 31, 2019 and the majority of the Plan's assets remaining in the Plan were held in U.S. government securities, cash equivalents, and ultimately interest-bearing cash. All benefits were paid as of December 29, 2021. As of December 29, 2021, there were no remaining assets in the Plan.

[2] Contributions:

Contributions to the Plan were payable in cash or Company stock and were made to the employee stock ownership trust. Such contributions were made at the discretion of the Board. Due to the termination of the Plan as of December 31, 2019, the Company did not make a contribution for the final period ended December 29, 2021.

[3] Participant accounts:

Each participant's account was credited with an allocation of (1) the shares of Company stock released by the Reliance Trust Company (the "Trustee"), (2) distributions made by the Company on Company stock, (3) Company contributions, and (4) Plan earnings, and was charged with an allocation of investment advisor fees and investment losses. Allocations were based on the ratio of the participants' covered compensation to the covered compensation of all participants in the Plan.

[4] Vesting:

Participants became 100% vested upon termination of the Plan as of December 31, 2019.

[5] Payment of benefits:

Distributions from the Plan were generally made upon a participant's retirement, disability, death, diversification, or termination of employment with the Company. Distributions were generally made in cash or Company stock. Based on the Plan document and the Company's S Corp status, any distributions made in Company stock were converted to cash. Shares of Company stock were converted to cash at their fair market value as of the valuation date (December 31st of each year) coincident with or immediately preceding the date of the distribution.

Pursuant to the terms of the Plan, a participant was eligible to receive an in-service withdrawal if the Board had authorized such withdrawals for the Plan year. In order to be eligible for such withdrawal, the sum of a participant's age and years of service must have equaled or exceeded 85.

Notes to Financial Statements

December 29, 2021 and December 31, 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

[6] Forfeitures:

Forfeitures were reallocated among the remaining participants in the Plan on the last day of each Plan year after a participant incurred five consecutive one-year breaks in service. Forfeitures resulting from participants with no vested account were reallocated among the remaining participants on the last day of each Plan year.

There were no forfeitures during the final period ended December 29, 2021 and forfeitures available to be allocated as of December 29, 2021 and December 31, 2020, were zero.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

As a result of the Plan termination effective December 31, 2019, for the final period ended December 29, 2021 and year ended December 31, 2020, the financial statements were prepared under the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

[2] Investments:

Interest income is recorded on the accrual basis.

[3] Eligibility:

Employees of the Company were eligible to participate in the Plan after one year of service provided they worked at least 1,000 hours during such Plan year and the employee was at least 21 years of age.

[4] Voting rights:

Each participant had one vote for each share of Company stock in his or her account. The Trustee voted such allocated shares of Company stock as instructed by the participants. Allocated shares for which no direction was received was voted by the Trustee at the direction of the Plan Administrator.

[5] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes to Financial Statements

December 29, 2021 and December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[6] Risks and uncertainties:

The Plan invested in various investment securities which were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 29, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

[7] Administrative expenses:

Substantially all expenses incurred in connection with the administration of the Plan were paid by the Company.

[8] Payment of benefits:

Benefits are recorded when paid.

[9] Concentration of credit risk:

Since December 31, 2019, the Plan maintained cash in bank deposit accounts, including money market funds and certificates of deposit, which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash.

[10] Subsequent events:

The Plan has evaluated subsequent events through February 9, 2023, the date the financial statements were available to be issued.

NOTE C - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated April 14, 2017, stating that the Plan is qualified under the Code and therefore the related trust is exempt from taxation. As discussed in Note A, the Plan has been amended and terminated and accordingly, the Plan filed Form 5310 for a determination of the Plan's qualified status upon termination and received a new determination letter, which was dated July 16, 2020 with a favorable determination.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 29, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE D - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are cash, money market funds, certificates of deposit, and shares of mutual funds held and managed by the custodian, Morgan Stanley Smith Barney, LLC ("Morgan Stanley"). Transactions with Morgan Stanley qualify as party-in-interest transactions.
