INDEPENDENT AUDITORS' REPORT

Plan Administrator
Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan
Minneapolis, Minnesota

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 12, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period from January 1, 2022 to July 12, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 12, 2022 and December 31, 2021, and for the period from January 1, 2022 to July 12, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

METAL MATIC, INC. MINNEAPOLIS UNION EMPLOYEES' 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 12, 2022 AND DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on October 1, 1995 by Metal-Matic, LLC (the Employer) and is a defined contribution plan. The Plan was most recently amended effective April 1, 2016 and restated effective January 1, 2016. The Plan is subject to the provisions of ERISA, as amended.

Eligibility

Employees who are represented by the Teamsters Union Local #970 and Teamsters Union Local #120 are eligible to participate in the Plan on the first day of each calendar quarter immediately following or coinciding with the day they attain the age of 18.

Contributions

Participants may contribute up to 100% of their eligible compensation, as defined by the Plan. Eligible employees without a salary reduction agreement will be automatically enrolled in the Plan with a 2% deferral contribution. Employees may also contribute amounts representing distributions from other qualified plans. For participants employed in the collective bargaining unit represented by Teamsters Union Local #970, the Employer matched 75% of up to 5% of the employee's gross wages (effective April 1, 2019; previously the Employer match was 65% of up to 5%). For participants employed in the collective bargaining unit represented by Teamsters Union Local #120, the Employer matched 65% of up to 5% of the employee's gross wages. The match is based on June 30 wages provided the employee had 1,000 hours; and December 31 gross wages provided the employee had 1,000 hours of service for the year and was employed on December 31. Future Employer matching contributions are subject to future negotiations between the Employer and the collective bargaining unit. Participants over the age of 50 may make an additional catch-up contribution. Contributions are subject to certain limitations.

Vesting

Participants are immediately fully vested in their deferral and rollover contributions plus actual earnings thereon. Participants vest in Employer contributions over a period of six years based on a graded vesting schedule. Participants also become 100% vested in Employer contributions upon retirement, death, or disability.

Forfeitures

Forfeited nonvested accounts totaled \$-0- and \$3,503 at July 12, 2022 and December 31, 2021, respectively. Forfeited accounts are used to reduce Employer contributions. Forfeitures of \$3,336 and \$24,408 were used to reduce Employer contributions during 2022 and 2021, respectively.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest equal to the prime rate plus 2%. All notes must be repaid within five years unless used for the purchase of a primary residence which must be repaid within 15 years. Principal and interest are paid through payroll deductions.

Participants' Accounts

Participant's accounts are credited with employee deferrals, Employer contributions, rollover contributions, an allocation of Plan earnings, and an allocation of Plan expenses. Allocations of Employer contributions are based on participant compensation, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are valued daily.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in various investment options. Participants may change their investment options daily.

Distributions

Under the terms of the Plan, participants may receive distributions in the form of a lump sum upon termination of employment, retirement, disability, or death. Automatic distributions greater than \$1,000 without the participants consent will be paid in a direct rollover to an Individual Retirement Account (IRA). The Plan also permits in-service distributions at age 62 for salary deferral contributions or vested Employer contributions only as defined in the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments in mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. The collective funds are valued based on the NAV of the units, which is based on observable prices for the underlying assets, held by the Plan at year-end. NAV is a readily determinable fair value and is the basis for current transactions.

NOTES TO FINANCIAL STATEMENTS
JULY 12, 2022 AND DECEMBER 31, 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value of Financial Instruments

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at July 12, 2022 and December 31, 2021.

NOTES TO FINANCIAL STATEMENTS
JULY 12, 2022 AND DECEMBER 31, 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

Benefit Payments

Benefit payments are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events through December 22, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

The Employer is the administrator of the Plan. Principal Trust Company is the trustee of the Plan and has supplied the Plan administrator with a certification as to the completeness and accuracy of the notes receivable from participants and all the investment information reflected on the accompanying statements of net assets available for benefits as of July 12, 2022 and December 31, 2021, and the statements of changes in net assets available for benefits for the period from January 1, 2022 to July 12, 2022 and the year ended December 31, 2021.

NOTE 4 FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets:				
Mutual Funds	\$ 8,947,513	\$ -	\$ -	\$ 8,947,513
Collective Funds	-	2,320,534	-	2,320,534
Total Investments at Fair Value	<u>\$ 8,947,513</u>	<u>\$ 2,320,534</u>	<u>\$ -</u>	<u>\$ 11,268,047</u>

There were no assets as of July 12, 2022 due to the merger to the successor plan (see Note 9).

NOTE 5 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Trust Company, the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Direct fees of \$17,471 and \$38,420 were paid by the Plan and its participants to Principal Trust Company during 2022 and 2021, respectively. A portion of these fees were paid through a revenue sharing program and are shown net on the statements of changes in net assets available for benefits.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 9 MERGER TO SUCCESSOR PLAN

On June 8, 2022, the Employer, as permitted by the Plan document, resolved to merge the Metal Matic, Inc. Minneapolis Union Employees' 401(k) Plan into the PTC Alliance LLC Union Retirement Savings Plan, effective July 1, 2022 or as soon as administratively possible after that date. Effective July 12, 2022, total assets transferred were \$10,106,543, which includes a \$120,563 of an Employer matching contribution receivable that was subsequently deposited to the PTC Alliance LLC Union Retirement Savings Plan on August 10, 2022.
